A BRIEF BIOGRAPHY OF OUR GRAND MASTER

William R. Pellow was born in 1930 at Chapleau, Ontario, where he received his early education. He attended Albert College in Belleville and received a B.A. degree from Queen's University. He completed his studies at the University of Toronto Faculty of Dentistry in 1964.

He practises dentistry in London, Ontario and is President of Pellark Inc., a land and property development company.

Dr. Pellow taught at both the University of Toronto and the University of Western Ontario Dental Faculties. He is a member of local, provincial and federal dental societies and has held offices in many dental bodies.

Our Grand Master was initiated, passed and raised in Lorne Lodge No. 622, Chapleau. He rose to the office of Junior Deacon, resigning his position to attend University. In 1966 he affiliated with Ionic Lodge No. 716, London, and became Worshipful Master in 1972. In 1976 he was elected District Deputy Grand Master of London East District. He was appointed to the Board of General Purposes in 1980 and was subsequently elected 1982-84. During this period he served with distinction on many committees, and was Chairman of the Committee on Masonic Education. In 1985 he was elected Deputy Grand Master.

Bro. Pellow is a member of several concordant and appendant orders in both York and Scottish Rite. He is a member of Mocha Shrine, London, and was President of the Alumni Unit.

At the Conference of Grand Masters of Masons in North America in 1987, our Grand Master was elected to the Committee of the Commission on Information for Recognition.

In 1955 he married Leitha Robinson and the Pells have two daughters, Kimberly Anne and Arden Linda, and a son, William Robin Jackson. The Pellow home has become the centre for annual lodge social events.

Many public and private endeavours have benefited from our brother's enormous energy and dedication.

M.W. Bro. Pellow's affiliation is with the United Church. Curling, cottaging in Chapleau, and tennis are among his pastimes.

MINUTES

The Grand Secretary proceeded to read the Minutes of the last meeting held in Toronto on July 16, 1986, when it was moved by M.W. Bro. H. O. Polk, seconded by M.W. Bro. R. E. Groshaw, and resolved: That inasmuch as the Minutes of the last Annual Communication held in Toronto have been printed and distributed to all constituent lodges the same be now taken as read and confirmed.

PAST GRAND MASTERS

The Deputy Grand Master presented our Past Grand Masters who were present, namely: M.W. Bros. J. A. Irvine, J. N. Allan, B. B. Foster, W. K. Bailey, E. W. Nancekivell, R. E. Davies, N. R. Richards, H. O. Polk, R. E. Groshaw. Grand Honours were given.

ADDRESS OF WELCOME TO GRAND LODGE

The Address of Welcome was given by W. Bro. Harry Emann, Worshipful Master of Melita Lodge No. 605, and was responded to by M.W. Bro. A. Lou Copeland, Grand Master.

RULES OF ORDER

As the Grand Secretary read the Rules of Order as prescribed by the Constitution of Grand Lodge, it was moved by M.W. Bro. N. R. Richards, seconded by M.W. Bro. E. W. Nancekivell and resolved: That the Order of Business of this Annual Communication be changed at the discretion of the Grand Master.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the Grand Lodge
A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

In 1670 Baruch Spinoza the renowned Spanish philosopher, described teamwork as follows: "Man will find he can prepare with mutual aid far more easily what he needs, and avoid far more easily the perils which beset him on all sides, by united forces." IGNITING MASONIC PRIDE, the five-point programme, has come to full fruition during my second year of stewardship. It has been a great team effort with members of the Board of General Purposes and Committees contributing their time and their talent to attaining our ultimate objectives. It has been an exciting year for Freemasonry in our jurisdiction.

WELCOME

Welcome to our 132nd Annual Communication. I extend especially warm greetings to those distinguished guests from our sister jurisdictions in Canada, U.S.A., overseas, and our related Masonic bodies. Over the years you have been gracious hosts to me and my predecessors. It is now our happy privilege to reciprocate.

A special welcome to Toronto, the capital city of our majestic province, Ontario. With a pardonable sense of pride I refer to my home town as a great world city, with a population of three and a quarter million, drawn from all over the globe. During the last forty years it has become one of North America's most dynamic and cosmopolitan cities - truly a great and vibrant pluralistic mosaic.

NECROLOGY

Since our last Annual Communication a number of our brethren have passed to the Grand Lodge Above. Their names are recorded in the Report on Deceased Brethren. At this time, I wish to pay special tribute to two distinguished brethren we have lost.

GEORGE EDWARD TURNER

Masonry suffered a grievous loss in the passing of our M.W. Bro. George Edward Turner, on April 27. Bro. Turner graduated in medicine from McGill University and practiced in his native City of Windsor. He began his outstanding Masonic career in St. Andrew's Lodge No. 642; became Master in 1958 and District Deputy Grand Master of Windsor District the following year. He was a member of the Board of General Pur-

poses from 1961 to 1971. He was elected Deputy Grand Master in 1971 and installed as Grand Master in 1973; an office which he served with much devotion and great distinction.

Bro. Turner, 33° Scottish Rite Mason, was actively involved in other Masonic Bodies, including the York Rite, the Shrine and the Royal Order of Scotland.

M.W. Bro. George Turner had a depth of knowledge from which many, including myself, regularly drew solutions to our problems. He enriched Masonry and the lives of all who knew him. His presence touched so many of our lives. Bro. Turner's cheery countenance and friendly disposition will be sorely missed. He truly has left for us a legacy that personified, in every respect, a kindly and caring Mason.

DONALD METHUEN FLEMING

Last December 31st, we were saddened to learn of the death of R.W. Bro. Donald M. Fleming. It was my privilege to get to know Donald Fleming in the early 1950's when both our lodges met in the same Masonic hall on the same night.

Donald Fleming entered the University of Toronto at the age of 16. He later graduated from Osgoode Hall Law School, and earned his Bachelor of Laws from the University of Toronto. He entered politics in 1938 and became an Alderman in the City of Toronto. In 1945, he was elected a Member of the Federal Parliament for Toronto Eglinton, and held that seat for eighteen years. He served as Minister of Finance, Minister of Justice and Attorney General. His later business achievements included the position of Managing Director for the Bank of Nova Scotia in the Caribbean.

Bro. Fleming, 33° Scottish Rite Mason, served with equal distinction in that Order as well. He was also a member of the Royal Order of Scotland.

One of our Brother's great contributions was the publishing of "The First Twenty Years," a history of the Scottish Rite Charitable Foundation of Canada. The research that he devoted to the publication and the details included were characteristic of this great Mason's abilities and his dedication to our Fraternity.

His many contributions of time and talent made on behalf of our own Masonic Foundation of Ontario in its formative years must also be noted.

Indeed, his presence will be greatly missed.

DISTRICT DEPUTY GRAND MASTERS KEY ROLE IN PROGRAMMES

I have been fortunate in having 43 dedicated District Deputy Grand Masters working as a team to implement the Grand Master's five-point programme, **IGNITING MASONIC PRIDE - OUR CHALLENGE TODAY**. At the invitation of the Custodian of the Work, and with his support, I met with all the D.D.G.M.s at the regional briefing meetings conducted by M.W. Bro. N. R. Richards in August, 1986.

The D.D.G.M.s provided enthusiastic leadership to the lodges in their districts. They networked with the Worshipful Masters and Wardens in implementing the Grand Master's programmes.

The D.D.G.M.s participated in the first four points of the five-point programme by discussing the use of the pamphlets "What is Freemasonry?" and "Masonic Charity", "Lodge Team Management" and "the Mentors Programme". The first printing of 100,000 of "What is Freemasonry?" was completely exhausted during the early part of my second year. A second printing of 50,000 was completed and is being distributed on request. The Masonic Charity brochure has enabled mason and non-mason alike to appreciate the scope of our various philanthropies. Lodge Team Management has caught on somewhat slower than other programmes. Where it has taken hold it has bridged the gap between some of our older members and the younger lodge officers. The resulting team effort has melded wisdom and enthusiasm. By working together in harmony and understanding the lodge and its members have benefited.

The fifth point - "Leadership Enlightenment" - was divided into three categories: Financial Strategy, Communications, and Planning the Year. In line with the importance of these three subjects, we decided to take our five-point programme to the 43 districts. With the support of all the D.D.G.M.s, these ambitious **REGIONAL SEMINARS** were convened in nine locations to cover all of our 650 lodges. A hard working core of dedicated Masons completed these workshops over a four-week period, during October and November of 1986.

Wherever possible, I met with the D.D.G.M.s for an hour, prior to each seminar. Frank and candid discussions resulted, which were beneficial to the participants.

Another series of events in which the D.D.G.M.s were particularly effective concerned the various District Receptions held for the Grand Master. I requested, wherever possible, the following format: a luncheon

with a local service club, followed by a meeting with the Worshipful Masters and Wardens of the District. This latter meeting was essential in the explanation of our programmes and in obtaining the support of the lodge leadership during the initial period. A social hour preceding each reception allowed me to mingle with my brethren and meet on a one-to-one basis. A festive banquet followed when I addressed the gathering. I attempted to deliver an inspirational message based on success stories observed during my travels. Not only did the D.D.G.M.s make all this possible, they were the catalysts who provided the spark to "IGNITE MASONIC PRIDE".

HONOURS RECEIVED

Our Masonic Teachings teach us to cultivate harmony and practice charity. Many of our brethren have earned the respect and the esteem of their fellow man by the outstanding contributions they have made in various spheres of endeavour.

Congratulations to the following brethren:

R.W. Bro. C. E. Balfour Le Gresley, a member of University Lodge No. 496, on being elected to membership in the Masonic Brotherhood of the Blue Forget-Me-Not. This is in recognition of Bro. Le Gresley's work in arranging for the reprinting of the Papers of the Canadian Masonic Research Association.

R.W. Bro. George W. Kerr, a member of Ulster Lodge No. 537, on his retirement, being recognized for his thirty-six years of devoted service as an executive staff member in the Greater Toronto Region, Scouts Canada. In November, he will be presented with the prestigious Scout Silver Maple Leaf at an investiture ceremony in Ottawa by the Governor-General.

V.W. Bro. Leonard Potechin, a member of Builders Lodge No. 177, was honoured as "Citizen of the Year" by the B'nai B'rith for his 40 years of outstanding community service. This award was presented at a dinner in Ottawa, where over 650 attended on May 12 of this year.

Bro. Ian H. Frazer, Certified General Accountant, a member of Palestine Lodge No. 559, was honoured by Revenue Canada, Taxation, on the occasion of his retirement after 39 years, with a special award certificate presented by the Director of Taxation and a commendation from the Prime Minister.

ACKNOWLEDGEMENTS

In every organization there is a constant process of change in programmes and people. Our Board of General Purposes is no exception and I must report some of our members have chosen to retire after years of dedicated service. We are most grateful to each of these brethren for past contributions to our beloved fraternity and wish them well in the days ahead.

APPOINTMENTS AND RECOMMENDATIONS

On the occasion of our "International Masonic Day" last September, held in Toronto, W. Bro. D. H. Mumby headed an R.C.M.P. Degree Team sponsored by Dalhousie Lodge No. 52 of Ottawa 2 District. A stirring exemplification of the sublime degree of a Master Mason was enacted to a capacity gathering.

The degree team has been in operation for over 50 years, and have developed a reputation for excellence and precision, with which they perform the ritual. The members of the team give freely of their time and at their own expense. They perform an average of 12 to 15 times a year throughout Ontario and in the United States.

In order to recognize this outstanding contribution to both our Grand Lodge and to Freemasonry, I was pleased to appoint W. Bro. Mumby as a Grand Steward on this occasion. I request, from Grand Lodge, approval of this appointment and that V.W. Bro. Donald H. Mumby be given past rank.

PAST RANK

I recommend that past rank be granted to the following brethren who have served the office of Worshipful Master faithfully, but constitutionally do not qualify for rank as Past Master.

W. Bro. David A. Wright—Huron-Bruce Lodge No. 611
as of January, 1988

W. Bro. R. W. C. Lundy—East Gate Lodge No. 693
as of January 1988

and posthumously to

W. Bro. Roberts James Correy—Chaudiere Lodge No. 264
W. Bro. Elmer D. Macdonald—Naphtali Lodge No. 413

LODGE BUILDINGS DEDICATED

This year has been a busy one in dedicating Masonic buildings. In a space of eight days, three Lodge Rooms were dedicated by your Grand Master, in company with many members of Grand Lodge.

April 4, 1987—Masonic Building—St. John's Lodge No. 284, Brussels.

April 10, 1987—Masonic Building—Brockville.

April 11, 1987—Barrie Masonic Building—Barrie.

The fourth dedication was conducted by the Deputy Grand Master, R.W. Bro. W. R. Pellow for Moore Lodge No. 294 in Corunna on June 13, 1987.

At each dedication, where Entered Apprentice Masons were present, the Grand Master invited these newly initiated brethren to join him in the East. It was indeed a memorable experience for all who participated. Pride in our new Masonic homes creates a greater closeness for the lodge brethren whose efforts made these new lodge buildings possible.

SOD TURNING

A very very special event took place on Monday, June 22nd, that may well indicate a future trend. On this occasion we turned the sod to mark a new venture which will see the addition of an office tower to the existing York Masonic Temple in the Borough of East York. The Board of the York Masonic Temple and their President, Bro. R. M. Lunney, are to be congratulated for their vision in embarking on this ambitious project. It not only provides a turnabout in what has been a losing financial proposition, but assures a strong positive financial return in the years ahead.

The existing Masonic quarters are to be renovated to create a much better fraternal facility. Resident lodges and appendant bodies will be the beneficiaries. Attending with the Grand Master were M.W. Bros. W. K. Bailey and N. R. Richards. The short programme was carried out in the presence of approximately one hundred Masons. Our congratulations to R. W. Bro. T. John Arthur for skillfully arranging a multitude of detail and creating a real bonus day for Masonry.

SPECIAL INVESTITURE OF THE GRAND CHAPLAIN

Because of a prior commitment, our Grand Chaplain, W. Bro. Flowers could not be invested at our 131st Annual Communication last July. On the afternoon of August 13, 1986 in the North Bay Masonic Temple, Grand Lodge was opened in ample form by the Grand Master. In the presence of the Custodian of the Work, M.W. Bro. N. R. Richards and other Grand Lodge officers, the Grand Master proceeded to invest W. Bro. Flowers as Grand Chaplain. The Grand Master then proclaimed R.W. Bro. Robert T. Flowers legally and duly invested as Grand Chaplain. Grand Lodge was then closed in ample form.

NOTES OF INTEREST

Several of our senior brethren have reached important milestones in their Masonic lives and celebrated birthdays marking their longevity. In each case brought to my attention I was pleased to extend greetings and congratulations on behalf of Grand Lodge.

There are two international items of interest to all Masons in our jurisdiction.

You will be pleased to learn that in December 1986 at the Quarterly Communication of the United Grand Lodge of England, it was reported:

"The 1986 Methodist Conference adopted an amendment to the 1985 Report on Freemasonry, which makes it clear that the Report DOES NOT imply that membership of Freemasonry is incompatible with membership of the Methodist Church."

The other item is a breath of fresh air in our Masonic relationship with the Roman Catholic Church. It comes from the report made by the Grand Secretary of the Grand Lodge of Quebec at their Annual Communication last month:

"The continuing interface with Father Irénée Beaubien has reached the almost unbelievable situation where Father Beaubien represented the Grand Lodge of Quebec and the Archdiocese of Montreal at an international gathering of learned Masons and learned Clerics of the Church of Rome, held in Paris, France on May 25th and 26th, 1987."

RECOGNITION OF 100 YEARS OF ACTIVE SERVICE

Maxville Lodge No. 418, Maxville—as of May 28, 1987

Scott Lodge No. 421, Grand Valley—as of February 2, 1988

WILLIAM MERCER WILSON MEDAL

Congratulations to the honoured recipient of this prestigious award:

Bro. Jeremiah Cooper—Galt Lodge No. 257

It is with regret that I learned of the passing of: Bro. Clifford Naylor of Maple Leaf Lodge No. 103, St. Catharines on February 12, 1987, who was awarded the William Mercer Wilson Medal in 1967; Bro. John G. Gustafson of Chukuni Lodge No. 660, Red Lake, on April 11, 1987, who was awarded the William Mercer Wilson Medal in 1982; and Bro. Harry M. Cooper, a member of Palmer Lodge No. 372, Fort Erie, on August 4, 1986, who was awarded the William Mercer Wilson Medal in 1972.

APPOINTMENT OF GRAND REPRESENTATIVES

I was pleased to confirm the following brethren as our Grand Representatives near the Grand Lodges of:

Denmark—R.W. Bro. Jorgen Poulsen
Italy (Grand Orient)—Bro. Paolo Roberti
Maryland—Bro. John W. Fridinger
Montana—W. Bro. Martin A. Bates
Nova Scotia—V.W. Bro. John H. Butters
South Dakota—W. Bro. John W. Schwietert
Tasmania—V.W. Bro. John W. Wolfhagen

and was pleased to recommend to the Grand Masters of other Grand Lodges the appointments of the following Grand Representatives near our Grand Lodge:

R.W. Bro. F. J. Bruce—Idaho
V.W. Bro. J. T. Cassie—Minnesota
R.W. Bro. W. E. Elgie—Turkey
R.W. Bro. C. J. S. Nixon—Rhode Island
R.W. Bro. W. R. Pellow—Illinois

HUMAN RIGHTS AND LETTER OF WAIVER

In my address a year ago, I referred to a recommendation by the Board of General Purposes requesting that a certain letter be sent to all our Lodge Secretaries. Its contents referred to the requesting of permission from each prospective candidate to investigate his character and to obtain a release of claims from him. We recommended that the lodges use this document on an optional basis for a one-year period. We requested individual lodge input and comment by June 1, 1987 in order to finalize this form and its usage. I am pleased to report that we have not received any serious objections and that all comments received have been addressed. I, therefore, recommend that this form be now appended, by all lodges, to the petitioner's application form.

DISCIPLINE

On several occasions, this past year, I had to take disciplinary action when overzealous Masons chose to disregard long established principles and traditions. I trust similar breaches in Masonic conduct which disturb the peace and harmony of our beloved Craft will not recur in the future.

LODGE ENVELOPES

At our recent seminars it was suggested the current lodge envelopes be replaced with a larger No. 10 envelope. Those of us who receive hundreds of mailings each month observe that the No. 10 envelopes seem to arrive more quickly than the smaller ones. A second advantage is that it is easier to insert 8½ x 11 newsletters and other similar enclosures. When your current supply is depleted, consider switching to the larger business size envelopes.

MASONIC BUILDINGS

Several of our Masonic Building Corporations have experienced difficulty in setting out proper rental fee schedules sufficient to cover expenses. In some cases a lodge is charged a flat fee. A better method is to use a per capita system. In this manner a lodge remits its rent based on the number of members shown on their year-end report which is fair and equitable to all.

SPECIAL EVENTS

Last September, I attended the Grand Lodge of Scotland's 250th Anniversary in Edinburgh, where over 2,500 brethren attended. It was a delight to meet with some forty other Grand Masters and to be greeted warmly by the M.W. the Grand Master Mason, Bro. Marcus Humphrey of Dinnet. The main speaker at the rededication ceremony was H.R.H., the Duke of Kent, the M.W. Grand Master of the United Grand Lodge of England. It was truly a festive week that I shall never forget.

A week prior to the events in Scotland, I attended the Quarterly Communication of our Mother Grand Lodge, at the Freemasons' Hall, in London, England. The business meeting of the Board of General Purposes was chaired by the Pro Grand Master, Rt. Hon. Lord Cornwallis, and was completed with dispatch. A formal dinner followed, and I was then privileged to meet and enjoy Masonic fellowship with the members of the Board.

The International Masonic Day, held in Toronto on September 27, 1986, proved to be one of the outstanding social events of the year. It was headed by Chairman R.W. Bro. J. MacKenzie and Vice-Chairman R.W. Bro. George Kerr. M.W. Bro. Hilmer W. Neumann, the Grand Master of the Grand Lodge of Ohio, members of his Grand Lodge and their wives joined with members of our jurisdiction and their ladies, under the

sponsorship of Toronto 7 District for an outstanding "Hands-Across-the-Border" festive day of brotherhood and fellowship. In the morning, we were treated to the exemplification of an outstanding Master Mason Degree by an R.C.M.P. Degree Team. It was followed by a Dinner-Dance in the evening. The Canadian Room at the Royal York Hotel was filled to near capacity for both events.

The fifth Masonic Pilgrimage to the Holy Land took place last November, under the leadership of tour leader R.W. Bro. Roland de Corneille, P.G.C. As the Grand Representative of the Grand Lodge of Israel near our Grand Lodge, this trip had special significance for me. Bonds of friendships were recemented with Masons whom we had met on previous pilgrimages. A special lodge meeting, hosted by the Holy Land Lodge in Tel-Aviv for our group, confirmed the universality of our beloved fraternity.

Grateful appreciation is extended to the Most Excellent Grand First Principal of the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario for his gracious hospitality at their 129th Annual Grand Convocation, held in Peterborough on April 24th and 25th. I shall be eternally grateful to M. Ex. Comp. Mortlock for appointing me to the office of V. Ex. Comp. G. Sr. Sojourner, an honour which I treasure.

The VII Conference of English-speaking Supreme Councils met in Toronto, May 31 to June 3, 1987. Ill. Bro. Gordon L. Bennett, Sovereign Grand Commander of the Supreme Council 33° of the A. & A.S.R. of Freemasonry of Canada, extended a gracious invitation to your Grand Master and Mrs. Copeland to be their guests at this prestigious conference. I was privileged to welcome and address this select group of Scottish Rite luminaries and their wives at their dinner on Sunday, May 31, in Toronto. The following Tuesday, we again joined this distinguished group, as guests of the Moore Sovereign Consistory, in Hamilton, for dinner. This was followed by the presentation of a Vignette of the 27th Degree of the Scottish Rite. I am indebted to Ill. Bro. Gordon L. Bennett and his charming wife, Muriel, for their kindness and hospitality extended to your Grand Master and Mrs. Copeland.

CONFERENCES OF GRAND MASTERS OF MASONS AND GRAND SECRETARIES IN NORTH AMERICA

In February of this year, the Grand Master, the Grand Secretary, M.W. Bro. Howard O. Polk, M.W. Bro. R. E. Groshaw and the Deputy Grand Master attended this conference in Calgary, Alberta. An Episcopalian Minister and Professor of religious history, R.W. Bro.

Wayne B. Williamson, Past Grand Chaplain of the Grand Lodge of the State of California, delivered a scholarly paper headed "FREE MASONRY'S RELATIONSHIPS WITH DENOMINATIONS". A copy of this outstanding paper is available, on request, from the Grand Secretary's office. Networking of this type will enable you to more clearly understand this sensitive issue.

It is with an excusable sense of pride that I relate our own Grand Lodge's participation in the 1987 North American Conferences. Your Grand Master was privileged to act as chairman of this prestigious Annual Convocation, held in Canada for the first time. Your Grand Secretary was chairman of the Grand Secretaries' Banquet held at the Banff Springs Hotel and did a masterful job of introducing the guest speaker Ill. Bro. Gordon L. Bennett, the Sovereign Grand Commander of the A. & A.S.R. of Canada.

I am also pleased to report the election of our Deputy Grand Master, R.W. Bro. W. R. Pellow, as the new Canadian member of the "Commission for Recognition," a six-year term leading ultimately to the chairmanship of this committee in the final year.

These honours are the result of contributions made by our Past Grand Masters over the years, for they brought to their office a vision and a dream and made our Grand Lodge outstanding in every respect. We owe this distinguished group of Masonic leaders a debt of gratitude for contributing a portion of their lives and providing such outstanding leadership to our jurisdiction.

The success of this Conference was due in no small part to the enthusiastic administration provided by M.W. Bro. N. Oslund, Grand Master, R.W. Bro. Robert Juthner, Deputy Grand Master, R.W. Bro. David Bruce, the Conference Co-ordinator, and R.W. Bro. Allan Aylesworth, Grand Secretary, all of our sister jurisdiction, the Grand Lodge of Alberta.

ALL CANADA CONFERENCE

This two-day Conference, which is now held annually in Winnipeg, Manitoba, during the latter part of March, serves as an important retreat where Masonic leaders meet and present papers of common interest. This year your Grand Master, Grand Secretary and Deputy Grand Master participated. I am happy to report that our Deputy Grand Master presented a masterful paper - "Freemasonry and Youth" - which was well received. It sparked an interesting debate which ran its full course in the time allocated. This Conference must rate as one of our most productive.

BANFF CONFERENCE

In September of last year your Grand Master and Grand Secretary attended this Conference, which is hosted by the four western Canadian jurisdictions. This meeting provides a common ground for the participants to concentrate on specific Canadian challenges and opportunities.

As Grand Masters, our duty is to render the best possible leadership to our individual jurisdictions. To be effective and efficient you require all the information and ideas you can obtain. No jurisdiction is so small, no Grand Master is so inexperienced, that he can not contribute something to the pool of Masonic knowledge—this is the purpose of our attending these conferences—to exchange ideas, to broaden our vision and to explore methods which will be helpful to each other, in promoting the best interests of Freemasonry.

HONORARY MEMBERSHIP

During this past year many lodges have voiced their expression of good will for which I heartily reciprocate with my sincere thanks. I am grateful to those lodges who have conferred honorary membership in their respective lodges.

LIFE MEMBERSHIP

The following is from an ad hoc committee report prepared by V.W. Bro. S. H. Cohen concerning "FREE LIFE MEMBERSHIPS".

In our Report of the Advisory Committee on Lodge Finances published in 1983 we identified some of the problems resulting from granting FREE LIFE MEMBERSHIPS. Since that time we have had a further opportunity to analyze and review various life membership programmes and after careful consideration it is the recommendation of this committee that the practice of granting Free Life Memberships be discontinued and replaced by a programme providing for the purchase of Life Memberships by members.

To assist lodges in implementing the change from "FREE LIFE MEMBERSHIPS" to "COMMUTED LIFE MEMBERSHIPS" and to make the transition workable and equitable guidelines have been developed. These guidelines set out how to deal with this change during the transitional period of 3-5 years in order to ensure that members who would have received a Free Life Membership during the transitional period would not be penalized. The guidelines can be revised to meet the particular needs of any lodge and can be obtained by contacting the Grand Secretary's office.

MEMBERSHIP RETENTION

In my address last July, I recommended the formation in each Lodge of a Retention Committee to contact and visit the inactive brethren, in much the same way as a committee might look in on a sick brother. Contacting the inactive member conveys a compassion and concern for his well being. It forges a closer bond that forestalls any thought of withdrawal from the lodge, either by suspension N.P.D., or demit. Further, I offered to correspond directly with any member about to be suspended or requesting a demit — IF ASKED TO DO SO BY ANY LODGE. Lodge secretaries have made this request to your Grand Master and I have sent many letters. The response has been extremely gratifying. I wish I could share the heart-rending responses I have received. Many of these brethren have just been waiting for some act of compassion and understanding from their lodge. Others are in serious financial distress. I am pleased to advise that all these cases have been promptly addressed. This "membership retention" was successful and through your efforts the suspensions N.P.D. were noticeably reduced.

I urge the Masters and Secretaries to personally contact inactive members and particularly those who are in arrears. If personal contact is not possible, then a phone call should be made. I urge you to not delay for this is a Masonic duty and obligation.

The strengthening of our Masonic membership is imperative. We can no longer afford the luxury of losing brethren through default and abdication. It is quite obvious that the Chairman of the Lodge Benevolence Committee should firstly determine the financial status of every member who is in arrears, prior to ANY member being suspended.

I wish I could tell you that our negative membership trend has been reversed, but this is not the case. In 1986, we initiated almost two hundred less than the year before. This is one area where preparatory work today will pay big dividends in the future.

The C.O.M.E.L.Y. (Calling on Masons of Every Lodge Yearly) programme is gathering momentum and we are contacting those unaffiliated Masons who have relocated in our province from sister jurisdictions. We are making every effort, through our Grand Secretary's office, to have these Masons in our midst visit our lodges and ultimately affiliate with the lodge of their choice. We are indebted to the Grand Lodge of Manitoba, and particularly M.W. Bro. J. E. R. Bingeman, P.G.M., who designed and implemented the C.O.M.E.L.Y. programme, with the assistance of the All Canada Conference.

In Masonry we have a great product to market. It has often been said that strategic marketing makes selling superfluous. If we were communicating and marketing our great Masonic product properly, would we ever have to ask the question: "When was the last time someone asked you for an application form to join your lodge?"

In communicating with the public, I have attempted to tell the Masonic story to the news media on all my visits. At most of the District Receptions, I have been interviewed by members of the press, radio or T. V. My Brethren tell me that this has created favourable publicity in these areas. The Chairman of the Public Information and Communication Committee, V.W. Bro. Norman Buckingham has guided the various D.D.G.M.s in requesting the co-operation of the local news editor. This has resulted in much broader coverage in the past year. Our Masonic leaders could benefit greatly by properly utilizing the talents of V.W. Bro. Buckingham and his committee, in both lodge and district affairs. In order to be more communicative to worthy non-masons, we must open our Masonic doors. The seminar on "Opening Masonic Windows" will be held here, in the Canadian Room, this afternoon. It will provide great insight on ways to increase public awareness, and the understanding of Masonry within our own communities. This will be a combined effort by the Grand Lodge Committee on Public Information and Communication and by The Masonic Foundation of Ontario. This seminar deals with Grand Lodge's more open policy on public relations and with the fact there is no secret about Freemasonry's aims and objectives. We will also be dealing with the important activities of The Masonic Foundation which does such an outstanding job in carrying the banner of our Masonic charity to Mason and non-Mason alike. Our Masonic Foundation is one of the brightest jewels in the crown of our Masonic philanthropy.

COMPUTER

We are very close to computerizing our Grand Lodge Office procedures after a two-year period of consideration.

Early in 1986, your Grand Secretary inspected several Grand Lodge systems dealing primarily with the issues of compatibility and functionality of these information systems. After months of probing we were satisfied that one of our western Canadian Jurisdictions had developed an effective software system which was efficient and user friendly. It is compatible with various hardware, easily obtainable in Canada. In April I asked R.W. Bro. Colin MacKenzie and R.W. Bro. Kenneth Whiting, both highly qualified computer experts, to form a committee with our Grand Secretary, M.W. Bro. Robert E. Davies. The guidelines for the committee were to fully investigate all possible alternatives and report

back with a recommendation which would ultimately lead to the implementation of a computer system in the Grand Lodge Office. This system would not only fulfil our immediate needs, but prove adequate for the foreseeable future. It is expected this system will soon be in place.

THE COMMUNICATOR

Early in 1985 I initiated a quarterly Grand Lodge newsletter to be distributed to the 95 members of the Board of General Purposes. I recommend that this type of newsletter be continued. The communicator has kept the Board Members informed of current and upcoming plans and events. It has proved to be particularly valuable to the D.D.G.M.s and I have received some very favourable comments on this publication.

PUBLICITY

In the early part of this year certain anti-Masonic articles appeared. As a result it became necessary at that time to describe Freemasonry as practised in this jurisdiction. In view of statements that distorted or obscured the true objects of Freemasonry, I emphasized the fundamental principles of our time honoured Craft. I quoted verbatim from a description issued by the Mother Grand Lodge, the United Grand Lodge of England. It covered "What is Freemasonry?" and the essential qualifications of admission. It stated Freemasonry was not a religion nor a secret organization and that Freemasonry projects the great teachings of tolerance, respect and understanding for the opinion of others and the continuous striving to attain truth and high moral standards in our own lives.

GRAND MASTER'S BANQUET

This year our Brother, Colonel, the Honourable John R. Matheson will be our guest speaker. Brother Matheson is a member of True Briton's Lodge No. 14 in Perth, Ontario. His credentials are both awesome and intriguing — author, soldier, lawyer, parliamentarian, judge and holder of many awards and honours. Our brother is a distinguished Canadian who served with great distinction in W.W. II. We are indeed fortunate in having such an outstanding member of the Judiciary and brilliant member of our fraternity as our guest speaker.

APPRECIATION

An expression of thanks and appreciation, to these brethren who have contributed so much to whatever success we have enjoyed this year, is mandatory to complete this report.

To our genial and competent Grand Secretary, M.W. Bro. Robert E. Davies, my sincere gratitude for his ever ready assistance. I never took

him lightly. He's an individual for whom I have the utmost respect, not only for his intellectual prowess, which is considerable, but for his strength of character. From his vast experience and intimate knowledge of our Masonic Constitution and procedures he suggests various alternatives. This allows the Grand Master to play his executive role in the final decision making process. I am most deeply grateful. To his staff, for their friendly and pleasant help, I say Thank You. To M.W. Bro. James N. Allan, our Grand Treasurer, who serves with such great distinction, our deep appreciation. To M.W. Bro. N. R. Richards, who does such an outstanding job in his capacity as Custodian of the Work, I say Thank You. To the Past Grand Masters, who have been available at all times to assist me and give that wise counsel, which only experience and maturity possess, my sincere gratitude.

To the Grand Director of Ceremonies, V.W. Bro. James T. Cassie and to R.W. Bro. George Kerr, P.G.S.W., my loyal and unfailing traveling companions, the Committee Chairmen and to R.W. Bro. William R. Pellow, for being a great Deputy Grand Master, my deep thanks. To V.W. Bro. Norman Buckingham and R. W. Bro. Wayne Elgie for their dedicated service on the Grand Master's Ad Hoc Management Committee, my equally sincere appreciation.

There is one very special acknowledgement to be noted and that is to my wife Margaret. Being the daughter of a Mason, she has supported and encouraged me in all my Masonic endeavours since I was initiated thirty-seven years ago. For the past two years she has accompanied me on most of my out-of-Province travels, never complaining about the vigorous demands on her time. Truly a woman of valour, more precious than any jewel.

It is with grateful heart that Margaret and I acknowledge the many personal donations by individuals, lodges, districts and other groups to the E. Vernon Copeland Bursary Fund of the Masonic Foundation of Ontario over the past two years. The revenues thereof will be directed for a period of ten years to a cause dear to our hearts in memory of our late son, E. Vernon Copeland.

SUMMATION

When I was elected Grand Master, I presented the bare framework of the aims and objectives of our five-point programme. I reminded you, my brethren, that these two years were only the beginning of a three-to-five-year programme. These aims and objectives were multifaceted in nature; to be less secretive, by fulfilling a growing need and tendency to have the public learn more about the order; to encourage our members to discuss

Masonry more openly with their families and their friends, and to do so with pride; to alert our members that Masonry is not secret other than our traditional modes of recognition; to tell the world at large that we are not a religious organization and that Masonry complements and reinforces our own lifestyle and religious beliefs; to make it known that our Masonic philosophy is learning how to be a friend to our fellow man, and that we are a universal brotherhood of all mankind under the loving care of G-d the Father and sustainer of all; and to establish a better understanding and a higher profile in our communities.

My personal goals were to meet informally with as many as possible of the three senior officers in each of our 650 lodges. In these discussions I attempted to "light the spark" and to motivate these Craft leaders to greater achievements.

This year, at Grand Lodge, we are further reaffirming our commitment to our Craft Lodges and our membership by reporting back the findings of a survey taken from the D.D.G.M.s following the seminars last fall. This survey was taken to measure the interest in having district seminars and their format for the future. The results were discussed at the workshops yesterday.

R.W. Bro. Wayne Elgie supervised the questionnaire and reviewed the replies. The survey concluded that the nine regional seminars did serve as a launch pad for the five -point programme. It confirmed that the overwhelming majority of D.D.G.M.s were in solid agreement on the need for future seminar workshops of this type in their respective districts. The D.D.G.M.s suggest that during the first year a Grand Lodge workshop be held in each district with the D.D.G.M.s assuming an active administrative role. The following year the workshop should be planned and carried out by the district itself. No doubt some of the subject matter of the Grand Lodge workshop of the prior year could be included.

The survey indicated that the MENTORS PROGRAMME has emerged singularly as the top rated, most exciting activity of the five-point plan and has caught the imagination of many Masons in our jurisdiction. Our Mentors Programme is a personal programme to indoctrinate new members by word of mouth. Participating lodges cannot help but create much more knowledgeable Masons from among their new initiates. The full participation of all our lodges in the exciting Mentors Programme is not only heartily endorsed and recommended by your Grand Master but should be considered mandatory. It is vital and necessary for our very survival.

Some of you have asked me recently what the most outstanding event has been during my term as your Grand Master. Well, there have been many great moments and events, but one that will stay with me forever took place last month.

While visiting what is likely an average lodge in an average town in Ontario, the Master told, with great enthusiasm, how much "Igniting Masonic Pride" had meant to him, to his officers and to his brethren. By using the five-point programme their lodge spirit has been revitalized, a renaissance has taken place. They have moved from no candidates last year to seven this year and they are refurbishing their hall, including compliance measures for fire regulations. This and other similar experiences, have provided my greatest gratification.

I believe in people and I especially believe in Masons. I have found in Freemasonry a cause to be championed / a life to be lived / a truth to be shared / and a future bright with promise. I believe in Masonry because I believe in its influence for good / and to that influence I would give myself / and challenge each of you to join with me in making our Freemasonry come alive during our allotted time! The future is in our hands - yours and mine.

LET US BE SURE THAT THOSE WHO FOLLOW US TOMORROW CAN BE FOREVER PROUD OF OUR ACHIEVEMENTS IN FREEMASONRY TODAY.

Sincerely and fraternally.

A. LOU COPELAND,
Grand Master.

APPOINTMENT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. W. K. Bailey, seconded by M.W. Bro. J. A. Irvine, and carried: That a committee composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. W. C. Frank, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Frank, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again, on behalf of the Committee on Deceased Brethren, may I ask your indulgence for a few short moments, in remembrance of those brethren who have passed away to their eternal rest since our last Grand Lodge Communication.

Philosophers have told us that death is by no means to be regarded as a calamity; that it is "the Liberator of him whom freedom cannot release; the Physician of him whom medicine cannot cure; and the Comforter of him whom time cannot console."

It is a distinct privilege to present the records of such distinguished brethren as those whose names are appended in the following Memorial Tablet Pages. The committee also acknowledges with grateful thanks the assistance of the Grand Secretary and his staff for compiling and preparing these records for publication. Special thanks to all the District Deputy Grand Masters and the Lodge Secretaries for fulfilling their obligation in this regard.

Of the many who have passed "To the Beyond," one kind face will be greatly missed at this Communication: one honest, God-fearing man will no more join in our deliberations. He was loved by all who knew him. No worthy distressed person ever called on him and came away empty handed. We refer, of course, to M.W. Bro. George E. Turner, whose death is not only a loss to Grand Lodge but to the community in which he was a shining leader. Farewell, Brother! May you enjoy in the Grand Lodge Above the rewards which your good works entitle you to. We will emulate your noble qualities and keep your memory fresh and green in our hearts.

We are thankful for the privilege of having shared in the lives of all our deceased brethren. Brethren that perhaps only each one of us as individuals have been able to appreciate their true Masonic sincerity, and thankful too that God has given us the special gift of allowing their lives to touch ours.

"This day which thou fearest as thy last,
is but the birthday of eternity."

If our departed brethren have dedicated and devoted their lives to His service, from whom all come, if they have squared them by the principles of truth and justice, if their facilities have been cultivated to the glory of God and the good of mankind, death will have been to them the end of all afflictions and the entrance

to a better life. They will have been passed safely under the protection of the Most High through the valley of the shadow of death and they will have risen purified from the tomb of transgression to shine as the stars for ever and ever.

To every man whose mind is well constituted, there comes at last the day when the only genuine, unmixed and lasting pleasure is the sense of duty well done, of sorrow lessened, of help given, the remembrance of someone whom we have made the happier.

We'll not forget thee, we who stay
To work a little longer here;
Thy name, thy faith, thy love shall lie
On memory's tablet, bright and clear;
And when o'erwearied by the toil
Of life, our heavy limbs shall be,
We'll come, and one by one lie down
Upon dear mother-earth with thee.

On behalf of every Mason in this great jurisdiction special thanks are due to this year's Grand Chaplain, R.W. Bro. Robert T. Flowers. His display of dedication to his responsibilities has taken him to every corner of Ontario as a sincere ambassador of not only Masonry but the Great Architect of the Universe, his eternal Master.

The committee sincerely acknowledges the lodges that conduct Memorial Services both at funeral homes and annually in tribute to their deceased, and encourage others to follow their example, making full use of the Grand Lodge Ritual intended for that purpose.

We are reminded that the tributes we pay to the dead today are useful only as lessons to the living, and it is our responsibility—each and every one of us as Masons—to pick up the challenge our present Grand Master has repeatedly voiced throughout his very ambitious tenure in office, and I quote: “My beloved brethren, it is time to face facts for we, you and I, have promises to keep and miles to go before we sleep.”

In memory and affection of our departed Brethren, we now list those who served as Grand Lodge Officers:

These Tablet Pages

Are inscribed and fraternally dedicated

in memory of

Our Departed Brethren

AUDITORS' REPORT

To the Most Worshipful the Grand Master,
Officers and Members of Grand Lodge A.F. & A.M.
of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We have examined the summary of resources arising from cash transactions of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1987 and the related statements of receipts and disbursements for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion the financial statements present fairly the summary of resources arising from cash transactions of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1987 and its receipts and disbursements for the year then ended in accordance with the accounting principles stated in note 1, applied on a basis consistent with that of the preceding year.

Hamilton, Ontario,

May 11, 1987.

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Auditor's Report was adopted.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am happy and proud to present the financial report covering the operation of our Grand Lodge affairs for the fiscal year 1986-87, which is entirely void of red ink.

I can, again, report that prudent administrative practices in the management of the finances of Grand Lodge has enabled me to inform you that the three main financial sections of Grand Lodge - namely the General Fund, the Commutation Fund and the Memorial Fund, have met their obligations and, as well, each has improved its financial situation.

Cash and investments held in the General Fund amount to \$1,488,386, an increase for the year of \$55,721. The assets of the Commutation Fund now amount to \$297,938, an increase of \$18,265. The cash and investments in the Memorial Fund total \$840,008, an increase over 1985-86 of \$11,267. These funds, with the addition of some small fund balances, represent the value of cash and investments of Grand Lodge and now amount to \$2,709,325, an increase of \$99,444 over last year.

Masonic Holdings has resumed the redemption of its bonds held by Grand Lodge. It is expected their earnings will enable them to continue redemptions on a regular basis. The outstanding bonds were reduced from \$160,000 to \$140,000.

I am grateful to the Grand Master and to the Chairmen of the various Committees for keeping their expenditures within budget. This co-operation resulted in an extremely satisfactory bottom line.

I wish to, again, commend the Grand Secretary for his efficient management of Grand Lodge operations, making possible the healthy condition of Grand Lodge finances. I wish, also, to express my thanks to the Grand Secretary and his staff for their co-operation and assistance in facilitating the work of the Grand Treasurer, and, as well, to the Chairman of the Committee on Audit and Finance, for his co-operation and advice on financial matters.

I wish, also, to record my appreciation of the services rendered by our Auditors, Doane Raymond, in the preparation of the annual Financial Statement for presentation to Grand Lodge. The statement sets out

our financial operations during the fiscal year 1986-87 and the state of our finances at year end. I strongly recommend careful perusal of this information by the brethren.

Respectfully and fraternally submitted.

JAMES N. ALLAN,
Grand Treasurer

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

GRAND LODGE A.F. & A.M. OF CANADA IN THE PROVINCE OF ONTARIONOTES TO FINANCIAL STATEMENTSAPRIL 30, 1987

1. Accounting policies

(a) Basis of accounting

The Grand Lodge's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

(b) Investments

Investments in bonds are recorded at cost and generally are held to maturity. Discounts and premiums on acquisition are not amortized, but are maintained in cost with final gain or loss recorded on disposition.

2. Discount and premiums on investments

Discounts and premiums are summarized by maturity dates as they segregate into future April 30 fiscal year ends as follows:

<u>April 30</u>	<u>General Fund</u>		<u>Commutation Fund</u>		<u>Memorial Fund</u>

3. Special Retirement Fund

The Special Retirement Fund has been established (as budgeted) to set aside \$25,000 capital and accumulate income thereon in order to provide funds to be invested at future retirement dates with the income then earned to augment retirement pensions for three long time employees. Capital and accumulated income so invested will revert to the General Fund when each particular pension terminates.

SEMIANNUAL RETURNS

Semiannual returns have been received from 650 constituent lodges and the information contained therein has been entered in the books of Grand Lodge. Statistical information may be found in the audited statement presented by the Grand Treasurer and in other tables printed in the annual Proceedings of Grand Lodge.

C.O.M.E.L.Y.

The co-operation of the District Deputy Grand Masters in the distribution and collection of the C.O.M.E.L.Y. forms has materially assisted in the ultimate success of the programme. Reports of enjoyable visitations by our members with brethren of other jurisdictions now resident in our Province indicated that the benefits to be accrued are multifaceted. C.O.M.E.L.Y. is indeed Masonry in action and every lodge is urged to participate to the fullest.

SECRETARIES' ASSOCIATIONS

Longevity in office for a lodge secretary no longer seems to be the norm, and as demands upon one's time grow many lodges are finding it increasingly difficult to entice qualified brethren to serve the office of secretary.

It has been suggested by the Advisory Committee of Grand Lodge that the formation of a loosely knit Secretaries' Association in the district could be most beneficial, especially to the younger secretary, as helpful ideas and information would be readily available from their peers.

To this end, your Grand Secretary stands willing, if time and circumstances permit, and upon receipt of a proper invitation, to travel to the district and participate in an Instructional Meeting for Secretaries.

ASSISTANT TO THE GRAND SECRETARY

It is with a deep sense of regret that the impending retirement of R.W. Bro. James C. Guy, Assistant to the Grand Secretary, is noted. Bro. Guy has served your Grand Lodge Office with great dedication since 1963, when he assumed the duties of Chief Clerk. Through the years, the added responsibilities of Office Manager, Building Superintendent, Supervisor of Benevolence and Assistant to the Grand Secretary, have been delegated. This genial servant of the Craft has faithfully discharged these duties with distinction and decorum. Indeed, we wish for our beloved Brother all that is good in his retirement years.

CONCLUSION

In concluding this report, I must proffer a 'thank you' to all with whom it has been a pleasure to work. A special 'thank you' must be given to our retiring Grand Master, who has given so freely of his time and talents during the past two years; to the Past Grand Masters for their continuing interest and guidance; to the President and Members of the Board of General Purposes for their efforts; and especially to the Lodge Secretaries for their co-operation and unselfish devotion to our Craft; and to the entire membership whom we are privileged to serve.

Respectfully and fraternally submitted.

Grand Secretary.

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was received and adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 43 District Deputy Grand Masters were presented by the Grand Secretary and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were referred to the Board of General Purposes.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed R.W. Bro. J. I. Carrick Chairman of the Committee of Scrutineers, to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

SPECIAL PRESENTATION

M.W. Bro. A. Lou Copeland summoned Bro. Basil Liaskis to the East and presented him with a special citation, commemorating the many great contributions he has made for the betterment of mankind.

REPORT OF THE ADVISORY COMMITTEE

This Report was presented by R.W. Bro. D. C. Bradley, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bradley, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee has not been in existence long. Its terms of reference may prove of interest and provide an understanding of its role as a Special Committee of Grand Lodge.

1. To aid, assist and advise the President of the Board of General Purposes;
2. To attend to such matters as may be referred to it from time to time by the Grand Master, the President of the Board of General Purposes and the Board of General Purposes;
3. To assist and advise the President of the Board of General Purposes in the preparation of the agenda for all meetings of the Board of General Purposes;

4. To report on any recommendations of standing, special and ad hoc committees which have been referred to it by the Board of General Purposes and to make recommendations to Committees of the Board.

Meetings were held on October 14, 1986 and on May 21, 1987, and the subjects of discussion were: Expenses of District Deputy Grand Masters; Masonry on the Campus; Masonic Diaries; Secretaries' Manual; Uncohesive Districts and Rural lodges. The first meeting dealt with these topics at length, but in general terms and in order to obtain some analysis in depth, one subcommittee was formed and individual reports requested from certain members. The reports were received in detail at the second meeting.

Expenses of District Deputy Grand Masters

A very detailed report was prepared by the subcommittee chaired by R.W. Bro. F. J. Bruce. The results of a questionnaire and personal contact with P.D.D.G.M.s indicated that many other matters which had a bearing upon District finances were involved. The subcommittee recommended that an ad hoc committee of Grand Lodge be set up to examine the report, to suggest guidelines for D.D.G.M. expenses and District finances, and to address the additional queries that arose in the course of the review.

Masonry on the Campus

R.W. Bro. R. A. Barnett presented a report on the work done in the London area. He felt that a campus population of at least 25,000 could not be ignored and the successful patterns already established in Guelph seemed to be the best route to follow. The success of the traditional College Night held in Waverley Lodge was mentioned and the advisability of social nights on campus, inclusion of the ladies in some events and the establishment of square and compass clubs were discussed.

It was recommended that progress reports from the Guelph and London brethren be submitted on a continuous basis and that every encouragement be given to other lodges and communities to develop programmes of support for Masons on the Campus. The Advisory Committee expresses its appreciation to R.W. Bro. R. A. Barnett for the preparation of a fine report and for the time and effort that he has put into this project.

Masonic Diaries

A lengthy discussion followed a detailed and comprehensive report made by M.W. Bro. N. R. Richards. It was recommended that this matter be placed on the agenda of the Committee on Condition of Masonry for further study and their findings reported to the Grand Master prior to November 21, 1987.

Secretaries' Manual

The Grand Secretary provided comments on this matter. As a result, the Committee felt that encouragement should be given to the formation of District Secretaries' Associations and that the Grand Secretary should visit Districts to aid in the formation of such associations.

Uncohesive Districts

This topic was deferred until the report of the Long Range Planning Committee on the restructuring of Districts was available for study.

Rural Lodges and Lodges in Difficulty

It was suggested that this matter be a subject of discussion for the Long Range Planning Committee. Their study should bear in mind the emerging ethnic populations and consider ways and means for their possible integration into the Craft.

The Chairman expresses his thanks to the members of the Committee: M.W. Bros. A. L. Copeland, J. N. Allan, R. E. Davies, N. R. Richards, R. E. Groshaw; R.W. Bros. W. R. Pellow, F. J. Bruce, N. E. Byrne and E. C. Steen for their participation and help. Their consideration made it a pleasure to act as Chairman for this year.

Respectfully and fraternally submitted on behalf of the Committee.

DAVID C. BRADLEY,
Chairman.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. N. E. Byrne, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Byrne, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to report on those activities in our Grand Lodge that came under the jurisdiction of your Grand Lodge Committee on Masonic Education.

The members of the Committee are — R.W. Bros. David C. Bradley, Frank J. Bruce, R. Carl Casselman, Wayne E. Elgie, Fred J. Satterley and Edsel C. Steen.

The major task of the Committee this year was to organize and administer the nine Regional Workshops directed by our Grand Master, M.W. Bro. A. Lou Copeland, to be completed in the early part of this last Masonic year.

I am pleased to report that the Grand Master's Regional Workshops were a great success and were well accepted and received by the Master, Senior and Junior Warden and Secretary of each constituent lodge in our Grand Jurisdiction.

They took place in selected locations, all over Ontario, from Winchester in the east to London in the west, to Hamilton in the south and Dryden in the north. They were located to coincide with the Regions of the Province of Ontario which had been divided to implement the Mentors Programme. They occurred over a one-month period of time and brought an identical series of presentations to over 1,800 senior leaders of our Craft, in every part of the Province.

Your Committee sincerely thanks the great energy and untiring efforts put forth by the following brethren, who responded to the challenge offered by our Grand Master to educate, motivate, enlighten, enthuse and encourage the leaders of Freemasonry in each of our constituent lodges.

The Regional Workshops were chaired by these brethren at these nine locations:

1. Port Hope—R.W. Bro. Reginald Jewell
2. Thunder Bay—R.W. Bro. Archibald Angus
3. Dryden—R.W. Bro. James Jackson
4. Winchester (Ottawa area)—R.W. Bro. Lyle Byers
5. Mount Forest—R.W. Bro. Richard Lemaich
6. North Bay—R.W. Bro. Les Tate
7. London—R.W. Bro. Robert Barnett
8. Toronto—R.W. Bro. John A. Box
assisted by R.W. Bro. James Sim
9. Hamilton—R.W. Bro. Robert G. Wands

Congratulations and many thanks for a task well done!

Attendance was directed to the Worshipful Master, Senior and Junior Warden and Secretary of every lodge in every District, making up the Regional meetings. The actual attendance, when compared to the potential members, exceeded 70%—a fine effort indeed.

Some Workshops occurred in the evening hours and, of necessity, were presented in a somewhat slightly condensed form. Others were presented during a Saturday and allowed the first part of the Seminar to be interrupted by a light lunch before completing the balance of the work in the early afternoon.

Some brethren, particularly in the far north, and in the eastern part of Ontario, travelled a fair distance to attend and your Committee, recognizing that in its first effort some inconveniences would occur, sincerely thanks those who made a special effort to attend. It is our fervent wish that the effort put forth was in some manner proportional to the experience and information gained.

The Workshops presented five particular programmes which, it was felt, would be of special and timely importance to those who had assumed leadership in our lodges.

The Mentors Programme, as conceived by our Grand Master, M.W. Bro. A. Lou Copeland, and presented and organized by our Deputy Grand Master, R.W.

Bro. William R. Pellow, was the first item put forward. It showed how this programme was designed to carry the new candidate through his initial days of interest, through three degrees and then for a period of one year thereafter. The programme will produce a lasting excitement in the Craft and develop an active, enlightened and participating brother.

Team Management was the next subject presented and this concept and the various methods of implementing it would show how a successful combining of all the talent available in each individual lodge, within our membership, could lead to a strong arm of support for the Worshipful Master. Its main purpose is to complement, augment, assist and broaden the Worshipful Master's knowledge and constitutes a base for programme planning, thereby enhancing the role of the Master and his image as a ruler of the Craft. This programme endeavoured to show that the Team Management concept communicates to the brethren that the lodge is alive and well and is concerned with the well being of the lodge members and their individual interests and is trying to do something to make lodge meetings more meaningful, informative and educational and to maintain fellowship in a closeness of contact that masonry should exemplify.

Planning the Year had to do with ruling and governing the lodge, or managing the enterprise. It was urged on the brethren attending the advisability of starting meetings on time, of sharing the year's plan with the junior line officers, to commit such a plan to writing, so each meeting could cover all planned items and still finish in a timely fashion.

The Worshipful Master and senior leaders of the lodge were urged to learn to motivate others, to bring out the best in people, to get things done and to develop a real sense of cooperation. It was suggested that the Worshipful Master should not plan too much, but should proceed with a workable plan. It pointed out the advantage to all of keeping on top of the lodge programme each evening, with a planned agenda. The leaders were urged to "plan their work and work their plan."

The deep concern that most of us have with monetary problems was addressed in "Financial Strategy." It highlighted that lack of sound financial planning, which overlooked problems, created by skyrocketing inflation and high interest rates, could easily result in increased expenses and decreased income. An annual budget of income against expenditure, which was closely monitored to actual results, as reflected in an annual statement, could, in most instances, save needless worry and concern to all the lodge members in these days of fluctuating monetary values.

The absolute necessity of properly funding life membership programmes with separate trust funds, not intermingled with general lodge funds, was stressed and explained. The advisability of an invoice system for the collection of dues was presented as a more modern, up-to-date, businesslike answer to an age old problem.

The final chapter of these Regional Workshops related an innovative programme for reconsideration of lodge summonses and bulletins. The programme

suggested, but after due research, to determine what kind of a message would most likely attract attention, arouse interest and provide motivation, that each lodge should realize that our monthly communication to each member should definitely be as good or better than our competitors. It compared the special needs for the younger members, the man with a growing family, a demanding job and heavy family responsibilities and those of the mature member. It pointed out that each class of member has different needs and the lodge, in communicating with each, should at all times keep this diversity of demands front and centre, to enable it, in its only monthly communication, to address the requirements of all the members. It gave practical ideas and demonstrations on size, format, colour, type of print and contents. The presentation put together by a professional communicator received wide acclaim from all.

The Committee is deeply indebted to those who prepared the material and also those who presented it in the persons of W. Bros. Norman McCarthy and Lloyd Bittle and V.W. Bro. Samuel Cohen, R.W. Bros. Ed Drew, George Kerr, Bob Barnett, James Jackson, Wayne Elgie, Norman Byrne, Norman Buckingham, Roger Parliament and Earl Jones. In all, after reviewing the questionnaires presented to those who participated, it is only fair to say that the interest and enthusiasm, obviously generated by all the brethren who took part in the Workshops, should lead to a repetition of this type of programme in the near future. The results of the questionnaire, which requested comments on topics for future Workshops and their format, have been tabulated and will be preserved for the guidance of those who, in the future, will consider the advisability of repeating this most worthwhile endeavour.

The Newsletter, which is published by your Masonic Education Committee, continues to be published on a regular basis during the year. The Committee is indeed indebted to R.W. Bro. David Bradley, its Editor-in-Chief, and to the Editorial Committee for a task well done. This booklet, which the Committee urges all who do not receive it on a regular basis, to subscribe to, for a nominal sum, contains many items of general Masonic interest. It is a valuable tool for short Masonic Education topics in the lodge during brief periods between degrees and whenever a "fill in" is required.

The Correspondence Course has completed another successful year and many proud Masons are now in receipt of Certificates of Achievement in the various components of the course and many dedicated brethren can now boast of their successful completion of all four parts of the course and their inclusion among those who have graduated with flying colours from the "College of Freemasonry" and have certificates to prove it. Congratulations to all!

To those who have not finished their assignment, press on—the work may, at times, seem a trying challenge but the sweet taste of success and completion of the whole course is well worth the effort put forth. Your Committee is indebted to R.W. Bros. Frank Bruce, Edsel Steen and David Bradley and the hard working Mentors who have administered the course and marked the assignments—indeed a labour of love—congratulations!

There have been many Workshops conducted throughout Ontario by individual Districts, or joined Districts, during the year. Each has made a real contribution to "Masonic Enlightenment" and all those involved deserve a hearty vote of thanks. While we hesitate to single out a few, the following are only some of the very successful Workshops and Seminars conducted since our last report.

The brethren in North and South Huron Districts conducted a Workshop in Seaforth in March of this year entitled "Masons in Motion" under the leadership of R.W. Bro. Dennis Langridge.

Toronto 5 had a Masonic Education Night in May, when the brethren examined in detail the meaning and philosophy attributable to the Third Degree under the direction of W. Bro. Syd Wood, Masonic Education Chairman of the District.

Toronto 6, which has an enviable reputation for excellent Masonic Education programmes, under the capable leadership of V.W. Bro. Roy Stephenson and W. Bro. Jack Robinson, looked into the business portion of a lodge meeting as one of its subjects.

Toronto 7 had an "Education Day" with W. Bro. Stephen Maizels at the helm. A worthwhile endeavour.

Waterloo District presented several timely and interesting subjects in its April Workshop and had a panel which fielded questions from the brethren, with W. Bro. Jack Hudson as Chairman and Moderator.

The two Niagara Districts, A and B, banded together to pave the way for incoming Worshipful Masters and to direct and enlighten them and supporting brethren as to the duties and responsibilities of the Worshipful Master's Chair. R.W. Bro. Robin Smallbone presided at this well-attended Seminar.

R.W. Bro. Arnold Rundle, assisted by District Chairmen and Grand Lodge officers, presented a Workshop in May in the Windsor District, which was well attended and in which the Masonic Mentorship and Blood Donors programmes were reviewed, together with several other topics. Our Deputy Grand Master, R.W. Bro. W. R. Pellow, was a highlight speaker at this Workshop.

Our Grand Master, in his programme of "Igniting Masonic Pride," has fired up the excitement and enthusiasm of all Ontario Masons. His conception of Regional Workshops was a first for this Grand Jurisdiction. It brought Grand Lodge out into every part of Ontario and endeavoured to evince to every Mason, particularly the Masters, Wardens and Lodge Secretaries, that Grand Lodge is directly interested and deeply concerned for the responsibilities of leadership in each lodge. It has, in the Committee's opinion, given us all a great feeling of renewal and the Regional Workshops, which replaced the usual fall meeting of the Board of General Purposes have presented practical and meaningful programmes for those who have assumed leadership of our constituent lodges. These are the brethren who will shape the course of Freemasonry in Ontario in the coming

year. Their dedication, enthusiasm and untiring efforts deserve the best from us all, as Freemasonry approaches the 21st Century.

The great body of men from every part of this great Province who made a real effort to attend one of the Workshops held in their Region will, we feel, be the better enabled to discharge the duties of their respective offices with honour and reputation and impart to the brethren under their charge, guidance and direction so that our beloved Craft may go into the future guided and aided on the one hand by the traditions and landmarks which have withstood the test of time, but directed and assisted on the other hand by new and modern ideas, improvements and conceptions, acceptable to our younger brethren, who will carry our noble Craft into the 21st Century as a viable, dynamic force for good, founded on sound moral principles and directed to the service and convenience of all mankind.

All of which is respectfully submitted.

NORMAN E. BYRNE,
Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. R. S. Throop, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Throop, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my pleasant task as Chairman and on behalf of the Committee on the Condition of Masonry to once again submit its report to Grand Lodge.

This Committee is charged with the responsibility of assessing the condition of Masonry in the jurisdiction. It is impossible to make a concise statement that adequately reflects the state of health of the Fraternity across the broad geographical area encompassed by this jurisdiction. While it would not be prudent to take a completely Pollyannish attitude towards the state of the Order, it nevertheless behooves us to have a very positive outlook for the future.

The reports of the District Deputy Grand Masters, all of which we have read with interest, while reporting some difficulties, frustrations, and disappointments, indicate in general a satisfaction and restrained optimism for the future of the Order. The members of your Committee, in their travels about the Province, witnessed a sense of determination to overcome the problems besetting the Craft and an awakening pride in its future.

This Committee desires to pay tribute to the outstanding manner in which our Grand Master, M.W. Bro. A. Lou Copeland, has discharged the duties of his office. His untiring efforts and his unfailing courtesy have enabled him to fulfil the obligations of his office to the entire satisfaction of the brethren. He has indeed revitalized our Order with his Five-Point Programme to "Ignite Masonic Pride." He has laid a foundation such that those who will follow would do well to build on. He came into office with our blessing and he leaves it with our thanks for a task well done.

The annual reports of the District Deputy Grand Masters are an essential communication link in this Grand Lodge. We convey the thanks of this Committee, and indeed of Grand Lodge, to them for the excellent manner in which their reports were prepared and the wealth of information that they contain.

Your Committee has been approached from time to time by some of these brethren for assistance in the preparation of their annual report. We have, therefore, developed for your consideration a standard format. It is hoped that it will be of assistance to the District Deputies in the preparation of their reports. It should enable them to provide more conveniently and more fully the relevant data on the constituent lodges and the affairs of the district. It will also afford a better opportunity for comparative analysis.

To Grand Lodge, and the Committee on the Condition of Masonry in particular, it is hoped that it will be a means by which they can assess the effectiveness of various programmes and to react to the needs of the Districts. It should also supply feedback that will provide benefit to the Craft in general. It is not intended to encroach in any way on the autonomy of the individual District but is a suggested guideline to follow, and should provide continuity in reporting across the jurisdiction.

We are delighted that R.W. Bro. Harold Stanley was able to join our Committee and wish to express our appreciation for his valuable assistance.

Your Committee requests approval of Grand Lodge to implement this proposal.

Our Grand Chaplain, R.W. Bro. the Rev. Robert T. Flowers has carried out his duties with great skill and quiet charm. Whenever he was called upon to participate in our ceremonies, whether it was a Divine Service or Lodge Dedication, his presence added much to the dignity of the occasion. His messages were always inspirational.

We would like to express, on behalf of Grand Lodge, our gratitude to the various District Officers—those men who give so generously of their time and talents. Without their contribution to Masonry in their respective Districts little would be accomplished.

In dealing with the state of Masonry one must pay tribute to the various District organizations such as the Past Masters', Masters', and Wardens' Association. Their efforts for the advancement of the Craft cannot be praised too highly.

Your Committee is pleased to acknowledge the dedicated work of the various Grand Lodge Committees. They all have a great beneficial effect on the Craft. The Committee on Masonic Education under its Chairman, R.W. Bro. Norman E. Byrne, is to be congratulated for its fine efforts through the work of the District Masonic Education Committees. Several Districts organized Workshops, which contributed greatly to the knowledge of the history and philosophy of Masonry and the better understanding of our role in the community. One such Workshop was reported by R.W. Bro. Andrew R. Burgess of North Huron District when he said:

"Masons in Motion—the theme for a very successful joint North Huron and South Huron District Workshop held in Seaforth on March 21, 1987. This highly successful Workshop was co-chaired by R.W. Bro. D. Langridge and R.W. Bro. G. Hazlitt. In summary, Masonry is still a vibrant and essential part of our rural communities."

Some District Deputy Grand Masters offered the suggestion that when Grand Lodge Committees or special groups requested information from individual lodges it would be of benefit, and certainly contribute to harmonious relations, if they and/or their District Chairmen could be kept advised both of the request for information and the reply.

Once again the quality of the ritual is of concern in some lodges. Those Districts that organized Lodges of Instruction under the guidance of the Custodian of the Work, M.W. Bro. N. R. Richards, indicated very positive results. This Committee recommends to the incoming District Deputies that they consider organizing such meetings.

It is with pleasure that your Committee reports that the practice of Charity during the past year received its rightful place of paramount importance.

It would take too long to even begin to list the many examples of that Masonic virtue reported throughout the jurisdiction. A few examples picked at random will suffice.

At the District level:

Toronto 2 District raised \$14,000 in conjunction with the Masonic Foundation for arthritic research.

London East and West Districts, in their usual successful Walkathon, raised some \$19,000 for the Women's Community House.

Grey District has raised over \$23,000 for the assistance of a brother and his family.

Frontenac District - \$6,700 for project "Liberator"—a project in conjunction with the Cataraqui Conservation Authority to develop and supply all-terrain wheel chairs to aid handicapped children to visit wilderness areas.

At the Lodge level:

Madawaska Lodge No. 196, Arnprior, raised \$3,000 to assist a brother who had a heart transplant. In addition, this lodge built and furnished a house for a

senior member of their lodge when he lost all his possessions by fire.

Spruce Falls Lodge No. 648, Kapuskasing, gave generous donations to various organizations in the town.

Simpson Lodge No. 157, Newboro, raised over \$1,500 for a distressed brother.

The concern over lodge finances once again occupies a prominent place in the reports of many Districts. It is difficult to understand the reluctance on the part of many lodges to institute a realistic budget. Too many examples are quoted of lodges with expenses per member far exceeding the annual dues. Life membership can be another source of financial difficulty if not properly funded. Two comments by R.W. Bro. Albert B. B. Sewell, Ottawa 1 District are pertinent to these concerns:

"In the matter of Life Memberships, several lodges have begun a drive to build up their Life Membership Fund by soliciting donations from their Life Members. These efforts are being met by encouraging results." And, in the matter of dues, "A high initiation fee and high annual dues does not appear to be a deterrent to membership but rather appears to generate self-esteem, confidence, and a sound financial base."

On the subject of finances, another concern expressed was the lack of adequate insurance. This is forcefully pointed out by one of our lodges that suffered a disastrous fire. The cost of renovations and replacements exceeded the insurance by \$50,000—could your lodge stand this?

An innovation was made by R.W. Bro. Gary Atkinson of Sarnia District when he appointed Wor. Bro. William Jay as District Piper. Bro. Jay had an interesting comment re music and Masonry as follows: "How important is my music to Masons in general? I hope the brethren enjoyed the bagpipe tunes for the unique and pleasant themes they offer but there is a lesson to learn here too. Music is generally defined in Webster's dictionary as 'the art of organizing or arranging sounds into meaningful patterns of forms involving pitch, harmony, and rhythm.' There are a few key words here. What could better represent the lessons taught in Masonry than the words 'meaningful, harmony and rhythm.' Music is one of the seven liberal arts and sciences taught to us in the Fellowcraft Degree. It is meant to remind the brethren of the harmony which should ever exist among us and send feelings of concord and good will to all who hear it. In this sense, the presence of music in a lodge will give meaning to one form of the liberal arts and put every brother present in 'rhythm' with his neighbour regarding Masonry."

We are being constantly reminded in the press and by various government agencies that our Province, along with all others—in fact society in general throughout the world—is increasingly being made up of older citizens. Masonry, being part of that society, is affected by the same condition. The majority of our candidates, fortunately, are younger men, and this is a cause for rejoicing. However, it was in the late 1940's and the 1950's that large numbers joined our Fraternity. Most of these men were war veterans and are now in the 65-75 age group. A review of the statistics in many Districts indicate that our loss due to deaths exceeds our increase due to initiations by almost 2 - 1. While there is nothing we can do about this sad loss, it should enjoin us to be particularly diligent to do all in our power to reduce our losses due to demits and suspensions.

We are pleased to report that many Districts are heeding the admonition of our Grand Master to make Masonry more visible in their communities. The coverage of our Grand Master's visits in the local newspapers was very gratifying and he is to be congratulated for the effort that he put into this. We note that R.W. Bro. Donald Thornton of Frontenac District not only spoke on Masonry to two service clubs but also held interviews on both local T.V. and radio.

During the past year we have witnessed the Dedication of a number of new Masonic buildings. We share with the brethren in those several areas the pride and satisfaction in their accomplishment and congratulate them on the attractive appearance of their edifices. Our buildings are one very visible sign of our presence in a community. It is, therefore, incumbent upon us to make them an asset to our public image rather than a liability.

Your Committee notes that every District reports a wide variety of social functions to which the brethren are inviting their families and their neighbours. These functions cannot help but have a beneficial effect and the brethren are to be congratulated on their social endeavours for are we not admonished to be happy ourselves and to communicate that happiness to others.

One cannot read the reports of the District Deputy Grand Masters without perceiving a very strong, positive feeling that Masonry is on the advance. Someone has said that Masonry is not a society that is good because it is old but rather that it is old because it is good. It has maintained a position of stability throughout the centuries. We are builders on a very solid foundation from which we can advance with pride. Let us be certain that as we advance the building of brotherhood the superstructure will continue to be honourable to the builders.

Respectfully and fraternally submitted on behalf of the Committee.

ROBERT S. THROOP,
Chairman.

REPORT OF THE BLOOD DONORS' COMMITTEE

This Report was presented by R.W. Bro. E. C. Steen, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Steen, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege and pleasure to present the report of this Committee, which is comprised of the following members: R.W. Bros. Colin Ball, Arthur Broomhead, Kenneth Brown, James Jackson, Robert Throop and John Woodburn.

This Committee was saddened to hear of the death of V.W. Bro. Wm. Hoyle of Hamilton who was the original organizer of the Masonic Blood Bank in 1942. In 1944, this Blood Bank maintained by the Masons in Hamilton saved the lives of many victims in a fatal fire at the Moose Hall. We are all deeply indebted to this Mason who has established for himself a place in the history of Masonry in this Jurisdiction. We cherish his memory in our hearts.

In the Blood Donors' Report for 1985, R.W. Bro. Alan Newell remarked, 'communication continues to be a problem, as it has for many years!' This year it was a combination of an inexperienced Grand Lodge Chairman, some District Chairmen and many Lodge Chairmen. In the majority of cases where there is a problem the new Chairman does not seem to get together with the previous one to find out what is involved, what records he must keep and what the deadlines are. At the lodge level it is, in some cases, much worse. The Master appoints a new Blood Donor Chairman who does nothing, reports nothing until he is eliminated at the end of his term.

At the lodge level there is a built-in mechanism to confuse the District Chairman if he was not confused already. Installations are held the year around and the Lodge Blood Donor Chairmen are sometimes changed. In order to assist the Blood Donor Chairman in being confused, they don't tell him of the change. One District Blood Donor Chairman, namely W. Bro. Anthony Pleli Jr. of Wilson District, has recently submitted a proposal to this Committee for some recommended changes. It will be turned over to next year's Committee for action.

Your new Chairman of this Committee found that all Districts were not operating under the same set of rules. Many Districts were only counting as donors, Masons and members of their families. Other Districts also counted friends. This addition was described as a case where a Mason persuaded a friend to go to a Clinic and donate blood. Since our objective is always to increase our number of blood donations, your Chairman thought it would be wise to call a meeting of this Committee and deal with it.

A meeting of this Committee was called for October 31st, 1986, for those who were close enough and able to attend. After a very short discussion, a unanimous motion was passed to include 'friends' donations by persuasion.'

Overall, this Committee can assure you, with confidence, that the Blood Donor donations in this past year are much higher than the figures indicate. Many of these are not shy Brethren, but give where records are not complete.

For an example of a well organized and orchestrated District look at London East or London West. Look at their results in previous years of declining memberships and see how their donations continue to grow. They have excellent records, inject the competitive element and have a quintet of singing corpuscles. Their donations are at an all time high.

Look at Windsor District, considering the size of their District they would be at the top of the list instead of the bottom if they were not alphabetically listed.

They are to be congratulated for a wonderful showing. Special congratulations to their District Chairman, W. Bro. Ralph Totten, are in order.

We provide below the statistics reported from all Districts of our Jurisdiction:

This Committee wishes to sincerely thank all who gave of themselves, and the Lodge Chairmen and District Chairmen for their work in getting members out and recording the results. It is most appreciated.

Listed below are events of outstanding achievements:

Niagara A - Bro. Wm. Gibson, St. Andrew's Lodge No. 661—100 donations

St. Lawrence - W. Bro. Ian Blakeney, Osiris Lodge No. 489— 50 donations

Toronto 1 - Cecil McFadden Award for greatest *percentage increase* -

Ionic Lodge No. 229 for 280%

Toronto 4 - Bro. Watson, Imperial Lodge No. 543 - 104 donations

Finally, my brethren, you are hearing much about Masonic Windows. What a great Window the donation of one's blood to preserve the life of another can be. We have great difficulty reporting the blood that is given, yet the potential for increasing donations in most Districts is way beyond the present results. The Lodge and District Chairmen are badly in need of guidelines to tell them what their responsibilities are. A great many do not know when the year ends or begins. In the opinion of your present Chairman, this Committee could benefit from some restructuring to better meet the needs of the lodges.

In the words of our Grand Master: "My beloved brethren, it is time to face facts, for we, you and I, have promises to keep and miles to go before we sleep."

Respectfully and fraternally submitted.

EDSEL C. STEEN,
Chairman.

REPORT OF THE LIBRARY COMMITTEE

This Report was presented by R.W. Bro. W. E. Elgie, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Elgie, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the 55th Annual Report on the activities of the Library Committee, composed of R.W. Bros. Drew, Hughes, Pos, with the undersigned as Chairman.

The Grand Lodge Library, located in the Grand Lodge Memorial Building in Hamilton, was operational from September through May on Monday evenings and Wednesday afternoons. Over 160 visitors were accommodated. In addition, 65 out-of-district requests for books and audio visual material were processed through our mailing services.

Your Committee is most grateful in expressing thanks and appreciation to the following volunteer librarians who have so faithfully maintained a regular library supervision schedule under the co-ordination of R.W. Bro. George Wilkes, Dundurn No. 475. Service to such a cause rewards the worker with genuine happiness and satisfaction, especially when they are busy. W. Bro. Cliff Tootell, Ionic No. 549; R.W. Bro. David Warren, Oakville No. 400; W. Bro. David Gordon, Corinthian No. 513; V.W. Bro. Harold Prowse, Battlefield No. 714; Bro. Les Reid, Ancient Landmarks No. 654; R.W. Bro. Fred Scott, Hamilton No. 562; Bro. Jim MacKenzie, Barton No. 6; Bro. Cy Carr, Barton No. 6; Bro. Robt. Faulds, Composite No. 667; Bro. Robt. Showkenik, Westmount No. 671; V.W. Bro. Charles Nicholson, Dufferin No. 291; W. Bro. Don Simms, Hillcrest No. 594; W. Bro. Ernie Aldridge, Hillcrest No. 594; All out-of-district requests have been addressed through the efforts of R.W. Bro. George Wilkes, Dundurn No. 475. Forty volumes were added during the year through purchases, bequests and gifts. Acknowledgements were extended to the donors on your behalf. Donations are always welcomed. We encourage and solicit new acquisitions.

The highlight of the past year has been the development of the video cassette section of the Library in both V.H.S. and Beta format. We appeal to our membership to make use of the following video cassettes as part of their lodge education programme this coming year.

All video presentations have excellent Masonic content and are applicable for the enrichment of Masonic knowledge.

During Grand Lodge we will be recording interviews with M.W. Bros. Irvine, Foster, Bailey and Nancekivell as well as Bro. Honorable John Matheson, speaker at the Grand Masters' Banquet.

One of the concerns about the recitation of ritual may perhaps be that it does not teach men to think, but to remember. The demand is for men who know what the ritual means and who are willing to display its teachings in their daily lives and conduct. We will encourage better Masons when we encourage more thinking Masons, for the thinker is he who strives to awaken from the dream of life in which the multitude pass a listless existence. If you are a good ritualist and would like also to be a thinking Mason, there is no better place to start than the Library. If you are a thinking Mason, there is no better place to enrich your talent than the Library. If unable to visit, why not write. We challenge you to use your Grand Lodge Library.

From one of the many who have visited - "Thanks for showing us around the Library and sharing your treasures with us. The original manuscript was a gem.

What a splendid little library where delightful hours can be spent. You are preserving the very soul of our Order there. How lucky we are to have it." W.M. David Clift, Otisippi Lodge No. 719, Sarnia.

Our appreciation is extended to the continued support and co-operation given by the staff of the Grand Secretary's office and the Grand Secretary.

To all District Deputy Grand Masters we thank you for your past support and appeal to the current D.D.G.M.s to promote this excellent resource of Masonic information. The collection is most capable of addressing the needs of our members, especially those so motivated through our Grand Master's Five-Point Programme.

Respectfully and fraternally submitted on behalf of the Grand Lodge Library Committee.

WAYNE E. ELGIE.
Chairman.

REPORT OF THE POLICY COMMITTEE ON THE BULLETIN

This Report was presented by R.W. Bro. C. J. Woodburn, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Woodburn, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Our Grand Lodge Bulletin is our only present regular format for communicating with all our brethren within our jurisdiction.

In recent years, under the fine editorship of R.W. Bro. Wilson McConnell, we have been informed and advised of many Masonic events of interest throughout the Province. Many times we have enjoyed reading of the Masonic warmth enjoyed by our brethren as they have shared and celebrated special events.

R.W. Bro. McConnell's professionalism and dedication have enhanced our bulletin and we publicly express our thanks to him. We were all very saddened at the death on March 29th, 1987, of his beloved wife and helpmate. One of my fondest memories of this committee chairmanship is of a pleasant autumn afternoon visit with Mr. and Mrs. McConnell at their home. We express to Wilson our sympathy and support.

This year we have worked to establish a few new reporting avenues to our editor. This entails regional brethren who act as eyes and ears for us. We recommend this procedure be expanded in the year ahead.

Traditionally our bulletin has followed the same format for some years. It is obvious that its medium is useful to reach our brethren with special details. In our last issue, our Grand Master used the bulletin to review the formal response of the Mother Grand Lodge to public criticisms. ,

We recommend that a review be undertaken in the year ahead to analyze the future role and format of the bulletin. It is proposed that under the chairmanship of this committee a group consisting of R.W. Bro. McConnell, V.W. Bro. Norman Buckingham and M.W. Bro. Robert Davies study and assess the future role and costs of our bulletin. We recommend that a formal report be presented at the Grand Lodge Annual Communication in July 1988.

We still receive reports that some Lodge Secretaries do not mail copies of the Bulletin to all members. As in the report last year, we request all District Deputy Grand Masters to review with their Lodge Secretaries the importance of forwarding the bulletin to each member.

Respectfully and fraternally submitted.

C. JOHN WOODBURN,
Chairman.

REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. R. C. Casselman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Casselman, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report to the 132nd Annual Communication of Grand Lodge on behalf of the members of the Committee: R.W. Bros. D. Dunbar, W. J. Finlay, E. M. Jones, L. W. Lawrence, G. E. MacDonald, J. C. Piper, F. J. Satterley, F. H. Waller, K. L. Whiting with the undersigned as Chairman.

The Committee met formally on three occasions, and two meetings showed one hundred percent attendance. The members of this Committee who hail from as far as Sudbury in the north, Leamington in the west, Ottawa in the east and many areas of Central Ontario are to be congratulated. Their dedication and enthusiasm for the continued success of our beloved Craft is an example for all Masons to emulate.

District Adjustment

This Committee indicated in its report to Grand Lodge in July 1986 that a questionnaire would be sent to each Lodge in the Jurisdiction in order to identify the Districts that desire an adjustment. A summation of the information received is as follows.

In reviewing the geographical make-up of Lodges within the Districts, it is obvious that Districts made up many years ago were formed to permit easy access by train within the District. In some urban areas the number of lodges increased beyond an acceptable number that can be adequately represented by one District Deputy Grand Master. For these reasons the Long Range Planning Committee asked that a questionnaire be circulated and completed under the supervision of each District Deputy Grand Master, to better understand the feelings of each Lodge and District concerning the matter of the make-up (geographically, numerically and grouping) of each District.

The result of the questionnaire circulated earlier this year concerning the need for a readjustment of Districts was unique in that over 97% response was achieved.

The Long Range Planning Committee is very pleased with this response and thanks all who participated. It is very evident that a strong interest in Masonic endeavours exists in Ontario.

While it is not possible to report all of the comments received, you can be assured that many were concerned with the historical loyalties to District names and friendships between Lodges within Districts. There were equal concerns about the demands put on the District Deputy Grand Master when large numbers of Official Visits, Installations, Ladies' Nights and other District functions require his attendance. It can also be deduced from answers received that many very capable leaders are lost to Masonry because of the financial and time demands placed on them when Districts are too large. This comes into focus when you consider that in large Districts (some of which have over twenty lodges), Wardens and Worshipful Masters historically are expected to attend all Installations, Official Visits and Ladies' Nights. Burnout and family antagonism are indicated as a possible consequence.

It is most evident from the hundreds of replies to the questionnaire received from District Deputy Grand Masters, Worshipful Masters, Secretaries and other interested individuals, that a review of Lodge boundaries and the number of Lodges in several Districts needs to be addressed as early as possible. It is also evident that many Districts need to remain static. However changes are made, it is obviously your wish that revisions made be effected from input within the Lodges of the District involved. Names of Districts ought to remain, if so desired, so that when a District is divided, the new Districts thus formed, retain the present name with a suffix "East", "West", "North", or "South" rather than "A", "B", "1" or "2", which might tend to show preference.

The foregoing are only a couple of examples of the care and concern that must be exercised in any adjustments that are made.

To carry out the wishes expressed in answer to the questionnaire, the Long Range Planning Committee recommends that a special committee of Grand Lodge be appointed. Such a committee would provide the necessary liaison between Grand Lodge and a District Committee in order to implement a harmo-

nious adjustment. Following the Committee's study, ratification by a majority of the individual Lodges involved is to be obtained.

It is realized that changes made in any District could affect other adjacent Districts in minor ways, and it naturally follows that such Districts would have input to such changes.

Because certain Districts have reported an urgent need for adjustment, it is the recommendation of the Long Range Planning Committee that the committee suggested above review the requests from Georgian District and Toronto 7 District over the next six months, then submit a recommendation for implementation in keeping with the Book of Constitution to permit changes as soon as possible. The committee would then move to other Districts where an adjustment is needed.

Utilizing the Expertise of Past Grand Lodge Officers:

Your Committee discussed the need to utilize this wealth of talent that exists in every District. Some Districts have organized a Past Grand Lodge Officers Association under the authority of the District Deputy Grand Master. Such an association can generate additional enthusiasm and interest by allocating special assignments to fully utilize this pool of talent.

Contact with non-Resident Members:

While we have our C.O.M.E.L.Y. programme to identify Masons who have moved into our Jurisdiction, there appears to be a need to identify Masons who have moved from one area to another within our Jurisdiction. This Committee recommends that all Lodge Secretaries be reminded to forward the names of non-resident members to Lodges in areas where such members have relocated within Ontario.

Attendance at Grand Master's Receptions:

While it is very gratifying to have a large attendance at our receptions for our Grand Master it does, however, create a distressing situation when large numbers attend who have not made reservations in advance. It is suggested that the Brethren show consideration for members of the organizing committee by informing them of their intentions to attend such functions.

District Long Range Planning Committees:

Several Districts have established Long Range Planning Committees in order to review and assess the future requirements and anticipated needs of their individual Districts. These progressive Districts are laying plans for the future and many of their innovative ideas are common to all Districts. R.W. Bro. Whiting, a member of our Grand Lodge Committee, attended a Long Range Planning meeting of Toronto 4 District which was followed by a reciprocal presentation by W. Bro. Clunie, the Chairman of Toronto 4 District Long Range Planning Committee to our Grand Lodge Committee in April 1987. Included are some of the items discussed, together with recommendations made to this Committee:

1. Sales Tax Exemptions on Masonic Printing.

After due investigation into federal and provincial sales tax requirements, Toronto 4 District advised Grand Lodge that no federal or provincial sales tax is payable on Masonic printing.

2. Retirement Counselling.

Toronto 4 District Long Range Planning Committee reviewed the need for a retirement counselling operation both in the District and the Jurisdiction and recommended that: "as a service to the community as a whole, Grand Lodge should establish a Retirement Counselling Operation that would provide a very necessary service for the whole community and enhance Freemasonry's image in society."

This Committee is congratulated for its futuristic ideas which serve to identify the anticipated needs of our Grand Lodge in the years ahead.

Georgian District's Long Range Planning Committee, chaired by R.W. Bro. Ross Hutchinson, tackled the important issue of reducing the size of the present District. After a further questionnaire was sent to all Lodges in the District, the replies indicated that a reduced number of Lodges would best serve the interest of Masonry in Georgian District. The Committee made a recommendation that: "the present Long Range Planning Committee of Georgian District remain in place and proceed to implement the changes that are favourable to the majority of members and Lodges."

R.W. Bro. Hutchinson and the members of his committee are to be congratulated for their efforts. A good job well done!

Summary:

As we have now completed another Masonic year and are on the threshold of a new one, we firmly believe that Freemasonry will not, in the future, encounter any greater challenges than those it has survived in the past. We believe that Freemasonry will continue to be an important implement in the lives of people in our rapidly changing society, and we believe that Freemasonry, in our Jurisdiction, is prepared to meet those challenges.

Respectfully and fraternally submitted on behalf of the Committee.

R. CARL CASSELMAN,
Chairman.

**REPORT OF THE COMMITTEE ON
THE GRAND MASTER'S BANQUET**

A brief oral report was given by R.W. Bro. R. E. Jewell, the Chairman of this Committee.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. B. B. Foster presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. Foster, that the Report be received.

REPORT OF THE COMMITTEE ON WARRANTS

This Report was presented by R.W. Bro. J. Pos, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Pos, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

On behalf of the Committee on Warrants, it is my privilege to present our report to this the 132nd Annual Communication of Grand Lodge.

Your Committee is composed of R.W. Bros. Colin A. W. Ball, G.S.W.; Kenneth R. Brown, G.J.W.; Edward C. Parker, Gr. Reg.; and myself as Chairman.

We are pleased to report that dispensation has been granted to Chinguacousy Lodge U.D., Brampton, Ontario, located in Toronto 1 District. Their request for dispensation was supported by 107 Charter Members, who have all been confirmed as Masons in good standing.

We extend our best wishes to Chinguacousy Lodge during this formative period and will look forward to receiving their petition for a Warrant of Constitution.

We also express our sincere thanks to the Grand Secretary, M.W. Bro. Robert E. Davies and his obliging staff for their assistance during this past year.

Respectfully and fraternally submitted on behalf of the Committee.

JACOB POS,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by M.W. Bro. E. W. Nancekivell, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

A request for recognition was received from another State Grand Lodge of Brazil—the Grand Lodge of Rio Grande do Sul and, since it would appear to be regular in every way, your Committee recommends that the Grand Lodge of Canada in the Province of Ontario extend recognition to this Brazilian Grand Lodge.

We also received a request for recognition from a Mexican Grand Lodge, the Grand Lodge of Tamaulipas. Our Grand Secretary, M.W. Bro. R. E. Davies, who is also a member of our Committee on Fraternal Relations, spoke to R.W. Bro. Robert Dillard, who is the Secretary-Treasurer of the Commission on Information for Recognition of the Conference of the Grand Masters of Masons in North America, and a Past Grand Master of Texas, and was assured that this Mexican Grand Lodge was indeed regular and so your Committee recommends extending recognition to the Grand Lodge of Tamaulipas, Mexico.

In Greece, recently, there has been formed an organization called “The National Grand Lodge of Greece.” We have received a request for recognition from this new organization, along with an explanation of the reason for its formation. We have also received communication from the Grand Lodge of Greece, which we already recognize, explaining its position in the obvious conflict going on in Greece between the two bodies. After referring to the report of the Commission on Information for Recognition of the Conference of the Grand Masters of Masons in North America, after their meeting in February in Calgary, your Committee can see no reason to withdraw recognition from the Grand Lodge of Greece as, in our opinion, it is regular and entitled to continued recognition.

Respectfully and fraternally submitted.

ERIC W. NANCEKIVELL,
Chairman.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by R.W. Bro. D. I. Greenwood, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Greenwood, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Advisory Committee on Lodge Buildings, comprised of R.W. Bros. W. Frank, J. Jackson, E. Parker, and V.W. Bro. R. Cooper, with the undersigned as Chairman, it is my pleasure to present this report to Grand Lodge.

This past year has seen the reward of the labours of many brethren involved in constructing or renovating new facilities for their respective lodges.

We congratulate Barrie and Brockville on the dedication of their newly constructed lodge buildings, and also the members of Brussels and Corunna on the renovation and dedication of existing buildings acquired for Masonic purposes. The brethren of the several lodges involved, who meet in these new quarters, can be justly proud of their endeavours to enhance the image of Masonry in their respective communities.

With the start of construction by the brethren of Gore Bay Lodge No. 472, in Gore Bay, and Alexandra Lodge No. 158, in Oil Springs, much needed new quarters will be provided to replace inadequate, old lodge rooms.

The brethren of Hammond Lodge No. 327, in Wardsville, are to be commended for the consideration they have shown the senior citizens of their community in trying to accommodate them in the design of their anticipated new building.

With many more lodges showing interest in relocating to new quarters, or improving their existing Masonic home, this committee stands ready to provide any assistance they may require.

Respectfully submitted on behalf of this committee.

DURWARD GREENWOOD,
Chairman.

REPORT OF THE COMMITTEE ON PRINTING AND PUBLICATIONS

This Report was presented by R.W. Bro. C. E. Drew, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Drew, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the Annual Report of the Committee on Printing and Publications. Committee member: R.W. Bro. Alan N. Newell, with the undersigned as Chairman.

Our constitutional mandate calls for us to "promote the sale and distribution of the publications of Grand Lodge among the brethren."

We are indebted to the District Deputy Grand Masters, and the brethren within the Districts, who have assisted in the endeavour to fulfill this task.

Our appreciation is also due to the Grand Secretary, and the staff of the Grand Secretary's office, who have made publications available, on a consignment basis, to the District Deputy Grand Masters.

We would like to report that all accounts have been settled promptly. (However, a small number are still outstanding. This tardiness creates additional work for the office staff at year end.)

The inventory has been reviewed and, when restocking has been completed, will be adequate for our needs in the coming year.

Some items are presently under review by the Custodian of the Work, and reorders have been kept to a minimum where revisions are anticipated.

Printing costs for the year ending April 30, 1987 are \$33,055 (Proceedings \$25,261; Printing \$7,794.)

Respectfully and fraternally submitted,

C. EDWIN DREW,
Chairman.

REPORT OF THE COMMITTEE ON ANNUAL COMMUNICATION SEMINARS

This Report was presented by R.W. Bro. A. N. Newell, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Newell, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Annual Communication Seminars, on instructions from the Grand Master, presented the following seminars at 1:30 p.m. on July 14th, 1987.

Seminar

1. LODGE FINANCES
2. LODGE ADMINISTRATION
3. THE FIVE-POINT PROGRAMME
4. OFFICER TRAINING
5. THE OFFICE OF D.D.G.M.

Chairman

V.W. BRO. S. COHEN
R.W. BRO. R. BARNETT
R.W. BRO. W. ELGIE
R.W. BRO. E. DREW
R.W. BRO. D. WALKER

The committee wishes to thank the Chairmen and their associates for preparing and presenting these programmes.

All of which is respectfully submitted on behalf of the Committee.

JOHN W. AUCKLAND
ALAN N. NEWELL, Chairman

REPORT OF THE COMMITTEE ON PUBLIC INFORMATION AND COMMUNICATIONS

This Report was presented by V.W. Bro. W. N. Buckingham, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Buckingham, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The work of the Public Information and Communications Committee has been directed principally to the improvement of internal communications. In particular, lodges have been urged to make more effective use of the monthly summons as a communications tool and to consider greater use of regular newsletters. These topics were covered at the seminar held during the July 1986 Grand Lodge Communication, at each regional workshop, and at several district instructional meetings during the year. Additionally, in response to individual requests, a number of lodge summonses and newsletters were critiqued and suggestions made.

Public information activities have consisted mainly of assisting and advising others in obtaining local press coverage for Masonic events. The most marked success has come from press interviews held by the Grand Master in conjunction with District receptions.

On behalf of the Committee, which is composed of R.W. Bro. T. L. Wilson, R.W. Bro. E. M. Jones and the undersigned as Chairman, I offer whatever service the Committee can provide to the lodges throughout the jurisdiction, and invite requests or suggestions related to communication needs.

Respectfully and fraternally submitted,

W. N. BUCKINGHAM,
Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by R.W. Bro. T. R. Davies, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Davies, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

We have enjoyed the opportunity to serve Grand Lodge on the Committee on Benevolence for some years and it is a pleasure again, this year, to present the report of our Committee.

In preparing these remarks we have referred to the Proceedings of the past several years and were struck with the similarity of our reports year after year. We have decided it is time to change the format.

For openers, I want to emphasize the most important party to the work of our Committee is the member who prepares the application. From the thoroughness of the preparation and from the supplementary report which we encourage, the Committee is able to deliberate quickly and effectively. By contrast, when we are working with vague information and have to make any number of suppositions about the situation, the Committee is frustrated and probably deals inadequately or otherwise from the absence of full information. Therefore, I repeat that the most important party to the benevolence process is the Brother charged with completing the application form and communicating the scope of the situation to our Committee.

The second most important link in the chain is the District Chairman of Benevolence. His role is to communicate throughout his District the availability of Masonic benevolence to any case where a need exists—financial or otherwise. During recent years we have dealt with as few as seventy cases and despite the fact that times are relatively prosperous we know there exist many cases where financial assistance could make life just a little bit easier for Masonic families in our midst who have been up against it. We emphasize to those Masons who have assisted us as District Chairmen, our appreciation for the care they have taken to be on the lookout for deserving situations in their individual Districts and of communicating to the several Lodges in the District the earnest desire of Grand Lodge to make assistance available in all cases of need.

The third important communicator in this link is the Supervisor of Benevolence and for years R.W. Bro. James C. Guy has performed this important function with much care and attention. His responsibility is to oversee the process, to ensure that all applications are put before the Committee for consideration, most on an annual basis, but several in the course of the year of an emergency nature. His further vital function in this process is to ensure the timely distribution of

cheques to the applicant Lodges for disbursement to the cases in their individual situations. Further, the Supervisor of Benevolence must follow up with Lodges, District Chairmen and others, including the Masonic Foundation, to co-ordinate information and organization of files. His is an important job and is of immeasurable assistance to the work of the Chairman and the Committee.

Next comes the Committee on Benevolence, made up of nine of us who convene as a group twice a year and informally by telephone and correspondence at other times to respond to emergency applications. My role as the Chairman is to ensure that each of the Committee has a voice on the appropriate response to applications and to give direction to the Supervisor of Benevolence on the manner in which the Committee wishes to respond.

Last but not least, of course, is the applicant himself—or herself. This year we have considered 66 applications and have disbursed nearly \$80,000.00 in grants and \$3,550.00 in interest free loans. The largest individual disbursement was for \$3,000.00 and, indeed, we made three or four disbursements in this amount. There is, of course, a story behind every application and many of these are of a confidential nature for obvious reasons. Some, however, have no need for confidentiality and in this category is the wonderful story concerning W. Bro. Norman A. Russ who is here with us at Grand Lodge today. Bro. Russ is an ordained minister with the United Church. He suffered from serious heart deterioration to the point where he had to take early retirement a few years ago. The deterioration became so profound that the time came last fall when it became necessary for him to have a heart transplant. To the best of our knowledge he is the first Mason in Canada, if not North America and beyond, to have undergone the heart transplant procedure.

In any event, Bro. Russ had a steady recovery from the transplantation until mid-February when he suffered a serious setback due to the development of Legionnaires disease and threatened subsequent rejection of the new heart. To top everything off he took a nasty case of shingles. I heard from him a few weeks ago that he is more or less fully recovered from the Legionnaires disease and is undergoing a daily one-and-a-half-hour home exercise program to assist with the arrival of his new heart. Don't you think that is a wonderful story? Well, Bro. Russ tells us that this became possible in no small way through the financial and moral support received from his brethren of Madawaska Lodge in Arnprior and from our Committee on Benevolence which greatly supplemented assistance given by his church, Grace-St. Andrew's of Arnprior, and others. I have a letter in our file from Bro. Russ and will read one paragraph.

"The unexpected and extremely generous financial assistance which we received from our Masonic Brothers validated that very powerful exemplification of the 'distinguishing characteristic of a Masonic heart' in the first degree in an unforgettable way that leaves my vocabulary rather inadequate in attempting to convey our sincere and lasting gratitude."

Our files are full of heartwarming stories, many with happy endings. I thought you would be particularly interested in hearing of this one. W. Bro. Russ, would you stand so that we may properly welcome you to Grand Lodge after the trials and tribulations you have endured this past year. I would also ask that W. Bro. Glenn Melanson of Madawaska Lodge also be recognized.

Earlier in this report we reported that total benevolence disbursed in the Masonic fiscal year was nearly \$80,000.00, i.e. \$79,974.00 to be exact, plus \$3,550.00 in interest-free loans. This compares with total revenues earned in the Memorial Fund of \$94,600.00, with the result we have operated in a small surplus again this year. We anticipate 1987-1988 revenues from the Memorial Fund to be \$92,424.00 and hope to have an increased number of applications to totally disburse these funds during the year.

We recommend we continue membership in the Masonic Relief Association of the United States and Canada and further, that we continue to develop the relationship between our Committee and the Masonic Foundation, as there are many instances where a co-operative approach between the Foundation and ourselves has had particularly happy results.

In closing, we wish to express appreciation to the individual members of our Committee and I would ask that the members of the Committee on Benevolence now stand and be recognized. A word of appreciation also to the District Chairmen and to all who have communicated with us in the past year in helping us look after the process. We have already expressed appreciation to our Supervisor of Benevolence, R.W. Bro. Guy, and wish now to acknowledge also the exceptional care and involvement given our work by the Grand Secretary, M.W. Bro. Robert Davies. We also wish to thank the Grand Master for the interest and support he has provided to the work of our Committee.

To all, thank you very much indeed.

Respectfully and fraternally submitted.

T. R. DAVIES,
Chairman.

The Grand Master declared the above brethren duly elected.

THANKS

The Grand Master extended his sincere thanks to R.W. Bro. J. I. Carrick, Chairman of the Committee of Scrutineers, and V.W. Bro. K. Schweitzer, Chairman of the Committee on Credentials, and their committee personnel for their devotion to their work.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This Report was presented by M.W. Bro. W. K. Bailey, seconded by M.W. Bro. J. A. Irvine and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Brethren:

The privilege of reporting on behalf of the Past Grand Masters on the Address of the Grand Master has been accorded to me. May I express my sincere appreciation for the honour so conferred.

We are indeed most appreciative of the comprehensive review presented by the Grand Master on his stewardship over the past year. At some considerable sacrifice to himself and his family he has been most generous in sharing his time, talents and counsel with the individual Mason, the senior lodge officers of the 650 lodges, the 43 D.D.G.M.s and the several committees of Grand Lodge.

In addition to the personal attention that he has given to the affairs of our Grand Lodge and the visitations from east to west and north to south in our Grand Jurisdiction, he has represented us with distinction far beyond our borders. Mention of but a few is in order:

- 1—Annual Communications of sister Grand Lodges in Canada and the U.S.A.
- 2—Quarterly Communication of the United Grand Lodge of England
- 3—250th Anniversary Communication of the Grand Lodge of Scotland
- 4—Masonic pilgrimage to the Holy Land
- 5—Conference of Grand Masters of North America - Calgary, Alta.
- 6—All Canada Conference
- 7—Banff Conference

Undoubtedly the one conference for which we honour him most and which will long remain in his memory will be the Calgary assembly. We can be justly proud of our Grand Master as he chaired this prestigious annual event with credit to himself and to our Grand Lodge.

We thank our Grand Master for the sincere and genuine tributes that he has extended on our behalf to the late M.W. Bro. George E. Turner and to the late R.W. Bro. Donald M. Fleming. Well merited is the recognition of outstanding contributions in various fields of endeavour by several of our Masonic leaders. We are pleased to endorse congratulations to Bro. Jeremiah Cooper who was awarded the prestigious William Mercer Wilson Medal.

We join our Grand Master in extending congratulations and commendations to the following Lodge Corporations for building and renovating their lodge premises: Barrie, Brockville, Brussels, Corunna, Toronto York.

Approval is given to the several recommendations of Grand Representatives either from or to sister Grand Jurisdictions.

Endorsation is given to the recommendation that henceforth receipt of an application for initiation shall be accompanied by a signed letter of permission for each prospective candidate to investigate his character and to release the lodge from claims by him.

We thank our Grand Master for attendance at and participation in the Annual Communication of the Royal Arch Masons of Canada in the Province of Ontario and the Conference of English-speaking Supreme Councils of the Scottish Rite. His support and participation in the International Masonic Day held in Toronto with the Grand Master and Masons of Ohio was truly a great day for Masonry.

Approval is given for the appointment of W. Bro. D. H. Mumby as Grand Steward and recommendation of past rank for him and those Worshipful Masters who, for one reason or another, were unable to qualify for past rank since they had not completed the statutory twelve months of office.

Gratitude is expressed for his well merited observations and comments for the extensive services rendered by various Grand Lodge Officers and in particular the Grand Secretary.

But in summation we must all feel a great sense of gratitude to our Grand Master for his leadership in igniting and inspiring Masonic Pride through the 5-Point Programme. This programme and its invigorating effects on individual Masons and the 650 lodges will go down in our Masonic history and will be a tremendous mark of accomplishment by our Grand Master, M.W. Bro. A. Lou Copeland, during his two years as leader of our beloved Craft in this Grand Jurisdiction.

Respectfully submitted.

WILLIAM K. BAILEY
Chairman.

HONORARY PAST GRAND MASTER

It was moved by M.W. Bro. J. A. Irvine, and seconded by M.W. Bro. B. B. Foster, that the rank of Past Grand Master (Honorary) be afforded to R.W. Bro. T. John Arthur in recognition of his many contributions to Masonry and in anticipation of his continued service. This motion received the unanimous endorsation of the brethren.

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. Robert T. Flowers, Grand Chaplain.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

As I look back upon the past year, I marvel at how quickly the time has passed since M.W. Bro. A. Lou Copeland genuinely surprised and honoured me by appointing me Grand Chaplain. I thank our Grand Master for the confidence he placed in me to fulfill the duties of this office and serve the Brethren in this Jurisdiction.

My year began as I wrote to each of the District Deputy Grand Masters and the District Chaplains. I later had the privilege and pleasure of meeting many of these Brethren in person, and I congratulate them all on the good work they have performed. As Grand Chaplain I have been given the opportunity to meet many Masons, renew acquaintances in the Craft and visit places in this great Province of Ontario that I would not otherwise have seen. It has all been a wonderful and gratifying experience.

My Masonic travels have taken me as far as Iroquois Falls in the north, Brockville in the east, Port Ryerse in the south and Kenora in the west. I thank the Worshipful Masters for the kind and gracious honours and warm welcome afforded me wherever I have visited.

A true highlight for me is to have attended several receptions for the Grand Master. His kindness, sense of humour, love of God and unfailing devotion to the Craft is always evident. Although he lays down his office and passes the torch to another worthy Brother, he has left his mark upon all of us and I am certain M.W. Bro. Copeland will not cease to "Ignite Masonic Pride."

I was pleased to be asked to address a number of Divine Services. It is good to see that increasingly these are Family Services, with wives and children in attendance. I was also privileged to have an important role in the Dedication of new Lodge Rooms. It is a most beautiful and inspiring ceremony.

I wish to thank the Assistant Grand Chaplain, Past Grand Chaplains and District Chaplains who at times substituted for me when I was prevented from attending various functions. Their ready and willing help was always appreciated.

From my travels and visits, I can say that Freemasonry is alive and well. It is gratifying to see men of varied races, religions and colours united in their zeal to serve God and mankind, and prepared to live out the great Principles of Brotherly Love, Relief and Truth in their homes and workplaces.

May the Great Architect of the Universe continue to bless our Order by cementing and adorning it with every moral and social virtue.

Respectfully and fraternally submitted.

ROBERT FLOWERS,
Grand Chaplain.

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by M.W. Bro. J. A. Irvine on behalf of M.W. Bro. W. L. Wright, in two parts, and on motion of the Deputy Grand Master, each part, together with the report in its entirety was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Jurisprudence begs leave to report as follows:

PART I

R.W. Bro. Robert T. Runciman has given Notice of Motion as follows:

1. That Section 412(a) be amended by adding thereto the following sentence:

“The complainant shall not be a member of the Reviewing Committee.”

Your Committee notes that the foregoing amendment has been suggested by the Committee on Grievances and Appeals, following several years' experience, gained under the present rules respecting trials. In conducting Masonic Trials, complete fairness must be complied with.

2. That Section 413 be amended by adding thereto the following sentence:

“The notice shall not in any manner identify the accused.”

In the light of certain Provincial and Federal laws and regulations with respect to the unwarranted invasion of privacy, the foregoing amendment is deemed advisable.

3. That Section 424.1 be amended by adding thereto the following subsection:

“424.1(b)—Where the Committee recommends expulsion, the Grand Secretary shall give written notice of its decision to the accused that the decision shall

become final unless, within sixty (60) days of receipt of the notice, the accused files written notice with the Grand Secretary that he intends to show cause why the recommendation for expulsion should not be made final.

If the accused files a written notice that he intends to show cause why the decision should not be made final, within the said sixty (60) day period, the Grand Secretary shall serve upon the accused, by prepaid ordinary post, addressed to his last known address, a notice setting out the time, date and place of the hearing to show cause.

S-424.1(b) shall be renumbered S-424.1(c)
S-424.1(c) shall be renumbered S-424.1(d)
S-424.1(d) shall be renumbered S-424.1(e)
S-424.1(e) shall be renumbered S-424.1(f)
S-424.1(f) shall be renumbered S-424.1(g)
S-424.1(g) shall be renumbered S-424.1(h)''

Your Committee notes that this amendment is deemed advisable to regularize the procedure with respect to appeals resulting from recommendations for expulsion where such recommendation comes from a review of the trial proceedings by the Committee on Grievances and Appeals, pursuant to Section 424.1(b) of the Constitution. This amendment is proposed to eliminate a potential "second appeal" and at the same time, afford the accused an opportunity to appeal a recommendation for expulsion, not originally provided for by the Trial Commission or the trial by lodge.

Your Committee notes no constitutional objections to all three parts of this Notice of Motion.

PART II

V.W. Bro. J. Heffel has given Notice of Motion to amend the Constitution as follows:

1. That Section 150(a) be amended to include the following sub-section:
"(vi) Ontario DeMolay for Boys' Chapters and Clubs."

Your Committee notes no constitutional objections to this Notice of Motion.

Respectfully and fraternally submitted on behalf of the Committee.

WILLIAM L. WRIGHT
Chairman.

REPORT ON THE MASONIC FOUNDATION OF ONTARIO

M.W. Bro. N. R. Richards, President, presented the following report, and on motion, seconded by R.W. Bro. W. R. Pellow, it was received by Grand Lodge.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the 24th report of the Masonic Foundation of Ontario. The Foundation was established in 1964 by an act of the Ontario Legislature with stated objectives to receive, maintain, manage, control and use donations exclusively for charitable purposes within Ontario.

In presenting this report I begin by paying a particular tribute to Past President William Kirk Bailey for his great commitment to purpose, his leadership and the magnificent contribution he made to the Foundation's growth and development during his tenure of office as President. On October 8th, M.W. Bro. and Mrs. Copeland, M.W. Bro and Mrs. Davies, past and present directors of the Foundation and their ladies, had an opportunity to be with Mr. and Mrs. Bailey to enjoy an evening of friendship and fellowship with them. It proved an opportunity to let them know how much we appreciate them and their generous thoughtful help in the work and purpose of the Foundation. The late Donald M. Fleming contributed to the happiness of the evening and it is with sadness that we record his passing from us. His association with the Foundation added lustre to it and like so many aspects of our Masonic fraternity we miss his presence and cherish his memory in our heart.

The Foundation deeply appreciates the encouragement and enthusiastic support of Grand Master Copeland. He is a competent, committed, conscientious, compassionate Mason. The Seminar being offered at this session of Grand Lodge, "Opening Masonic Windows," stems from his concern about Masonic outreach and the need to extend our basic precepts through the work of the Foundation. He believes it will help to better establish a Masonic presence in our communities.

The action taken a year ago to increase the number of directors to accommodate the Deputy Grand Master, the Chairman of the Committee on Benevolence and representation from the eastern and northern parts of our Grand Jurisdiction has been most helpful. Deputy Grand Master Pellow and Benevolent Committee Chairman Davies have brought a helpful mechanism for integration between the work of the Foundation and Grand Lodge. Lorne Pacey and Bill Finlay, with their close association and understanding of the large regions from which they come, make it possible to extend the purpose of the Foundation for the areas they represent.

Before briefly reviewing the work program of the Foundation, I shall make particular reference to our Secretary-Treasurer, Jack Arthur. The nerve centre of the organization rests in the office of the Secretary-Treasurer. Not only is his work of a high order of excellence but the kindly understanding and gracious manner with which he discharges his duties is an attribute all who associate with him appreciate and admire. We are particularly indebted to Jack Arthur for his initiative in seeking out assistance in developing an electronic computing system which facilitates the administrative work of the Foundation in an effective positive way. The financial records are in a readily available form and the administrative cost of our operation is maintained at a surprisingly low cost through Jack Arthur's competent, efficient management.

Work Program

The Work Program of the Foundation is derived from income from our Capital Fund and finds expression in programs such as:

- 1—Bursaries
- 2—Hearing Research
- 3—Voice Program
- 4—Autistic Homes
- 5—District Programs
- 6—Youth Programs

Space and time permit only brief reference to our work program. Enlarged reference will be made to the Bursary, Voice and District Projects at the Grand Lodge Seminar on "Opening Masonic Windows." At this time I shall make reference to the project and indicate a director(s) associated in a liaison way between the project and the Foundation. I encourage you to seek further information about the projects through dialogue with a Director or by communicating with the Secretary-Treasurer. Suffice it to say that all the projects are viable, activities continue to grow and new initiatives are being planned.

The Bursary Program

The Bursary Program has been in place since the Foundation was established. Wallace McLeod, Vice-President and Chairman of the Bursary Program, brings to the project much expertise and enjoys the co-operation and assistance of Victoria College of the University of Toronto. Professor McLeod is a faculty member at Victoria College and we are particularly fortunate to have the benefit of his academic experience in the oversight and management of the Bursary Program.

The program has had an active year with 87 students in 29 institutions being helped. The aggregate value of bursary support was \$45,270, the average per student being \$520. Income from the Copeland Fund was used this year for the first time to provide bursary assistance to a student.

Awards Officers advise us that our prompt intervention can avert a financial crisis in a student's life which is a strength of the program. Professor McLeod

reports that Awards Officers assure him that need for financial assistance is increasing and that we can be proud of the support that the Foundation is providing to young people.

I hasten to remind you that request for financial aid must have the approval of the Awards Officer.

Hearing Research

Dr. Alvin Anderson has been closely associated with the Hearing Research Program since its inception. Dr. Anderson reports that the Masonic Foundation of Ontario opened a Masonic Window in 1979 by supporting deafness research, which has continued since that time. Those of you who attended the seminar a year ago will recall that a recipient of an implant expressed her joy and comfort on having her hearing restored and was gracious in her thanks not only to the researchers but to we as Masons who helped to make it possible. It is interesting to note that to date there have been 22 single channel implants, eight require further testing prior to cochlear implantation and one is ready for an implant.

Dr. Anderson reports that research shows that where deafness exists at birth the hearing centres do not develop unless stimulated electrically during the early months after birth and before the age of four years. When one considers that 30% of our youth may eventually have hearing loss from exposure to excessive noise, one is encouraged that research for the future is promising. The development of single channel electrodes and further miniaturization and improved performance of multi-channel devices offers hope for those afflicted.

After nine years as a Director of the Foundation, Dr. Anderson has indicated his wish to take a recess. It is people like Dr. Anderson who made Project H.E.L.P. become a reality and we are much indebted to him. As he moves from an active capacity as a Director it is reassuring to have his kind offer of continuing advice and help to the hearing research program. For this we are indeed grateful and record our deep gratitude for the help and counsel he has given so generously and effectively over the years.

Voice for Hearing Impaired Children

Director Frank Bruce, as well as co-ordinating the Voice Program serves as well as Vice-President of the Foundation. Voice was founded over thirty years ago by a group of parents and teachers of hearing impaired children. It is now one of the largest and most active parent organizations of its kind in North America. The program has generated a greater public awareness of the right of each hearing impaired child to live and function in the normal hearing world. If the hearing impaired can be helped to live outside the institutional setting, which not only separates them from their families but also severely limits their expectations with regard to education and employment, then our assistance is serving the problem well.

Your Foundation is playing a supportive role in Voice and its programs. Over the past six years support in excess of \$50,000 has provided assistance in Ottawa, Toronto, Timmins, Sarnia and London.

Autism

Director C. John Woodburn is the liaison officer between the Autism project and the Foundation. In addition, he has been actively associated with exploring new areas for Foundation involvement.

Mr. Woodburn advises that after a number of years of support to Kerry's Place, the umbrella organization of parents of autistic children and adolescents, it appears that our need to continue with this organization is diminishing. However, the need for support for this affliction of young people is strong.

Autistic children are now receiving the care and attention they deserve. The Foundation recommends continuing budget support for this program. The Foundation continues to support a pattern of operation for homes gained from past experience that each home be limited to at most eight residents on a full- or part-time basis with round-the-clock supervision, supplemented with social service personnel.

District Programs

I believe that we can take much satisfaction from the close relationship that exists between the Foundation and the several districts that have established projects in co-operation with the Foundation. I believe this reflects a growing commitment on the part of Masons to help individuals, groups and communities where there is need for assistance. The choice of project is left to the individual district, which is as it should be. Guidelines for establishing a project are available from the Secretary-Treasurer.

Director Alan Newell liaised between the Foundation and Brant District and brought the Mohawk Chapel project to a fitting and successful conclusion. Those who were present at the ceremony at the Chapel in Brantford on Sunday evening, May 31, were much impressed with the Masonic intervention that helped to enhance an appreciation of this historic place in the Ontario community.

Director Edsel Steen has liaised on the C.N.R. School on Wheels in South Huron District. His report, covering a meeting with the project Committee, including Mrs. Fred Sloman, who has vivid memories of the family's connection with the car on wheels, her daughter and the Mayor and council of Clinton, is an interesting and exciting story. How fortunate that this bit of history is saved for future generations and we are a part of it. Edsel Steen was also associated with the Curtis family project in Grey District.

Director Bill Finlay has liaised with the Prince Edward District project which involved the Victorian Order of Nurses to train a nurse as an Enterostomal Therapist as well as being a link between the Foundation and the broad eastern area.

Director Lorne Pacey serves a similar function for the northern area, as well as sharing with the Directors his experience on the Committee of Benevolence

and other Grand Lodge areas he serves so well. He is also involved with the Voice Program in Temiskaming District.

I wish we had a better mechanism of communication to share with you the happenings of all the District projects. I believe the Foundation should take a look at how this might be achieved in the year ahead.

The following is a list of the projects in place and contemplated:

District	Project	Held in Trust	Disbursed
Brant	Mohawk Chpel Organ Fund.....		\$20,800
Grey.....	Peter Curtis Fund	\$20,726.	
Prince Edward...	Trenton Mem Hospital.....		8,050.
South Huron	Fred Sloman School Car.....		5,000.
Toronto "1"	Hosp. Sick Children Lounge.....	3,590.	
Toronto "2"	Arthritis Society Research.....	11,204.	
Toronto "4"	Emily Stowe Home	1,442.	
Toronto "5"	Yellow Brick House		1,078.
Ottawa "1"	Voice Program	3,445.	
Toronto "2"	Diabetes Research		10,742
Toronto "6"	Markham-Stouffville Hosp		5,675.

Youth and Aid Programs

The Foundation supported, again, this year, the Boy Scouts of Canada (Ontario Division), the Girl Guides of Canada (Ontario Division), the Canadian Cancer Society, the 4-H Council Canada (Ontario Division). Although our level of support is small compared to the total budget of these organizations, nevertheless the message projected suits our purpose and commitment that Masons care.

It is appropriate that this section of the report should close with an indication of plans for a work program for 1987-88 according to the following schedule:

Proposed Disbursement Budget 1987 - 88

Hearing Research (H.E.L.P.).....	\$ 60,000.
Autistic Homes.....	10,000.
Voice for Hearing Impaired Children.....	10,000.
Boy Scouts Canada (Ont. Div.)	1,500.
Girl Guides Canada (Ont. Div.).....	1,500.
4-H Council Canada (Ont. Div.).....	1,500.
Cancer Society Canada (Research)	1,500.
Bursary Program	42,000.
Canadian Hearing Society.....	15,000.
Others	30,000.
Operating Budget	30,000.
	<u>\$203,000.</u>
Investment Income & Reserves.....	<u>170,000.</u>
Deficit	(\$ 33,000.)

Whither Now?

At our October meeting, the Directors considered the possibility of the Masonic Foundation of Ontario embarking upon a fund-raising project, the proceeds from which would be used to develop programs which would add further to our presence in the communities where we live. It was the unanimous opinion of the Directors that, in view of the successful experience and results of Project H.E.L.P. and mindful that the 25th Anniversary of the Foundation occurs in 1989, it is appropriate to seriously consider a major fund-raising project in the immediate future. To this end a Task Force was appointed under the Chairmanship of Vice-President Frank Bruce with Deputy Grand Master Pellow, Directors Finlay, Woodburn, and Secretary-Treasurer Arthur as members. The Task Force agreed to investigate and study areas that would be acceptable for a project.

If time permitted, I would like to lead you through the several meetings and discussions that transpired between October and our Directors' meeting of May 30th. During that period the Task Force and its medical subcommittee, under the Chairmanship of C. John Woodburn, held several meetings and communicated with the Directors of the Foundation. Consultation was held with members of the medical profession, studies were made of projects of other jurisdictions and an in-depth search by Foundation Directors themselves. For example, two areas—chemical dependency and support program for terminally ill patients—received particular attention. During the period it was apparent that there is deep concern and interest in our youth and family relations.

The Board of Directors recommends to the membership of the Masonic Foundation of Ontario that Grand Lodge approve for July 1988 a one million dollar Capital Fund-raising project to establish in Ontario communities a support network for addressing problems of youth and drugs.

It is envisaged that during the year ahead emphasis be directed to communication, organization and planning and the project would be launched so to speak following the Grand Lodge Communication in July 1988.

For those associated with the Masonic Foundation of Ontario the past year has been a satisfying experience. This has been made possible by those who had a vision to establish the Foundation more than two decades ago, those who have supported it since its inception through generous material support and to those who have given their time and expertise as Directors in developing and guiding programs. In the past year we are indebted to Pellows Architect Inc. of 214 King Street West, Toronto, for making a comfortable meeting place for the Directors to meet and deliberate.

Presented on behalf of the Board of Directors: Dr. A. J. Anderson, T. J. Arthur, W. K. Bailey, T. R. Davies, W. R. Pellow, W. L. Pacey, Dr. A. N. Newell, F. J. Bruce, W. E. McLeod, N. R. Richards, E. C. Steen, C. J. Woodburn, W. J. Finlay.

Respectfully submitted.

REPORT OF THE GRAND HISTORIAN

This Report was presented by V.W. Bro. George E. Zwicker, Grand Historian. (see pages 212-214)

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This Report was presented by R.W. Bro. R. T. Runciman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Runciman, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Grievances and Appeals is charged inter alia, with the responsibility of reviewing verdicts and punishments imposed by a Lodge or a Trial Commission and also reviewing recommendations made to it by a Board of Appeal. This report will be divided into two sections concerning general observations and particular matters.

PART I

Last year this Committee recommended that the name of an accused Brother not be published in the lodge summons or in the Proceedings. With the increased awareness of The Charter of Rights and Freedoms and the invasion of privacy it was the consensus that there was no benefit to anyone to publish names. It was considered an apt expression of Masonic diplomacy to proceed in this manner. To this end, Notice of Motion has been given to amend the Book of Constitution.

As one uses and applies the Rules Respecting Trials for Masonic Offenses, deficiencies become apparent, which the drafters did not anticipate. Two Boards of Appeal have discovered an anomaly in matters brought before them wherein a complainant was also a member of the Reviewing Committee. Justice requires that a complainant not sit on review of his complaint. In order to reinforce this point, Notice of Motion has been given to amend the Constitution to specifically state that a complainant shall not be a member of the Reviewing Committee.

Another Notice of Motion has been given to correct a problem with reference to appeals which was referred to in last year's report. This Notice of Motion provides an appeal mechanism where the Committee has increased the penalty on appeal to expulsion from a much lesser penalty recommended at trial.

It is appreciated that a lodge does not often have a Masonic trial and that the participants are not familiar with trial proceedings. The Committee urges all of those individuals involved to thoroughly read the trial rules and follow them

carefully, because there is often needless delay while the Committee attempts to obtain necessary or sufficient documentation. It is strongly suggested that wherever possible a Brother with experience in legal matters be enlisted to assist in the proceeding.

Over the past few years successive Chairmen of this Committee have urged that where a Masonic offense has been committed that it be prosecuted pursuant to the Book of Constitution and not be "swept under the carpet" in the mistaken hope that it would disappear.

However, in recent years society has changed and the laws of the land have changed to meet changing circumstances. Our Craft must not change simply for the sake of change but it must be cognizant of that change and meet the challenge.

In the past, this Committee has encountered situations where there has been Masonic misconduct which it has been difficult, if not impossible to prove and also where there have been extenuating circumstances where it would be in the best interests of all concerned that there not be a Masonic trial. There have also been situations where because of the nature of the facts and the manner in which the matter was prosecuted there was some bitterness towards the Craft from members of the erring Brother's family. This latter situation was especially so when the Masonic proceedings commenced long after the civil or criminal proceedings had ended. In order to avoid this problem and to exemplify two of the great virtues of the Craft—Charity and Brotherly Love—and at the same time remove from our membership those who are not deserving, it is recommended that the Brother be permitted to resign from the Craft under certain conditions.

To attain this end certain sections of the Book of Constitution will require amendment. Briefly stated the procedure would be that upon receipt of a complaint, the Worshipful Master would appoint a Reviewing Committee pursuant to S-412 of the Book of Constitution. If the Reviewing Committee finds that the complaint is well-founded it may recommend, depending on the circumstances, that the erring Brother be granted a Certificate of Severance upon his request. The Worshipful Master or someone on his behalf will explain to the Brother the option that is available to him.

The application for the Certificate of Severance and the issuance of the Certificate shall be processed by the Grand Secretary through the local lodge and Grand Lodge must approve the issuance of the Certificate of Severance. This procedure is recommended because of the serious nature of the application and the finality of the Certificate in that the Brother cannot be readmitted without the consent of Grand Lodge.

PART II

Brother A.

This Brother was charged with and convicted of defrauding the Province of Ontario of \$3,800.00 contrary to Section 338-1(a) of the Criminal Code of Canada. He was fined and ordered to make restitution.

The Brother was charged with a Masonic offense pursuant to S-410(m) of the Book of Constitution. A Trial Commission was convened and the Brother was present and pleaded guilty. The Trial Commission recommended the punishment of reprimand. This Committee has reviewed the material filed and the report of the Trial Commission. Justice has been fairly done and the Committee confirms the findings of the Trial Commission and the punishment which it ordered. This Committee recommends to Grand Lodge that Brother A. be reprimanded.

Brother B.

Brother B. was charged with and convicted of making an indecent phone call. He pleaded guilty and was found guilty by the Criminal Court and was given a suspended sentence and eighteen months' probation.

He was charged with a Masonic offense pursuant to S-410(m) of the Book of Constitution. A Trial Commission was convened and the Brother pleaded guilty and was found guilty of the Masonic charge. He made no submissions at the Trial Commission. The Trial Commission and this Committee have had the benefit of reviewing a transcript of the proceedings in the criminal court. Upon reviewing the documentation this Committee finds that the Trial Commission was properly conducted and confirms the finding of guilty. The punishment recommended by the Trial Commission was definite suspension for twelve months. This Committee recommends to Grand Lodge that Brother B. be suspended for a period of twelve months.

Brother C.

This Brother was charged with and convicted of criminal breach of trust in relation to funds which he controlled for the Muscular Dystrophy Association. He was sentenced to fourteen months' incarceration plus probation and ordered to make restitution in the sum of \$10,000.00.

He was charged with a Masonic offense pursuant to S-410(m) of the Book of Constitution. A Trial Commission was convened and although the Brother was properly served with a Notice of Trial, he did not appear and a plea of not guilty was entered on his behalf. Upon hearing the matter the Trial Commission found him guilty of the Masonic offense and ordered indefinite suspension with a recommendation for expulsion.

Pursuant to the Constitution this Brother has an automatic right of appeal. A Board of Appeal was convened which reviewed the Trial Commission proceedings and it unanimously confirmed the Trial Commission's findings and recommendations.

This Committee has reviewed the Board of Appeal proceedings and decision and confirms its findings and recommendations. Justice having been done the Committee recommends to Grand Lodge that Brother C. be expelled from the Order.

Brother D.

Brother D. was charged with and found guilty of fraud contrary to S-338-1 Criminal Code of Canada. In the criminal courts he was sentenced to nine months' incarceration plus one year's probation. He was subsequently charged with a Masonic offense pursuant to S-410(m) of the Book of Constitution. A Trial Commission was convened and although properly served the accused did not appear and a plea of not guilty was entered on his behalf. The Trial Commission found him guilty as charged and ordered indefinite suspension with a recommendation for expulsion. Pursuant to the Book of Constitution, there is an automatic right of appeal. A Board of Appeal was properly convened and it reviewed and confirmed the Trial Commission proceedings and findings. This Committee has likewise reviewed the Board of Appeal proceedings and findings and recommends to Grand Lodge that Brother D. be expelled from the Order.

Your Committee wishes to thank all of those Brethren who participated in Trial Commissions and the Boards of Appeal for their dedication to the Craft in conducting these rather unpleasant proceedings.

The assistance of the Grand Secretary, M.W. Bro. R. E. Davies and his staff is also gratefully acknowledged.

All of which is respectfully and fraternally submitted.

Chairman

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. J. W. Millar, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Millar, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee now has reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's Report attached thereto, and the report of the Grand Secretary as referred to it by this Annual Communication. These appear to fully and accurately record the essential details pertaining to:

- (a) The financial position of this Grand Lodge as of April 30, 1987 and the results of its fiscal operations on a cash basis for the twelve-month period ended on that date.

- (b) Details of all Receipts and Disbursements in respect to the General Fund, the Commutation Fund and the Memorial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge, which have occurred during the said period.
- (c) The Investment Accounts of the above mentioned Funds and the summary of all financial resources as of April 30, 1987.

The following observations respecting certain matters covered by these reports, and/or relative to its financial affairs are presented for your consideration.

- (1) The Audited Statements of Grand Lodge accounts show that the net balance of all its resources now amount to \$2,709,325. This net balance includes total investments at a cost value (not market value) plus cash on hand and in the bank and represents an increase in assets of \$99,444 over the same figures of a year ago.
- (2) Total receipts under the General Fund for fees, dues, commutations, interest on investments etc. amounted to \$482,314 while disbursements etc. amounted to \$426,593, leaving an excess of income over expenditures of \$55,721.
- (3) Grants for benevolent purposes amounted to \$83,524, an increase of \$7,323 from a year ago.

These grants were paid out of the income of the Memorial Fund.

It should be noted that the Committee on Benevolence has shown great care in administering its funds.

In review of all matters covered in this report, your Committee has received the fullest co-operation and assistance from the Grand Secretary and his staff. The co-operation of the Grand Treasurer is also appreciated.

Your Committee recommends to this Grand Lodge the adoption, without amendment, the reports of the above mentioned officers and approval of the recommendations contained in the report of this Committee.

In accordance with Sec. 134(c) of the Constitution, your Committee submits for consideration and approval, as set out below, an estimate of the receipts and expenditures as they relate to the General Fund for the year ending April 30, 1988. Your Committee believes these estimates to be realistic and to provide for all items which might reasonably be foreseen to meet all obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the current financial year.

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

This Report was presented by V.W. Bro. S. H. Cohen, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Cohen, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

During the past four years your Advisory Committee on Lodge Finances has received numerous letters and inquiries from lodges requesting information and direction on financial matters pertaining to their lodge. Although some lodges, for a variety of reasons, are experiencing difficulties in managing their financial affairs it would appear that the singular reason stems from an ill-conceived life membership policy.

Another area of great concern to your committee is the improper use and management of Lodge Buildings, since it is still the common practice for some Masonic Lodge Buildings, to be held in the name of trustees rather than in the name of a NON-PROFIT CORPORATION. As we have reported in the past, the committee sees little progress being made in eliminating this problem.

We have therefore decided that our focus in this report should be in these two important areas in the hope that our recommendations will be acted upon by the Board of General Purposes and implemented by the respective lodges.

LIFE MEMBERSHIP

In our Report of the Advisory Committee on Lodge Finances published in 1983 we identified some of the problems resulting from granting FREE LIFE MEMBERSHIPS. Since that time we have had a further opportunity to analyze and review various life membership programs and after careful consideration it is the recommendation of this committee that the practice of granting Free Life Memberships be discontinued and replaced by a program providing for the purchase of Life Memberships by members.

To assist lodges in implementing the change from 'FREE LIFE MEMBERSHIPS' to 'COMMUTED LIFE MEMBERSHIPS' and to make the transition workable and equitable guidelines have been developed. These guidelines set out how to deal with this change during the transitional period of 3-5 years in order to ensure that members who would have received a Free Life Membership during the transitional period would not be penalized. The guidelines can be revised to meet the particular needs of any lodge and can be obtained by contacting the office of the Grand Secretary.

LODGE BUILDINGS

We strongly urge that all lodge buildings be held in the name of an incorporated NON-PROFIT NON-SHARE CAPITAL CORPORATION and operated in accordance with the regulations set out by Revenue Canada for the operation of a non-profit organization.

It has come to the attention of this committee that some lodges are operating fund-raising projects in their lodges that have come under the scrutiny of Revenue Canada because they are operating improperly. **The guidelines of Revenue Canada state that a non-profit organization may earn income in excess of its expenditures providing that the excess is reasonable.**

We would like to point out that a 'NON-PROFIT ORGANIZATION' includes a 'club, society or association' that satisfies certain requirements. One of the conditions with which such an organization must comply in order to qualify as a tax-exempt non-profit organization is that it must be organized and operated exclusively for social welfare, civic improvement, pleasure, recreation or any other purpose except profit. The organization must in fact be operated exclusively for the purpose for which it was organized. In addition, no part of the income of the organization may be made available for the personal benefit of any member of the organization. Notwithstanding the foregoing, payments such as salaries, wages, fees or honorariums for services rendered to the organization will not, in and of themselves, disqualify the organization from being exempt from tax provided that the amounts paid are reasonable and similar to those paid in 'arm's length' situations for similar services.

Any profits or other accretions to such an organization are to be used in promoting its objects. This requirement must be set out in the incorporating documents of the organization. As stated above, a non-profit organization must be operated 'exclusively' for social welfare, civic improvement, pleasure, recreation or any other purpose except profit.

If Lodge Temple Buildings earn income from rental of premises or from a variety of other miscellaneous income projects it may very well be that Revenue Canada may question whether the organization is operated exclusively for non-profit purposes. It would have to be shown to Revenue Canada that the rental income or other miscellaneous income earned has been used by the organization in carrying out its non-profit activities.

As you can appreciate, we are somewhat limited in this report and are only able to provide general information relating to the subject matter. In the event that Lodge secretaries or Lodge Temple Boards require further information your committee would be pleased to review specific cases in greater detail or direct lodges where they can obtain answers to their inquiries.

Once again we would like to emphasize that your committee would be pleased to respond to inquiries from lodges with respect to lodge finances and welcomes the opportunity of providing assistance to Lodges or Lodge Temple

Boards. The primary objective of the committee is to assist lodges in any way possible to strengthen their financial position.

Respectfully and fraternally submitted on behalf of the Committee.

SAMUEL H. COHEN
Chairman.

DISPOSITION OF NOTICES OF MOTION

Part I

In accordance with the notice of motion duly given, and presented to Grand Lodge by V.W. Bro. J. Heffel, and subsequently moved by V.W. Bro. Heffel and seconded by R.W. Bro. Wm. Searson, the following amendment was approved and adopted.

Section 150 was amended by adding the following: "(vi) Ontario DeMolay for Boys' Chapters and Clubs."

Part II

In accordance with the notice of motion duly given, and presented to Grand Lodge by R.W. Bro. R. T. Runciman, and subsequently moved by R.W. Bro. W. R. Pellow and seconded by R.W. Bro. Runciman, the following amendments were approved and adopted.

Section 412(a) was amended by adding the following sentence: "The complainant shall not be a member of the Reviewing Committee."

Section 413 was amended by adding the following sentence: "The notice shall not in any manner identify the accused."

Section 424.1 was amended as follows:

"424.1(b) Where the Committee recommends expulsion, the Grand Secretary shall give written notice of its decision to the accused that the decision shall become final unless, within sixty (60) days of receipt of the notice, the accused files written notice with the Grand Secretary that he intends to show cause why the recommendation for expulsion should not be made final."

If the accused files a written notice that he intends to show cause why the decision should not be made final, within the said sixty (60) day period, the Grand Secretary shall serve upon the accused, by prepaid, ordinary post, addressed to his last known address, a notice setting out the time, date and place of the hearing to show cause.

Present subsections 1(b) to (g) to become 1(c) to (h).

REPORT OF THE AWARDS COMMITTEE (WILLIAM MERCER WILSON MEDAL)

This Report was presented by M.W. Bro. J. A. Irvine, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Irvine, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

First, may we assure you that your Committee would like to approve many more of these awards, but we receive so few properly documented and presented submissions. Over the last year we have had quite a number of petitions, many of which have been poorly prepared. In so many instances no recognition has been given to the brother by the petitioning lodge and such action is a prime requisite to the success of the plea. These petitions are so important and should be prepared meticulously. We do not wish to turn any requests down, but are bound by the regulations laid down at the time of the introduction of this award.

Last year we were able to grant only one of these requests. Perhaps some we turned down were worthy, but the submission in so many instances was incomplete or did not follow the guidelines. We would like to set a goal of five such honours for the coming year. We have never had more than three in any one year, many times only one or two, and we know there must be many more brethren who should be able to qualify.

Your Committee feels that each lodge in this Grand Jurisdiction must have at least one member who, though, perhaps for some reason, did not aspire to become Worshipful Master, made great contributions to his lodge and other services to his community which should qualify him for recognition.

Should you know a member of your lodge, or of another lodge who has served his lodge beyond the call of duty, who has served the Masonic district, directly or indirectly served the Grand Lodge, his church, his family, his community, his country and his fellowman, such a brother in our opinion should be considered for this prestigious award. Look around you, let us not be guilty of overlooking a worthy individual. This is the highest honour within the power of the Grand Lodge to bestow on any member who has not and will not serve the office of Worshipful Master, and an honour which will be highly prized by such worthy member.

First of all the lodge must do something of a concrete nature in acknowledgement of the brother's contributions, then apply to the Committee for consideration following the procedure in a form available through the office of the Grand Secretary.

There are three members serving on the Committee and when the Grand Secretary receives such a petition, a copy of the petition is sent to each member of the Committee, and after due and diligent deliberation he votes in the affirmative or otherwise. For the request to be successful the decision must be unanimous by all three Committee members. Such is the exclusivity of the award.

Your Committee wishes to extend to the Grand Secretary and his staff our sincere appreciation for the prompt and courteous assistance extended to our Committee.

Fraternally submitted,

H. O. POLK
B. B. FOSTER
J. A. IRVINE, Chairman.

INSTALLATION

The Grand Master requested M.W. Bro. H. O. Polk to conduct the Ceremony of Installation.

M.W. Bro. Polk requested M.W. Bros. J. A. Irvine and E. W. Nancekivell to assume the offices of Grand Senior Warden and Grand Junior Warden and the remaining Past Grand Masters to assist in the Ceremony.

REPORT OF THE GRAND HISTORIAN

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with a profound sense of pride, coupled with humility and gratitude, that I express my sincere appreciation to you, Most Worshipful Sir, for affording me the distinct privilege of being appointed to the honorary office of Grand Historian for this past year. To be placed in the annals of this Grand Lodge as an associate of the many eminent and capable Masons dedicated to the preservation of Masonic history was indeed far beyond my greatest expectations.

On assuming the responsibilities of this distinguished appointment I cannot say I did so without trepidation due, in part, to the uncertainty of the related duties, and equally apprehensive of my ability to fulfill the capacity not only in the manner expected of me, but to my own satisfaction as well.

In submitting this report, I feel I would be remiss if I did not echo the sentiments of every interested Mason in this Grand Jurisdiction which I direct in favour of our Grand Master. That is, his Five-Point Programme entitled "*Igniting Masonic Pride*," instigated for the advancement of the Order in general, as well as to the enhancement of the membership of this Grand Lodge in particular. The favourable acceptance of this programme by the general membership, which was visibly demonstrated by the large attendance and the interest generated at the seminars, can only indicate it was considered long overdue.

It is the opinion of many that our Grand Master has not only taken this Grand Lodge to its membership, but he has opened the portals to further light in the relationship between the Mason and the non-Mason whose doors have been closed all too long.

Brethren, there are two very important points that I should like to address in this report. They are: (1) the compilation of the history of individual lodges; and (2) the preservation of extant lodge records and memorabilia.

But, first, let me present an "allegorical gem" which I found in a lecture entitled "The Origin of Freemasonry" produced by the Masonic Lecture Bureau of Helena, Montana, that was circulated some years ago. We in Masonry are well-versed in the allegorical aspect of the Craft Ritual and this allegorical description of the history of Freemasonry is, in my opinion, a fitting lead to the issue at hand.

"Freemasonry is like a precious cable, woven of golden strands, starting far back behind that impenetrable curtain which veils the past from the present, and unraveling as time goes on, until its frayed and scattered threads lie here and there, some broken, some corroded, oftentimes hidden beneath the rubbish. Now and again it reappears, flashing in the sunlight just long enough to tell us that here lies the way; then vanishing again, until far onward we pick it

up once more. And finally the scattered threads converge, regain their former luster, and again unite into the wonderful cable which binds together the Freemasonry of today."

Brethren, I submit that this is a beautiful allegorical description of the history of Freemasonry.

Every student of Masonry realizes that the ancient history of our time-honored institution is vague, much of it is unsubstantiated, and in many instances illegible. This is due, at least in part, to improper recording, inadequate storage, and general carelessness. The same is true of individual lodges whose records have been lost, misplaced, accidentally destroyed, or improperly documented.

Being particularly concerned with this important aspect of Masonry, it was the ambition of your Grand Historian to undertake a survey to determine the status of completed individual lodge histories, and the mode of preservation of extant records and memorabilia. However, with the extra burden placed on the lodge secretaries in executing the programmes instigated by our Grand Master, it was deemed, and rightly so, that this additional chore could be in excess. Nevertheless, my observations, while travelling and visiting, revealed two disturbing factors—that there are some lodges that do not have an updated written history, indeed, a number of lodges have not yet elected or appointed a Lodge Historian, or a committee to cover the same; and the storage facilities of present lodge records and memorabilia in some lodges leaves something to be desired. Brethren, I would urge each Worshipful Master, whose lodge does not have the office of Historian occupied, to immediately enter upon the exercise of appointing a knowledgeable brother, or a committee to act in that capacity; and every Master to look into the storage and especially the safekeeping of lodge records.

The lodge secretary is the true archivist of the lodge history and records, and his attention should be directed to the guidelines recommended in the Book of Constitution, (pg. 164 to 169—1986) entitled "Minute Book." His entries should be as accurate, legible, and comprehensive as possible. Minor details could prove most beneficial to future Historians and Masonic students alike.

The latter is also true of the Lodge Historian, when he compiles the history of his lodge for future generations to peruse and study. His information is usually taken from the lodge minute books or other records such as special events brochures and the lodge summons. It is best that one or more copies of all relative documents of the lodge be retained for posterity, preferably in more than one place.

As one who has perused 137 years of his lodge's history, I can attest to the benefits derived in having as much data available as possible, and also to the legibility of the writings. In any case, the proper recording and reporting of lodge activities and events can only be as effectual as the safe storage and security of the material. Although it is generally left to the discretion of the lodge secretary, the preservation of lodge property must be the concern of every member of the Craft

and should be deliberated as such. Since the records of many lodges are retained at the residence of the secretary, special consideration should be given to ensure their safekeeping, such as a fireproof vault or safe, or, where the properties of the lodge are maintained in the lodge building, a walk-in vault of sufficient size to protect all records and special memorabilia should be considered.

Another ideal method of preservation is by the use of microfilm, of which two or more copies could be made and stored in separate locations. Some lodges have already taken this step to ensure the safety of their minute books and records, while others record portions of their transactions on computer.

It must be understood, brethren, that these are suggestions only. It is fully appreciated that the lodge secretary has a heavy workload and that the position is a part-time job to be conducted along with his private avocation, and very often it is undertaken to the detriment of his personal pleasures and family activities. We praise these dedicated Masons whose efforts oftentimes go unrecognized by the membership beyond the annual remuneration and is quite often taken for granted. It is difficult, at times, to recruit qualified men who are willing not only to accept the responsibility, but to dedicate the required time and effort.

We also recognize that many lodges cannot afford adequate storage facilities for the safety of their books and records. What we are saying, then, is that every effort should be exercised to afford the best protection possible to the extant records, and the extra endeavour extended to maintain legible and complete records for future generations to enjoy.

Remember brethren, the events of today become the history of tomorrow.

Respectfully and fraternally submitted.

GEORGE E. ZWICKER,
Grand Historian.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege, once more, to present the foreword to the reviews of the Annual Proceedings of our sister Grand Lodges received during the past year. The report of the Committee on Fraternal Correspondence is an analysis of the Proceedings of those Grand Lodges with which we are in fraternal relations. The analysis has been done by R.W. Bro. John W. Auckland and we thank him for undertaking the task for us. We regret that the space allotted to this report does not permit all the Proceedings to be included each year.

The condition of Masonry in many jurisdictions is a lively topic for discussion among lodge officers, in district conferences and by the senior officers of the several Grand Lodges in an attempt to determine the ways and means of improving attendance and reduce the number of demits and suspensions for N.P.D. Refer to Tennessee, Minnesota, Michigan and New Zealand. An interesting suggestion appears in the Proceedings of Louisiana—called the Sojourners Program. This is to search out Masons that belong to a lodge in another area and to invite them to the local lodge and possibly persuade them to affiliate with the local lodge. It apparently has had moderate success.

Several of the Grand Lodges express concern over the attacks on Freemasonry by individuals, religious groups and other organizations. Your Committee urges every member of this Grand Lodge to read carefully the entire report of the United Grand Lodge of England. One item refers to consideration of the obligations taken by candidates in the three degrees and by the Master-elect at installation which indicates the removal of the physical part and placing it in another part of the ritual.

Your committee is pleased to report that most Grand Lodges are supporting programs for youth groups, bursaries for advanced education, student loans, supporting medical research and assisting in the purchase of laboratory equipment for hospitals. All these programs should enhance the reputation of Freemasonry as a caring organization in the future.

The translation of the ritual into native tongue used in some regions has been received with enthusiasm and satisfaction by members in those regions. Refer to Quebec and Japan.

Daylight lodges have been formed in some areas and have proven to be popular because it permits some members who are on shift work to attend lodge. Refer to Western Australia and New South Wales. Our Grand Lodge has one in London.

Making a Mason "at sight" has always interested your chairman. Refer to the reviews of Pennsylvania and Illinois where you will find some good reasons for this action.

This foreword is your invitation to read ALL the reviews. You will find them to be informative and worthy of note.

Respectfully and fraternally submitted,

BRUCE B. FOSTER,
Chairman.

ALBERTA — 1986

81st Annual Communication — June 13

Grand Master M.W. Bro. William C. Graves presiding
Grand Master M.W. Bro. Norman F. Oslund elected and installed

Lodges 158 plus 1 U.D. - Membership 13,313 - Loss 310

The committee on the Grand Master's Address recommended that the Grand Master should attend more individual lodges rather than limiting himself largely to district meetings. The membership of the northern lodges were disappointed because the Grand Master had visited very few lodges in the northern part of the province during his term of office.

During the past year, two important pamphlets have been distributed by the Grand Lodge of Alberta. One, entitled "Declaration of Principles of the Grand Lodge of Alberta" is a most important and useful document and enlightens those in society who are not familiar with what Masonry does and stands for. The second pamphlet, entitled "Freemasonry—Aims and Objectives" is designed for the information of applicants for admission to the Craft.

Two lodges celebrated 100 years of continuous operation: Medicine Hat Lodge No. 2 and Alberta Lodge No. 3.

The Grand Master advised each constituent lodge that it is the responsibility of the lodge officers to determine if a petitioner for affiliation is, in fact, a member in good standing or has a valid demit from the lodge or lodges from which he hails and is not under suspension for any reason.

In the Grand Lodge of Alberta, the title of Past District Deputy Grand Master is conferred on a brother only after he has satisfactorily carried out his duties as District Deputy Grand Master. This past year, all twenty D.D.G.M.s were given the title of P.D.D.G.M.

The new computer has been installed and programs are being developed which will provide additional service to the lodges, such as mailing labels and phone lists. There have been some complaints about the cost of the computer but benefits have already shown up. Within the next five years, the Grand Lodge will recover the cost of the computer in the reduction in the cost of printing the Proceedings.

The newly installed Grand Master, M.W. Bro. N. F. Oslund stated that his theme for his term of office would be "Freemasonry: Our Guide for Living."

ARIZONA — 1986

104th Annual Communication — May 19, 20

Grand Master M.W. Bro. Charles J. Shoup Jr. presiding
Grand Master M.W. Bro. Verne D. Hegge elected and installed

Lodges 71 - Membership 15,916 - Loss 197

The Grand Master granted dispensation to four lodges to hold outdoor meetings: at Buckelew Springs, Texas Canyon, the Grand Canyon and White Tanks Regional Park.

The Grand Master recommended that, if the cost and the location are satisfactory, the Grand Lodge of Arizona have a booth at the 1986 State Fair. This would be strictly an educational booth using audio-visual and video aids. The reason for this booth is to inform the people about Freemasonry and to counteract the adverse publicity that has been circulated in recent times.

The Grand Master, in his address, commented on the condition of Masonry in Arizona:

“Although we again had a net loss in membership this year I have received the feeling from around the jurisdiction that we will soon turn this around. Many of our smaller lodges ... have been suffering ... they will overcome ... and they will survive. Some of the Masters have taken the Master Preparation Conferences to heart and are following what they learned with very satisfactory results.

There is now a general good feeling of cooperation between the Blue Lodge and the appendant orders ... Our Public Schools Week Observances and essay contests met with great success ... and did much to bring Masonry to the attention of many ... Our Masonic Hospital Visitation program in the three V.A. hospitals in Arizona is doing much to spread the word of Masonry ... Many of these brethren would love to have Masonic communications with a brother again.”

The Grand Lodge of Arizona extended fraternal recognition to the Grand Loja Masonica de Minas Gerais (Brazil) and to the Grande Loja Do Estado De Mato Grosso (Brazil) and to the Grand Lodge of Spain. The Grand Lodge of Arizona terminated Masonic recognition to the Grand Orient of Italy.

ARKANSAS — 1986

144th Annual Communication — February 6, 7

Grand Master M.W. Bro. Arthur J. Mhoon presiding
Grand Master M.W. Bro. Joe C. Smith elected

Lodges 350 - Membership 42,710 - Loss 973

An emergent communication of the Grand Lodge of Arkansas was called to order by M.W. Bro. Arthur J. Mhoon, in the hall of Green Grove Lodge No. 107, Conway, Faulkner County, on February 14, 1986, for the purpose of installing R.W. Bro. Joe C. Smith, Deputy Grand Master, as M.W. Grand Master, since he was unable to attend the 144th Annual Communication because of illness.

The Grand Master continued the Advancement and Development program started by his predecessor by preparing a Worshipful Master's planning booklet called "Designs for the Trestle Board," which the Worshipful Master would use to assist him in planning his meetings, give him suggested program topics, and also suggest non-ritual duties of lodge officers. It is hoped that this program would be helpful to the officers of the lodge.

Another of his programs was the writing of a personal letter to those members who had not paid their dues for 1985 by October 15th. He received the names from the lodge secretaries and it was his intent to assist the secretaries, who asked for it, by sending out the letters. As a result of this program, the Grand Master found out that keeping up with the members is a tremendous task and cannot be done by the secretaries alone. He recommended that each Worshipful Master appoint a committee to assist the secretary in keeping track of the members of the lodge. It would be the duty of the committee to keep the secretary informed when a brother moved away or became ill or was placed in a nursing home. We must find a way to keep up with our brethren.

From the report of the Grand Secretary:

From time immemorial, Masons and Masonry as a whole have been attacked by those who regard our fraternity as evil, and have tried to portray us as an evil force in our communities. These criticisms come from certain denominations or persons who want to harass Freemasonry; yet their accusations are baseless and without truth. This approach is not new. The best way to squash the movement, as in the past, is to maintain a discreet silence. Although we are prone to take offense at these criticisms we should be like the Masons of old who chose silence rather than argue with the uninformed. Brethren, our answer to opponents of Freemasonry is "good conduct, good works and noble example."

BELGIUM (Regular) — 1986

Annual Assembly — March 8
Grand Master — Dr. Rene Constant

Lodges 22 - Membership 745

The Regular Grand Lodge of Belgium was founded in 1779 by nine regular lodges, and is recognized and has fraternal relations with 98 Grand Lodges.

The Grand Master, in his address, referred to the success of the Regular Grand Lodge in Belgium. In two years, to 1981, the number of lodges had doubled

to 18. This happened in a truly hostile environment but with the brethren working together towards a unique aim that is a respect for the rules, the ritual and the ancient principles of Masonry. In 1982 there were 20 lodges with a total membership of 660 members.

There was always the danger of fanatics ruining the cause but with faith and hope they are rebuilding the Grand Lodge. There is also the fear of religious fanatics that will undermine the Order without trying to find the true facts about the principles of Freemasonry.

The Grand Master concluded his address with this statement: "... we have reason to be confident about the future. That confidence is not the result of self-gratification but stems from a double fact:

- the development of our Obedience in harmony and peace; willingness to work and to respect the regularity of our workings; the satisfaction of the brethren ... are the best guarantees of success.
- the respect towards our Obedience abroad and the weight it acquired in Europe and in the world by maintaining an islet of regularity in Belgium."

The Grand Orator concluded his speech with the following:

"Our country was one of the first cradles of regular Freemasonry on the Continent. It has been the will of history to see us go astray and then to see us go back to regular Freemasonry.

Our responsibility, at this time, is to keep it regular. The will of history is nothing more than the strength and weakness of mankind.

To work without mental reservations or reticences to the glory of the G.A.O.T.U., side by side with brethren respecting the same principles and freed of old ambiguities, in short, to apprehend the serenity and happiness of true regular Freemasonry, is what our Obedience offers you. And as the psalmist says: it is a good thing and a pleasant thing for brethren to remain united together."

BRITISH COLUMBIA — 1986

115th Annual Communication — June 19, 20

Grand Master M.W. Bro. George W. Baldwin presiding
Grand Master M.W. Bro. Donald W. Wakelyn elected and installed

Lodges 172 plus 2 U.D. - Membership 21,074 - Loss 344

An Emergent Communication of Grand Lodge was held at Barkerville, B.C. on August 10th, 1985 for the purpose of 'enacting a symbolic cornerstone ceremony' at Cariboo Lodge No. 4 ... After the necessary proclamation was given, the Grand Master, assisted by his Grand Lodge Officers, performed, in a purely sym-

bolic manner, the ceremony of the laying of a cornerstone according to the ancient usages and customs of Freemasonry.

On September 7th, 1985, the Grand Master constituted and consecrated Macenzie Lodge No. 186 and installed its officers.

The Grand Master was the guest speaker at the Annual Communications of the Grand Lodge of Canada in the Province of Ontario and the Grand Lodge of Alberta.

The Grand Master did not grant a dispensation to permit a lodge to take its own candidate out of the jurisdiction and there confer a degree on him. As a result of the request he issued the following ruling:

"It is not proper for a lodge constituted under the Grand Lodge of British Columbia to transport a candidate into another jurisdiction and there confer a degree on that candidate."

The Grand Master commented on the state of the Craft:

"Wherever I have travelled in the jurisdiction, I have been impressed by the vibrancy and vitality of our fraternity. Naturally, there are weak spots, but on the whole, I have found the brethren in the several lodges striving to live by and exemplify our principles, in the quiet, gentle way that is characteristic of Freemasonry. I have listened with interest to some of the panaceas proposed by other Grand Lodges ... to stem the tide of resignations and suspensions, of declining membership and of a loss of interest ... To me, the answer ... lies within us, and I have been gratified to see how many in this jurisdiction concur with me and are doing things within their own lodges that promote the traditional values of our Craft in such a way that men continue to be proud of their membership, and also in such a way as to provide sound, sensible answers by their example and conduct to those who would deride or condemn our fraternity. Brethren, our lectures, if properly listened to and learned, give us the material we need. Let us pay heed to them, so that we may continue to grow in our understanding of the fundamentals of our Craft."

The Committee on D.D.G.M. Reports made the following recommendations:

(1) A phoning committee should be appointed (if one does not exist) to contact members within hailing distance who seldom attend lodge and establish why they are not attending.

(2) Directors of Ceremonies should be more emphatic when instructing Officers of their duties and responsibilities. Fellowship and brotherly love are foremost in our Masonic teachings but the ritualistic work in the lodge room is also very important.

(3) A close relationship between lodges in a district—more visitations or joint meetings when two lodges meet on the same night.

(4) When a Candidate is raised to the Sublime Degree of a Master Mason he should not be forgotten. His sponsors and the Worshipful Master should keep in contact with him, give him work to do ... appoint him to a committee.

All Freemasonry was saddened by the sudden passing of M.W. Bro. William Tyre, a Past Grand Master of the Grand Lodge of British Columbia, in his 98th year. Mere words are inadequate to describe the position which Brother Tyre held in the hearts of Freemasons, not only in British Columbia but across Canada and throughout much of the United States. He will be greatly missed by all who knew him but his memory will be cherished in their hearts.

CALIFORNIA — 1985

136th Annual Communication — October 14, 15, 16

Grand Master M.W. Bro. Roy J. Henville presiding
Grand Master M.W. Bro. John W. Driskell elected and installed

Lodges 604 - Membership 174,423 - Loss 5,152

During the past year the Grand Master officiated at nine cornerstone ceremonies. These included: new Masonic Temples, administration buildings and schools.

The Grand Master, in his address, referred to the present anti-Masonic developments:

“What shall we do about the criticism? ...extensive concern is not only among the brethren, but also among non-Masons, family members and others.

There are several courses to pursue. One is to ignore all of it and go about our work as usual. The other extreme is to declare war upon our attackers and fight back.

Somewhere in between are such approaches as: 1) to dedicate ourselves to a better performance in our respective communities; 2) to develop a firm well-structured program of public relations; and 3) to reach out in our community by: a) fulfilling local needs with more widespread, selfless service; b) opening our meeting places to more community groups; c) inviting community leaders to our activities; d) demonstrating a sincere and dedicated devotion to the people in our community; e) giving more time to working with and for all people especially the young people whenever we can; f) improving our individual and lodge behaviour to create an impeccable public image.

Let's get out of the lodge room and do what we are taught to do in it. Let us exemplify and personify our lessons and our precepts. Let us divest ourselves of all unnecessary or imagined secrecy and prove to the world that we are NOT a secret society ...”

Among the recommendations made by the Grand Master and approved by Grand Lodge were:

That the Grand Lodge of California sponsor a float in the Pasadena Tournament of Roses Parade on New Year's Day 1987. A one-time per capita tax of 60 cents per member is to be assessed to finance the float and the Masonic Youth Order will be requested to construct and decorate the float.

That the Grand Lodge of California restore full recognition to the Grand Lodge of New Jersey. In 1984 fraternal relations and recognition were withdrawn because of the acceptance and conferring of the degrees of Masonry on a California resident.

In August, the Oklahoma Indian Degree Team conferred a third degree on an Oklahoma candidate at Redding, California. This outdoor degree, held at the Redding Fair Grounds, was preceded by a barbeque dinner in the afternoon, followed by the degree in the evening. It was attended by an excess of 2,300 Masons.

The lodges in the Hawaiian Islands are under the jurisdiction of the Grand Lodge of California. There are 12 lodges on the Islands with a membership of just under 3,000. One of the lodges is a Daylight Lodge.

The Grand Lodge of California operates a Masonic Home for the Aged at Union City. This home has a population of 378, which consists of 133 men and 245 women. This figure includes 40 couples. The home offers three levels of care: residential care, personal care and skilled nursing care. The average age of the residents is 84.3 years.

They also operate a Masonic Home for Children at Covina. The current population is 55 (35 boys and 20 girls). The children range in age from four to seventeen years of age.

Alumni from this home receive financial support for continuing education. This past year \$19,500 was awarded in six scholarships to applicants studying in law, business administration, chemistry and economics. Three of these students will graduate this year.

The total cost of operating the two homes is in excess of \$12,000,000 per year.

CHINA — 1985

32nd Annual Communication — October 11, 12

Grand Master M.W. Bro Ian Lin presiding

Lodges 7 - Membership 814 - Gain 22

The Annual Communication of the Grand Lodge of Free and Accepted Masons of China was convened at the China Masonic Temple, in the City of Taipei, Province of Taiwan, Republic of China. Present were 18 Grand Lodge Officers, 8 Past Grand Masters, 15 delegates, 28 Grand Representatives and 8 visitors from Sister Jurisdictions.

Each year the Grand Master makes an official visit to each of the lodges in the jurisdiction. This past year there were six lodges plus one lodge under dispensation.

The Grand Master does not interfere with the activities of the lodges. The operation of the lodges is left up to the Masters of the lodges with leadership given by the Grand Inspectors.

There was an increase in membership this past year and many of the new members were Nationals. This shows that Masonry in China is being supported by its own people.

The Grand Master, along with ten brethren, attended the Annual Communication of the Grand Lodge of the Philippines.

Every three months, the Grand Master calls a meeting of the reigning Masters of the constituent lodges. At these meetings, matters of mutual interest are discussed. There is also an exchange of ideas and suggestions of how to help out each other, particularly on ritual matters.

These meetings produced a most successful Masonic event—a joint installation of all the lodges. This was held in July at the Asia World Hotel. There were over 300 members in attendance, accompanied by their families and friends.

The Grand Master commented on the state of the Craft:

“All in all, Masonry in China both membership and ritualistic work is improving; however, attendance is a bit far behind and should be improved. We are getting younger members into the Craft and the educational standard is higher, thereby raising the quality of our members. Fellowship among the different lodges is better and we are having more visits of members with the Sister Lodges.”

During the past year, the Grand Master instituted a Chinese-speaking Lodge, and at the Annual Communication it was granted its Charter as Tang Lodge No. 9.

The elected and appointed officers for the past year were to remain in their respective offices for the next year, so there was no installation ceremony.

CONNECTICUT — 1986

198th Annual Communication — April 2

Grand Master M.W. Bro. Arthur W. Kratzert presiding
Grand Master M.W. Bro. Dennis L. Elkins elected and installed

Lodges 133 - Membership 27,352 - Loss 603

In September 1985, the Grand Master officiated at an Emergent Communication held for the purpose of dedicating the Ashlar Village Retirement Community Complex. This facility, which is another testimonial to the Masonic Fraternity, will afford more opportunity to serve the elderly Masonic family.

During the past year, the Grand Master officiated at the rededication of two Masonic Temples.

From the Grand Master's address:

"One of the many definitions of Masonry is 'The Brotherhood of Man under the Fatherhood of God.' ...it should be one of the major goals of our Fraternity to bring good men, of whatever race or creed, closer together. When we meet with our Brothers in the Knights of Columbus, the B'nai B'rith and the Prince Hall Affiliates, we find that they have basically the same aims, aspirations and problems that we have.

About twenty years ago, some great leaders in our Fraternity, and in these other Fraternal Organizations, met and adopted a 'Platform of Fraternal Brotherhood-In-Action.' Since then the program has had its ups and downs. We believe that this movement is on the upswing as evidenced by several recent meetings of the leaders of these organizations. These leaders are now ready to demonstrate to the world that men of goodwill can, and will, work together, for the betterment of mankind regardless of minor differences in their backgrounds ...

The condition of the Craft should be the primary concern of every member. We do have reason to be optimistic ... we find young candidates coming into our Fraternity ... we find more and more young Masons assuming leadership roles ... we must not hastily reject the efforts and suggestions of our younger, newer members. We have had our 'place in the sun,' our 'moments of glory.' Let us make way for the coming generations of our Fraternity."

The Grand Master made the following recommendations:

- 1) That there be established a system whereby each new member is assigned a knowledgeable older member to be his advisor.
- 2) That the Grand Lodge take part in the Drug and Alcohol Program that had been proposed by the North American Conference of Grand Masters.
- 3) That each lodge make an effort to locate Out-of-State Masons in their locality, and encourage them to attend meetings and otherwise participate in their activities.
- 4) That the rule that "requires that a Brother whose known address is within the State of Connecticut, shall be personally contacted either by the Master of the lodge or some brother designated by the Master for such purpose" ... before "they can be stricken from the roll," be followed. To ensure that this is done, the Grand Master recommends that a form be developed which must be signed by the Master attesting that such contact has been made, when, and by whom and the apparent situation of the brother who is behind in his dues.

Personal Masonic Reference Book

This will be a multichapter 8½" x 11" loose leaf book that a brother may continue to add Masonic information to throughout his Masonic life. The "Personal Masonic Reference Book" will be sent to each newly raised brother from the Grand Lodge Office when the Grand Secretary receives the information from the Lodge Secretary. These books will also be available to any brother for the sum of \$5.00.

Masonic Information Nights

Masonic Information Nights for non-Masons are held around the State by local lodges. Through these efforts, the true meaning of Masonry is being brought to non-members who might be interested in joining the Fraternity. These programs have been varied, some include dinners, and the Committee on Masonic Information of Grand Lodge has been involved in many of the meetings.

DISTRICT OF COLUMBIA — 1985

175th Annual Communication — December 18

Grand Master M.W. Bro. Theodore M. Kahn presiding
Grand Master M.W. Bro. William C. Miskovic elected and installed

Lodges 32 - Membership 8,987 - Loss 503

On January 29th, there was a Special Communication held in Washington for the purpose of receiving a presentation by the Assistant to the Grand Master of Pennsylvania on the membership retention program of the Grand Lodge of Pennsylvania known as "SOLOMON II."

This program has been used with great success in Pennsylvania. It has helped to cut down on membership loss, to increase interest among the brethren and to obtain new members. This program is protected by copyright by the Grand Lodge of Pennsylvania and the Grand Lodge of the District of Columbia had to obtain permission to use it. Permission was granted and is in use.

The Grand Master, in his address at the Annual Communication, commented on the Project Solomon II:

"To identify those in the community who should be Masons, but who are not, is a great effort which involves internal renewal as well. As Freemasons, we must make every effort to (a) confer the finest degrees possible; (b) have fine and frequent lodge bulletins; and (c) have interesting and varied lodge programs; and (d) have excellent refreshments. Also our communications need to be short so our membership can get home at an early hour. All of these points and others are essential if Project Solomon II is to be meaningful."

During the past year there were three lodge mergers. The Grand Master made the following ruling regarding lodge mergers: "When lodges merge and

choose a name or name and number differing from what was previously used, it shall be considered that although all assets are retained by the new lodge, that in fact a new lodge has been formed and a new charter shall be issued. The new charter shall carry the name and number of the new lodge and mention the former lodges by name and number in the body of the charter. Because both lodges remain in existence, their charters may, at the lodge's option, be retained for their archives, although no longer valid. Otherwise, the invalid charters must be returned to the Grand Lodge. All costs of the new charter are to be borne by the lodge."

He granted a new charter to Albert Pike Lodge No. 33 formed by the merging of Mt. Pleasant Lodge No. 33 and Albert Pike Lodge No. 36.

He urged the incoming Grand Master to require all lodges in the jurisdiction which have merged and are using combined names to have new charters prepared, at their expense, to properly reflect the name under which the lodge is currently working.

Special arrangements have been made by a special committee of the Grand Lodge for the celebration of the 175th anniversary of the Grand Lodge during 1986.

A special bronze coin has been struck and will be distributed in February 1986.

The new Grand Master, M.W. Bro. William C. Miskovic closed his address with these words:

"If Masonry is to continue to be truly representative of the fellowship of man under the fatherhood of God, we must first renew our own commitment to this basic precept. Let us work together now and share those God-given benefits which we have received from Masonry with those qualified men who are out there, but are yet uninformed and unaware of the profound depths of our Masonic way of life.

My brethren, we must live for today, hope for tomorrow and be glad of the past."

ENGLAND — 1986

Quarterly Communications: June 12, September 11,
December 11, 1985, March 12, 1986

Annual Investiture April 30, 1986

H.R.H. The Duke of Kent, K.G., G.C.M.G., G.C.V.O., A.D.C.
Most Worshipful Grand Master

There are 8,253 lodges under the registry of the United Grand Lodge of England. Last year warrants were granted to forty-four new lodges, while four lodges closed down and returned their charters.

The United Grand Lodge of England is contemplating a revision of the ritual where the penalties are to be transferred from the obligation to the traditional history. Demonstrations of this change have been given to three lodges and these lodges are to use the change in the ritual in their lodges.

The following notice of motion regarding the change was discussed at the Quarterly Communication in June: "That this Grand Lodge resolves that all references to physical penalties be omitted from the Obligations taken by Candidates in the three Degrees and by a Master Elect at his Installation but retained elsewhere in the respective ceremonies."

Last June the Methodist Conference approved a report which was critical of Freemasonry.

The General Synod of the Church of England has asked for a report, for debate in the synod, on the compatibility or otherwise of Freemasonry with Christianity. The group preparing the report includes two Freemasons among its seven members. The Grand Secretary will submit evidence on behalf of Grand Lodge, and other brethren may be called on to give oral evidence.

The president of the Board of General Purposes, in his report at the Quarterly Communication of Grand Lodge in December, stated the following regarding the Disclosure of Membership of the Craft:

"The duty of a Freemason in this matter is clear: he must not use his membership to advance his own or anyone else's business, professional or personal interests; but subject to his overriding duty, he is free to acknowledge that he is a Freemason, and should be proud to do so."

The Royal Masonic Institution for Girls and the Royal Masonic Institution for Boys merged into the Masonic Trust for Girls and Boys. This trust is responsible for the care and relief of the needy children of deceased brethren and those brethren in distress. As funds permit other needy children are cared for as well.

M.W. Bro. H.R.H. The Duke of Kent was proclaimed as Grand Master of the Grand Lodge of England for the coming year. The Grand Master appointed R.W. Bro. The Hon. Lord Cornwallis as Pro Grand Master and R.W. Bro. The Hon. E.L. Baillieu as Deputy Grand Master.

The Grand Master, in his address, commented on the action of the Methodist Conference and the Synod of the Church of England.

He hoped that the efforts of the association of Methodist Freemasons and others could convince the Conference that their criticism was unjust. He ex-

pressed assurance that the group appointed to inquire into Freemasonry and Christianity for the Synod of the Church of England would give the Fraternity a fair hearing.

He also hoped that Freemasons would continue to avoid unauthorized public comment on Freemasonry.

He commented on the leaflet "Freemasonry and Religion" and hoped that the information contained in this leaflet would be widely distributed and read by mason and non-mason alike. It was his intention to make every brother as well informed as possible about the Craft.

IDAHO — 1986

119th Annual Communication — September 18, 19, 20

Grand Master M.W. Bro. Wallace S. Johnson presiding
Grand Master M.W. Bro Burrell G. Lirgg elected and installed

Lodges 82 - Membership 9,738 - Loss 278

The Grand Master, in his address, commented on the state of the Craft:

Freemasonry, like any human institution, does not stand still ... there is no 'neutral'. There is no coasting. We either progress or regress ...

I find ... some of our lodges progressing ... others are regressing ... and others are dead. Some are casualties beyond any realistic hope of revival. Brethren, the result of continued regression is extinction ...

The casualties are often, but not always, located in small and declining communities where hope of growth is unrealistic. Grand Lodge would never institute a lodge under dispensation in any of these communities under the present conditions.

But what about progress? I am frequently told that progress requires that we modernize and adapt and get Freemasonry in tune with the times. Progress is reduced to one concept—increased membership. Efforts ought to be centered on increasing membership.

The word 'membership' reverberates around the walls of most Masonic Temples. While new brethren among us are certainly welcome and much needed, it seems that our problem is not membership but it is that we have not made enough MASTER MASONS ...

My brethren, I am convinced that the next decade will determine the survival among our lodges ... We must very carefully consider what it is that makes a lodge progress and stay alive. That is the critical assessment we must make. We will not

materially err by following the tradition of our Craft. That seems to be the surest path to progress, but it will require far greater diligence and dedication than in the past.

The Committee on Public Relations continues the program of advertising the Fraternity through bumper stickers, "FREEMASONRY—A WAY OF LIFE." There are enough stickers available to provide one for each lodge officer of the constituent lodges.

The newly installed Grand Master, M.W. Bro. Lirgg, in his address, stressed the need for lodges to endeavour to make themselves more visible in the communities and requested every lodge to set this as its goal during the coming year. He offered the following suggestions:

1. Become more involved in community events such as parades, fairs and especially charitable endeavors.

2. Support and attend youth groups of the community.

3. Plan special meetings of interest in the lodge to which non-Masons of Masonic potential may be invited.

4. Assess the Masonic Temple and make the necessary improvements in its appearance, if needed. The Temple should be one the citizens are proud to have in the community.

5. Make the Masonic Temple available for such charitable functions as Red Cross, Blood Donors, etc. Such events allow the public an opportunity to view the Temple and arouses favorable curiosity about its function.

6. Make the date and time of the lodge's communications known by displaying this information, along with the name, address and phone number of the Worshipful Master and Secretary in a prominent place on or near the Temple.

7. Plan every lodge communication well in advance and arrange some program of interest for the brethren. Remembering that one program alone will not solve the problem of attendance, only a continued effort will encourage the disenfranchised brethren to form the habit of attending lodge with regularity once again.

8. Most of all, remember your Masonic obligations and practise them every day—not only while in the lodge, but also, while you go about your daily lives in the community where your neighbors and associates observe and judge your character. **GOOD MASONS ATTRACT GOOD MEN TO MASONRY.**

ILLINOIS — 1985

146th Annual Communication — October 4, 5

Grand Master M.W. Bro. E. Gene Ross presiding
Grand Master M.W. Bro Lawrence D. Inglis elected and installed

Lodges 723 - Membership 139,641 - Loss 3,362

On Saturday, March 30, 1985, the Grand Master exercised his authority and opened an occasional Grand Lodge at Springfield, for the purpose of making a Mason on Sight. The candidate was a retired Military Police Colonel, who had never been in one location long enough to receive his degrees. Because he is a resident of Massachusetts, formerly a resident of Illinois, a waiver of jurisdiction had to be received from the Grand Master of Massachusetts.

During the past year, the Grand Master presided over the laying of two cornerstones and five lodge dedications.

The Grand Master reported, in his address, that during the past year he had granted 830 dispensations ranging from the change of meeting place, special events, fraternal visits, involvement in community activities, participation in local parades etc. Because of this, more and more of the lodges are assuming a place of prominence in the locale. Renewed interest has developed in the lodges and in the community new petitioners had approached the lodges for membership and the lodges are becoming more active.

This year the loss in membership in Illinois is the least it has been for the past twenty-five years. The Grand Lodge hopes that this trend will continue until the loss will be zero.

There is, at present, a proposal before the Grand Lodge of Illinois to lower the age of initiation from twenty-one to nineteen years of age. There is also before the Grand Lodge a proposal to require all lodges to include the word Masonic in the name of the lodge in addition to being designated Ancient, Free and Accepted Masons for which the proper initials are A.F. & A.M.

INDIANA — 1986

169th Annual Communication — May 20, 21

Grand Master M.W. Bro. George R. Tolen presiding
Grand Master M.W. Bro. J. C. Paxton elected and installed

Lodges 538 plus 4 U.D. - Membership 134,252 - Loss 2,721

During the past year there were five consolidations where lodges combined and there were three petitions for dispensation for new lodges.

M.W. Bro. A. Lou Copeland, Grand Master of Masons in Canada in the Province of Ontario, and the Grand Master of Masons in Indiana took their places side by side on the dais while the color bearers displayed the flag of the United States and the flag of Canada side by side. The brethren of Grand Lodge rose and sang "Two Countries by the Sea."

The Grand Master, in his address, commented on the condition of lodges in the jurisdiction:

"More disturbing than anything else to me is the continued large number of demits and suspensions for non-payment of dues. For reasons unknown, these brethren have lost interest in Freemasonry and their lodges ... In addition, an unconscionably large percentage of brethren are delinquent in their dues each year ... Every lodge needs to make a conscientious effort to personally contact those brethren who are withdrawing and those who are delinquent, not just to bring them back, but to find out why Freemasonry has lost its attraction for them.

I strongly recommend that serious consideration be given to the development and implementation of a District Deputy Grand Master system in this jurisdiction. It works well in several of our sister jurisdictions. My inquiries ... with the Grand Masters of these jurisdictions have revealed their impression that they don't see how we get along without them."

The Grand Master's recommendation that serious consideration be given to the development of a District Deputy Grand Master system was referred to a Special Committee. This matter had been thoroughly studied, considered and reported on in the 1964 proceedings. The committee recommended that this study and report be brought up to date, considered further, and reported at the annual meeting in 1987.

The following Grand Master's Resolutions were submitted by the Committee on Jurisprudence to Grand Lodge and were approved:

The establishment of a Grand Lodge Library and Museum for the purpose of the receipt, collection, custody, preservation, display and exhibit of the books, documents, records, papers, archives, memorabilia, artifacts, paraphernalia and all other matters of Masonic interest. It shall be located in the Grand Lodge Hall in Indianapolis, Indiana and administered by a Board of Directors of five brethren.

The establishment of a Grand Lodge Scholarship Fund for the granting of scholarships to deserving sons and daughters of Master Masons in the Jurisdiction.

The repeal of the regulation that prohibited the holding of Lodge picnics on Sunday.

The appointing of a committee to study the feasibility of the establishment of another Masonic Home in the northern part of the state.

The Indiana Masonic Home has been in operation for seventy years. At present it has 570 residents. By the turn of the century, Indiana Freemasonry must raise \$83,000,000 to assure the financial future of the home.

IRELAND — 1985

Most Hon. The Marquess of Donegall M.W. Grand Master

The June and December Communications were held in Dublin.

In March Grand Lodge travelled to Craigavon, Co. Armagh, and in September the meeting was held in Ballymena, Co. Antrim.

The meeting on St. John's Day was held on December 27th in the Freemasons' Hall in Dublin.

For the Grand Lodge A.F. & A.M. of Ireland, during the year 1985, the Order moved quietly and efficiently. The principal evidence of the vitality of the Order is seen in the development at Monkstown, Co. Dublin, where homes have been provided for thirty-seven people.

The Masonic Homes Limited, under the direction and guidance of Grand Lodge, speedily completed this project after the brethren had raised the amount of £100,000 for the start of the project.

The occupants come from all parts of Ireland, not just from the Dublin area. It is now planned to reappeal to the brethren of Ireland to obtain the money required to clear the debt and expand the facility.

Reports from overseas reveal the kind of trials and tribulations the Provincial Grand Lodges are facing. Governments have acted against them and some lodges have lost their places of meeting, while others are feeling the effects of sharply decreasing numbers as many leave for a new life elsewhere. In other instances, financial pressures are placing additional burdens and challenges on the brethren.

It is encouraging that, despite the complexities and difficulties, the brethren are doing their utmost to maintain and expand Irish Masonry in foreign parts of the world.

The Grand Master, in his address on St. John's Day, stated:

"I do worry about the future of many of our Brethren overseas and one can only hope and pray that in due course and in His own good time the Great Architect will take care of them."

Decisions of the Grand Lodge Board:

The Board decided that no Subordinate Lodge by-law is immutable even if the by-laws so state. The prohibition of change can be rescinded by an amendment to the by-laws following an appropriate resolution in accordance with the by-laws of the particular lodge.

The Board decided that Provincial Grand Lodges be empowered to approve changes in the by-laws of their subordinate lodges relating to alterations in fees

and dues and changes of time or day of meeting; and that these approved amendments be notified to the Grand Secretary's office.

Grand Lodge approved the following rulings and recommendations from the Grand Lodge of Instruction:

- (i) The "Regular Steps in Freemasonry" and the explanation of the steps are contained in the Third or Sublime Degree of Master Mason. They should NOT be mentioned in the First or Second Degree.
- (ii) Any elected and installed or invested Officer of a Lodge, when present at his lodge, must take his appointed place. No other Brother, including a Grand Officer, other than as provided for under Grand Lodge Law No. 51, or a Provincial Grand Officer, may take an office in a lodge if the regularly elected and installed or invested holder of that office is present at the meeting. The only exception to this is the Chair of the Lodge, which should be offered by the W.M. to any of the following should they be present: The Grand Master, the Deputy Grand Master, the Assistant Grand Master, or an Installing Officer (appointed by the W.M.); and within a Province, the Provincial Grand Master, the Provincial Deputy Grand Master or the Provincial Assistant Grand Masters.
- (iii) It is the Worshipful Master's right and his privilege to install his successor and this right should always be encouraged.
- (iv) The Tyler, who is a member of the lodge, should be allowed to enter the lodge room to record his vote for the election of a new member.

JAPAN — 1985

28th Annual Communication — March 15, 16

Grand Master M.W. Bro. Paul E. Newman presiding
Grand Master M.W. Bro. Carl L. Potts elected and installed

Lodges 21 - Membership 3,315 - Loss 78

There are 6 lodges in Japan that are not under the jurisdiction of the Grand Lodge of Japan: 1 under the Grand Lodge of England, 2 under the Grand Lodge of Scotland, 1 under the Grand Lodge of Massachusetts and 2 under the Grand Lodge of The Philippines. The first lodge to be chartered under the Grand Lodge of Japan was Far East Lodge No. 1 in 1949; the last was Wakkanai Centennial Lodge No. 21, 1967. The largest lodge has 301 members, the smallest, the last to be chartered, has 29 members.

The three degrees of Masonry have been translated into Japanese and will be used, on a trial basis, in certain lodges before the translation is finalized and printed for circulation.

The Constitution of the Grand Lodge of Japan has been amended to allow constituent lodges to convene on Sunday.

There is concern, in the Grand Body, about the decline in membership, poor attendance at meetings and the hesitation of members to participate in the work. Decline in membership has been caused by suspension for nonpayment of dues, demits and lack of petitions for degrees. Communication is the main method of correcting this problem. An informed Mason is an interested and well-attending one who will pay his dues and will not demit. Poor attendance is due to lack of interest, motivation and proper notification of meetings. The lodge meetings should be well planned so that they will be interesting and worthwhile. A telephone committee is a sure way of improving attendance.

The seriousness of these problems is shown by the large numbers of Past Masters who are serving as Wardens in the various lodges of the Grand Jurisdiction.

KANSAS — 1986

113th Annual Communication — March 21, 22

Grand Master M.W. Bro. Arris M. Johnson presiding
Grand Master M.W. Bro. Durward C. Danielson elected and installed

The Grand Master was unable to give an accurate statistical report at the Annual Communication because several of the lodges had not submitted their reports, as required by the by-laws of Grand Lodge. As a result the lodges not reporting were denied representation at the Annual Communication.

During the past year the Grand Master issued seven edicts confirming the consolidation of lodges. He stated that it is always sad to see lodges, which were providing the good things of Masonry to a community and had been for many years, reach a point where they cannot function. He granted the requests for consolidation considering that it was in the best interests of all concerned. One lodge relinquished its charter.

The Kansas Masonic Foundation Inc. sponsors a student band, "The Kansas All State High School Band." This is the third year of this highly successful activity. The ancillary benefits to Kansas Masonry are becoming increasingly evident. The young students participating in the band are returning home to their communities and families with enthusiastic reports, and a new outlook on Masonry and Masonic principles of making good people better. The first reports are coming through of young men who have been band members being raised in various lodges throughout the state.

Any Mason in Kansas who donates \$100.00 to the Kansas Masonic Foundation may wear a "C Club" pin. Those giving over \$500.00 may wear a ruby "C Club" pin and those donating over \$1,000.00 receive a special appreciation certificate.

All proceeds donated, over the cost of the band and the C Clubs, are used to maintain the "Masonic Oncology Clinic," a multidisciplinary treatment and research centre for cancer.

The Foundation also makes available a limited number of low interest loans to students to help with their university, college and technical education. At present there is an amount of \$73,000.00 in student loans outstanding.

Operation "K A N"—a program sponsored by the Grand Lodge of Kansas—works with the newly made amputees and their families so that they can continue to lead fruitful lives. The Masons who work in this program work with the amputee during the period of depression, following the amputation, which may last a few weeks, and in some cases much longer. The right person saying the right thing at the right time can help to shorten the depression period.

The Grand Lodge of Kansas is planning an \$8,000,000.00 addition to the Kansas Masonic Home Retirement Center. This project has top priority in the Grand Master's program this year. In his address, he stated: "Charity or relief is one of the tenets of our Craft. To relieve the distressed is a duty incumbent on all men, but particularly Masons who are linked together by the indissoluble chain of sincere affection. Let every Mason search his heart and respond in a spirit of loving kindness with meaningful support of our Masonic Homes."

KENTUCKY — 1985

186th Annual Communication — October 21, 22

Grand Master M.W. Bro. Harold Downard presiding
Grand Master M.W. Bro. Joseph R. Conway elected and installed

Lodges 463 - Membership 89,230 - Loss 1,554

The Grand Master, at the conclusion of his address, stated:

"The growth and prosperity of our Fraternity is in the hands of each of us. We must join together in doing everything possible to ensure the future of Freemasonry. We must move quickly to broaden our base, awaken our members, establish new goals and dedicate our time and our talents in the pursuit of a better tomorrow."

"Masonry is a way of life and each of us needs to expound upon this every day. Let us then join hands and show the world, by our level of conduct, concern for others, dedication and determination that Masonry is alive and well, growing in spirit and love—serving all. Friends, members and adversaries as well, must know that Masonry is here to stay. We have not reached our potential, our best is not in our past, our best is yet to come."

The Grand Lodge of Kentucky has authorized the formation of a nonprofit organization to be known as "The Masonic Retirement Village Incorporated." The plan is to build a retirement village and sell apartments to retired Masons, the price being based on the age of the purchaser. Sales brochures have been printed and distributed to interested Masons.

The newly installed Grand Master, in his address, stated that he planned to promote and emphasize lodge unity and communication. He said that it is up to the Masons of Kentucky to see whether they go forward, stay static or go backward.

He concluded his address with this:

"As Masons, we are unified—cemented, if you will—in a common cause. So as cement is the Masonic symbol for unity, 'Let us continue to spread the 'cement of Brotherly Love'."

LOUISIANA — 1986

175th Annual Communication — February 10, 11

Grand Master M.W. Bro. Ray W. Burgess presiding
Grand Master M.W. Bro. Clifford A. Bradley elected and installed

Lodges 285 - Membership 40,949 - Loss 819

From the Grand Master's address:

I am concerned about the future of our Fraternity. I am also concerned about lack of attendance at lodge meetings and lack of funds with which to operate Grand Lodge. We just lack enough money to finance the various functions so necessary for a viable operation.

I recommend that we establish a 'Goals and Objectives Commission' to study our problems and suggest goals and objectives for solving them. This commission should plan for the next ten or twenty years.

The Grand Master, during his term of office, visited every lodge in the jurisdiction. To overcome loss of membership he inaugurated the Sojourners Program which was to try and attract some of the 6,000 members of the Craft who now live in Louisiana to join lodges in that state. The Program has been mildly successful.

The Grand Lodge of the State of Louisiana was formed on July 11, 1812 by five active lodges in the state. Most were chartered by the Grand Lodge of Pennsylvania and were working under that Grand Lodge. Each of the lodges donated \$100.00 to defray the cost of organization. The constitution and regulations were adopted on August 15, 1812. The five lodges were numbered according to seniority. In due time, the new Grand Lodge was recognized by all others in the United States.

A special celebration had been planned to mark the 175th Anniversary at the Annual Communication to be held at Baton Rouge. These plans had to be cancelled when the sessions for the Annual Communication were moved to New Orleans. The observance of the 175th Anniversary was held at the 175th Annual Communication February 10th during the open session.

MAINE — 1986

167th Annual Communication — May 6, 7

Grand Master M.W. Bro. Peter C. Schmidt presiding
Grand Master M.W. Bro. Ernest H. Curtis elected and installed

Lodges 200 - Membership 35,976 - Loss 673

The Grand Master is concerned about the toll that inflation is taking on the expenses in Grand Lodge while, at the same time, there is an annual decrease in membership. He has recommended that the per capita tax be raised by \$2.00 per year, to take effect next year.

The Grand Lodge of Maine donated \$40,000.00 toward the restoration of the Statue of Liberty.

The Grand Master continued the practice of presiding at Master Mason degrees with his Grand Lodge Officers taking part. He also installed the officers of several lodges during his term of office.

From the Grand Lecturer:

The ritual is the foundation upon which we teach the principles, philosophy and symbolism of Ancient Craft Masonry. If we teach our candidates that being a Mason in its fullest and complete sense is to exemplify in one's dealings with mankind those virtues of charity, of kindness and of tolerance which the ritual so forcefully inculcates by precept and by symbol, then we are in the proud position of being Master Masons.

The Grand Lecturer of the Grand Lodge of Maine holds Ritualistic Schools of Instruction. This past year three such schools were held and they were well attended by the officers of the lodges. Only six of the two hundred lodges were not represented.

The programs of the meetings this year include the following topics:

- (a) Masonic Etiquette and Courtesy
- (b) Masonic Charity - The Program - The Concept
- (c) A Masonic Short Talk
 - 1. Geometry - "The 47th Problem of ..."
 - 2. "The Dew Drop Lecture"
 - 3. A Masonic Short Talk - Philosophy, Symbolism
- (d) Masonic Questions and Answers

The main goal of the Grand Lecturer is to improve the participation at these meetings.

MANITOBA — 1986

111th Annual Communication — June 16, 17

Grand Master M.W. Bro. Ronald W. Hart presiding
Grand Master M.W. Bro. Kenneth C. Turnbull elected and installed

Lodges 99 - Membership 9,573 - Loss 354

The Lodges "North of 53" at The Pas, Flin Flon, Lynn Lake and Thompson have no District Deputy Grand Master. This is the Grand Master's District. He and the Grand Secretary made their annual inspection visit in September.

There had never been a workshop held for these lodges, so in May the Grand Master returned to Thompson to help celebrate the 25th Anniversary of Mystery Lodge No. 174 and put on a Lodge of Instruction.

During the past year, the Grand Master constituted two new lodges.

The Manitoba Masonic Foundation donated to the C.N.I.B. \$24,000 for the purchase of a high-speed computerized braille printer to prepare university text books for blind students. It also donated \$17,000 to the Oncology Department of the St. Boniface Hospital for the purchase of a high-resolution camera which will be used in the treatment of cancer.

From the Grand Master's address:

"One of the distressing items that has come to the attention of the Grand Master in the past year, to an even greater degree than ever before, is the criticism by the theological hierarchy of certain denominations that Masonry is a religion unto itself; it is anti-Christian, and even regarded ... as satanic. These churches have threatened our members with excommunication and in some cases have pressured their families to have those brethren leave the Craft. The Board has therefore issued a statement concerning Freemasonry and religion, a copy of which will be made available in the form of a wallet-size card to every Mason in Manitoba for the purpose of countering our detractors.

...the Custodians, in order to achieve a better rapport between Freemasonry and the Clergy, have deleted the graveside burial service from the ceremonials. Since we are not a religion and the responsibility of the committal of a body to the grave is that of the church, we should play no more part in this function than any other member of the congregation, although it is quite permissible to wear regalia if the interment follows a Masonic service in the church or funeral parlor ...the Custodians have ruled that the only restriction to anyone who was ever a Master Mason receiving a Masonic Memorial Service, is that at the time of his demise he was expelled or suspended for unmasonic conduct.

A subject that has been discussed for years was tackled by the Custodians ... the deletion of the ancient physical penalties from the obligations ... Ten jurisdictions throughout the world no longer have these penalties in their obligations,

only the moral ones. That does not mean they are deleted from the ritual in their entirety. They are only transferred from the obligations and imparted in the secret work ... The rationale behind this change is that the hyperbole of the ancient penalties which are an exaggeration to give effective meaning to our obligations, to some are considered ludicrous and therefore detract from the rest of the obligations and to others are heinous and barbaric and have no place in an oath sworn to Almighty God with hands placed on the VOTSL ... the ancient penalties were moved. Amendments to the Work have been printed ... The District Deputies will be carrying out Lodges of Instruction. Lodges have until the end of the year to effect these revisions."

From the address of the newly installed Grand Master, M.W. Bro. Turnbull:

"My theme for this next year will be 'Leadership and Communication.' Leadership is required in many of the constituent lodges. The lodges that are in trouble could also solve many of their problems with good leadership.

By communication, I mean we must talk to the people of our communities. We must become more visible in the eyes of the public. We must continue to endeavor to shed the cloak of secrecy we have labored under for so many years. Much progress has been made in this area, but there is a great deal left to be done. Open house meetings that are well organized and properly conducted, with the approval of the Grand Master, are excellent means of communication. Press releases in local newspapers of lodge activities are highly recommended, and most important, communication with our wives, families and friends.

My theme 'Leadership and Communication' is a continuation of 'Spread the Word,' 'Onward and Upward,' 'Improving Freemasonry's Image,' and many others."

MEXICO (YORK) — 1986

124th Annual Communication — March 7, 8

Grand Master M.W. Bro. Hans W. Asmus presiding
Grand Master M.W. Bro. Enrique J. Gomez elected and installed

During the past year the York Grand Lodge of Mexico had a net loss in membership of 31.

The Grand Master, in his address, said a special prayer for the victims of the recent earthquake.

The York Grand Lodge of Mexico has received donations from other Grand Lodges in aid of the earthquake victims. This money has been turned over to the Salvation Army and the Mexican-British Friendship Group. These two organizations are using the money to purchase land, a building and machines to make building blocks of concrete. These blocks are supplied at cost. They are also constructing schools and clinics.

The Grand Master, in his address, stated:

"I am glad to express my conviction that we need not fear the future. We have brethren of the highest moral and human standing. We only need some more of this same quality, preferably younger people ... We do not need quantity but quality. It is obvious also that the quality has to be in sufficient numbers ...

I am neither pessimistic, nor too optimistic. We should always try to be realistic.

The human, moral and masonic quality I found in all lodges I visited can be judged as from good to excellent. But we also have to face reality. Quality alone does not make it. To a certain extent we also need quantity. There is no easy answer to this problem ...

It is not enough ... in investigating the petitioner to take the negative approach and say that because we find nothing wrong with a man he is then qualified to join our ranks. Rather, we should ask ourselves: What will this petitioner contribute to our Fraternity? If the answer is NOTHING, then he is not the kind of a man that Masonry needs."

Recommendations of the Grand Master:

The elected officers of the Grand Lodge should read the proceedings of the past 19 years. Their study is very useful.

Every member of Grand Lodge should ask himself **WHAT HE CAN DO FOR MASONRY** and not what he can get from it.

The formation of Spanish-speaking lodges is elemental. Some English-speaking lodges should seriously consider becoming bilingual or creating additional Spanish alternatives.

Open meetings should be created habitually, at least once or twice a year. Potential candidates should be invited to them, preferably with their ladies. Really interesting talks by distinguished Masons or profanes should be given. Literature for distribution should be available. "What I would like my friends to know about Freemasonry," or similar.

Special attention should be given to our youngest members. They should feel at home in our lodges.

The line-up of officers should NOT be considered as something automatic, neither in Grand Lodge nor in the constituent lodges. "Going up" should be based on merit only.

Lodges should start to go public with charitable projects so that they get to be known. How many people still today have a completely wrong image of Masonry.

If a brother is sick or does not show up in lodge for other reasons, he should be called or visited by his Worshipful Master or another officer to transmit to him

the feeling that we care about him, that he indeed belongs to us as we do to him. We are all equals. Your Grand Master is just to serve, not to be served. This applies also the same at the lodge level.

MICHIGAN - 1986

160th Annual Communication - May 28, 29

Grand Master M.W. Bro. Richard H. Sands presiding
Grand Master M.W. Bro. Ernest Hoffman Jr. elected and installed

Lodges 476 - Membership 100,503 - Loss 3,780

The Grand Master, M.W. Bro. Sands, during the past year, has written to all newly made Masons congratulating them and given them copies of Joseph Fort Newton's "The Builders" and Hayward's "An Introduction to Freemasonry".

The Grand Lodge has available enameled signs 18" x 30" showing the Square and Compasses which are suitable for erection at the entrances of cities, towns and villages. Some lodges have already purchased the signs and have erected them along with the date and location of the lodge meeting.

Meetings have been held, called "Unity Meetings," with the top two officers of the Craft Lodge, the York Rite, and the Deputy for Michigan of the A.A.S.R. to promote unity among the Masonic Bodies and to address problems of mutual interest. These meetings are held quarterly.

Some areas of common concern are: Public Relations, Leadership Training, Coordinated Calendars and Mutual Support.

The Grand Master, in his address, recommended the continuation of "Operation Uplift." This program has been designed to improve Freemasonry in the State. It is multifaceted in that it involves the Grand Lodge, the constituent lodges and the members. The program continues to improve the practice of the tenets of Brotherly Love, Relief and Truth amongst the members and the community. Only by the giving freely of oneself can one's resources be realized and a person learn the values which make for true happiness.

He also recommended that a campaign be mounted to raise \$3,000,000 to endow the Masonic Foundation of Michigan. The foundation is central in the revitalization of Freemasonry in the community. Charity is a necessary part of Freemasonry. The Masonic Foundation of Michigan encourages charitable activities among the lodges in assisting individuals in the communities. In such capacity it is a very positive influence on the lodges. The charitable actions are the best public relations effort which the lodges can institute.

The Grand Master also recommended that an increased effort be made to educate and train the newly made Masons and the Lodge Officers. An experimental program, a program of Masonic Information, is now being used among

the lodges of one district. Such a program is bound to produce more active and interested Masons and Lodge Officers who are better able to lead their lodges by being better informed, more active and provide higher quality programming.

The Grand Master is concerned about Grand Lodge's inability to better monitor and assist the constituent lodges. He has recommended that a review be made of the Grand Lodge administrative system and that in this review be included a study of the District Deputy Grand Master system used in sister jurisdictions.

The Grand Master also recommended that each dues-paying member of a lodge be assessed three dollars and fifty cents (a penny-a-day) for the next three years as an assessment to go to the endowment fund of the Masonic Foundation of Michigan. This is in addition to the fund-raising effort to raise \$3,000,000 for the foundation.

The Orphans Relief and Educational Committee granted five scholarships. Each scholarship was in the amount of \$5,000.00 of which \$600.00 was contributed by the sponsoring lodge. These scholarships are paid directly to the educational institution.

A Masonic Correspondence Course has been introduced and has been an outstanding success. Cost of the course is \$15.00.

A new Michigan Masonic Manual has been produced. It contains the following contents: Duties of Lodge Officers, Conducting the Business of the Lodge, Guide to the Bluebook, Charge to the Brethren, Masonic Prayers, Lodge Finances, Lodge Programming, Designs for Progress, Committees, Leadership Training, Lodge System of Education, Intender Program, Educational Resources, Sympathy and Honour for Widows, Mason of the Year, Masonic Films and Plays.

MINNESOTA — 1986

133rd Annual Communication — April 3, 4

Grand Master M.W. Bro. Donald J. Flood presiding
Grand Master M.W. Bro. Donald W. Sether elected and installed

Lodges 233 - Membership 41,048 - Loss 2,486

From the Grand Master's address:

"My brethren, our numbers are steadily dwindling, not only here in Minnesota, but virtually in all jurisdictions. There have been many suggestions and innovations that have been implemented that are supposed to help curb these losses and to make Masonry more attractive to those who might seek to join us, such as changing of the Ritual to satisfy the objections of those who know nothing of our methods of teaching the profound lessons of Masonry, and care nothing of our traditions. Statistics show that these changes have had little, if any, ef-

fect on membership. We must not detract from the dignity of the Craft by lowering our standards or waiving the requirements of membership. We must not fall victim to the 'numbers game,' but remain true to the time-honored admonition of 'seek and ye shall find, ask and ye shall receive, knock and it will be opened unto you.' "

"My brethren, we are proud of our tradition and we affirm our allegiance to those principles which have given character and stability to the Freemasonry of our inheritance. Certainly there is no place in the world where the priceless privileges of liberty and freedom should be more treasured than here in the United States. It was a hunger for those privileges that brought our forefathers to this land of justice, liberty and equality."

Minnesota Masons operate the Masonic Cancer Center located at the University of Minnesota where, for 25 years, treatment of cancer victims and research for a cure for cancer has been carried out. It cost approximately \$175,000 to carry out the operation of this facility for 1985. The projected budget for 1986 is in excess of \$230,000. All the Masonic Bodies and Appendant Bodies give significant contributions to the Cancer Center in both money and time.

The sum of \$50,000.00 has been earmarked from the Grand Lodge Benevolence Fund for the purpose of making loans to qualified lodges for major repairs to Masonic Temples. A lodge may make application for a loan not exceeding \$5,000.00 at an interest rate not exceeding the prime rate at the time of application, to be repaid to Grand Lodge over a period not exceeding ten years, providing for an annual payment of not less than the accrued interest due.

From the Grand Orator's address:

"Freemasonry is not a secret society. It is not an insurance or beneficial society. It is not organized for profit. It is not a charitable institution, although it does assist its members by many ways through times of hardship.

While it is not a religion or religious organization, Freemasonry does teach the 'Golden Rule.' It seeks to make good men better through its firm belief in the Fatherhood of God, the Brotherhood of man and the immortality of the soul.

Masonry has no creed, no priesthood and no plan for salvation. Neither is it an offspring of any church, ancient or modern. It espouses none of them nor is it subservient to any. While Masonry does require a belief in a Supreme Being, each Mason worships in his own fashion according to his religious faith, whether he be Christian, Jew, Protestant, Roman Catholic, Buddhist or Hindu.

We are then, men of lawful age, mentally sound, professing a trust in God, of broad experience and from varied backgrounds. We pursue the light which symbolizes humility, brotherly love, relief and truth and which embraces and underlines all that is good in every society.

By purpose we must be a humble organization and by practice we must be unselfish and desirous of service without hope of fee or regard or recognition ...

A Masonic writer said: 'A Mason must always aspire for the highest and best in life. If he settles for anything less, he has lost the spark, the fire and the motivation of a Master Craftsman.' "

MISSISSIPPI — 1986

168th Annual Communication — February 10, 11, 12

Grand Master M.W. Bro. Marion R. Turner presiding
Grand Master M.W. Bro. Delmas Burch elected and installed

Lodges 302 - Membership 43,286 - Loss 746

The Grand Master concluded his address with these words:

"Brethren, let me urge each of you to continue supporting Freemasonry in every way you can. Speak out on every occasion and at every opportunity as to the good ... things for which this Fraternity stands, but more importantly, endeavor to live the Principles and Teachings of Masonry each day ... I pray that each Mason will work harder and longer. This year, let's make things happen! What a privilege it is to be an active Mason!"

From the report of the Education Committee:

(a) For the first time in history, people over 65 outnumber teenagers. By the year 2025, there will be a ratio of 2 to 1. The markets of America will be shifting from the young to the old.

(b) From the Masonic point of view, we must necessarily take into consideration how this shifting of age balance will affect our fraternity. The evidence of the predicted change will appear rapidly.

(c) The curve of American Masonic membership has been trending downward for the past twenty years. These were the years of Viet Nam, hard rock and hard drugs. We have lost an entire generation insofar as candidates for Freemasonry are concerned.

(d) The increasing longevity of the over 65 Americans together with the dearth of petitions from men of eligible age, causes the average Masonic lodge to be a society of aging men. If the birth rate of the nation continues to decline, the number of younger men who should be potential candidates for Masonry will be substantially reduced two decades from now.

(e) Masonry cannot pretend that everything is as it was forty years ago. The time has come when we must acknowledge facts and determine what we can, with dignity and good sense, do about it.

From the report of the Grand Orator:

"Masons can be divided into three classes. The first are those who made application for initiation not from a desire for knowledge, but from some accidental

motive, not always honorable. Some men may have applied to facilitate their business operation, or to advance their political prospects. These members are as dead trees having no promise of fruit.

The second class is opposite to the first. It is made up of men who make their application, being prompted, as the ritual requires, 'by a favorable opinion conceived of the institution and a desire of knowledge' ... They obtain Masonic books; they read Masonic periodicals, and they converse with well-informed Brethren. They make themselves acquainted with the history of the association ... Such Masons are always useful and honorable members of the Order, and very frequently they become its shining lights.

The third class consists of Masons who joined with unobjectionable motives and with perhaps the best of intentions, but they have failed to carry these intentions into effect ... They never read a Masonic book. They say they have no time to read or that their business keeps them too busy. They have no thirst for knowledge, but a great thirst for office ... These men do great injury to Masonry. They set a bad example to the younger Masons ...

...When a candidate enters the field of Masonry, he should feel that there is something in it better than its mere grips and signs and that he should endeavor with all his ability to attain some knowledge of that better thing ..."

The Grand Master, in his address, commented on anti-Masonry:

"In recent months media reports have been circulated describing criticism of our Fraternity in certain church circles. These attacks are largely devoted to a repetition of outworn, uninformed and distorted views which have been circulating intermittently for decades.

The simple fact to remember is that Masonry is a fraternity. Though it is religious, it is not a religion. It offers no salvation, teaches no theology and imposes no creed.

The Fraternity seeks good men—humble men who put their trust in God, their Creator. Throughout its illustrious history Masonry has attracted and continues to attract many prominent clergymen and lay readers. Each of them has been free to apply our fraternal symbolism and ceremonies to his own faith and creed according to the dictates of his conscience.

Masonry has never undertaken to drive a wedge between any man and his church. Entry into the Fraternity continues to depend upon the voluntary act of the petitioner.

In my judgement the best antidote for anti-Masonic poison is a liberal dose of Masonry in action. Let us continue to do good unto all. Let us be generous and forgiving in our judgement. And may we never stoop to indulging in bigoted criticism of any man's religion.

Remember that God is Love. Let our response to ill-informed and intemperate criticism be characterized by unswerving devotion to those Masonic principles which are designed to help bring about peace, justice and truth.

In short, may our actions reflect our obedience to Him in whom we profess our trust."

From the report of the Public Relations Committee:

(a) Masons went to the home of an aged brother who had been a member of the Masonic Fraternity for more than 50 years. He and his wife had been hospitalized and as a result could not do the things that were necessary around the home. A number of Masons did spring cleaning, removed trash and other items from the basement, and overall did a total housecleaning job. Upon completing the task they left with tearful, heartfelt thanks of the couple.

(b) An elderly widow who could no longer do the necessary chores around her house was grateful when a group of Masons cut brush, pruned trees, removed diseased trees, mowed the grass, trimmed the shrubbery and removed vines from the garage and roof.

(c) A number of Masons raised \$1,200 through clothing donations and presented this sum to the Salvation Army for its rehabilitation program.

(d) A Masonic lodge in a rural community held a ham-and-bean dinner and thereby raised \$657 which was donated to a sick teen-age boy to assist in his medical bills.

(e) Lodge members in a small town donated their labor in helping to reroof a senior citizen complex. The dollar value of the labor was recognized as \$1,100.

(f) Two country lodges combined their efforts, provided the brushes and paint, and painted both the City Hall and Fire Station in a small Missouri town.

(g) A rural Missouri lodge contributed both labor and material in readying a public baseball field so that the children in the town could participate in a summer sports program.

(h) A lodge took charge of a food concession at a horse show and donated the proceeds of \$850 to a home for the handicapped.

These are but a few of the efforts involving Masonic service among the Masons of Missouri. Masonry in Action.

Grand Master M.W. Bro. Valdo A. Sei presiding
Grand Master M.W. Bro. G. William Casteel elected and installed

Lodges 40 plus one U.D. - Membership 7,577 - Gain 6

The Grand Master, in his address, commented on the small increase in membership, but he stated that the changing trends in the country's economy had been reflected in the fraternity.

"Business closures, mergers, consolidations and foreign imports have resulted in an unstable period of adjustment... many of our Brothers have been affected by loss of employment, transfer, and relocation to seek employment. Many of these Brothers were actively participating in our lodges as officers and members. We must address this matter as it will affect the categories of suspensions N.P.D., voluntary withdrawal from the fraternity and retard growth in membership."

The Grand Lodge of Nevada has made an attempt to cut down on the number of suspensions for N.P.D. Lodges are urged to send to the Grand Secretary the names of those members who are in danger of suspension for N.P.D. Last year fourteen lodges responded with lists to the Grand Secretary, who sent letters to these members—58 in all. Of these brethren, 16 paid their dues, 3 demitted for good reasons, and the others failed to respond and were suspended by their lodges.

The Governor of Nevada, a Master Mason, in his address to Grand Lodge, stated: "We have an opportunity...to perpetuate our Craft and all the good things that it does, by using the same basic appeal that brought you and me into the Craft. I think it has the same basic appeal to today's younger generation. If we are able to make that appeal sufficiently attractive so that with all the competition for the time of younger men who would be worthy of our organization, we are going to be successful in perpetuating the Craft and the good work that it does. And it does so much for each of us. Whatever pursuits you follow, there comes a time...when you are reflective. You want that association and fellowship and camaraderie that the Masonic Craft offers to each of us.

...family contacts and associations are extremely important. But there is something beyond the family, something that reaches out in the community that Freemasonry taps...it taps into...each of us who have chosen the Masonic Fraternity and to work in any of its bodies and to do the kinds of things and the challenges we face...500 years from now, that those values that have stood us in good stead over many centuries, are still going to be a central theme of what the good life is all about, and what each of us in his individual way...strives to achieve. There are young men out there...who would be great candidates for this Craft, and who have much to contribute, just as so many of you have to contribute." See that your example in life will bring them in.

NEW BRUNSWICK — 1986

119th Annual Communication — May 9, 10

Grand Master M.W. Bro. J. William Murray presiding

Lodges 51 - Membership 7,196 - Loss 96

The Grand Master, in his address, stated that he would like to see the Grand Lodge of New Brunswick establish a Masonic Foundation. The purpose of such a foundation would be to receive contributions from the brethren and others and the money used for other than benevolent purposes.

He also suggested that consideration be given to the formation of a Mentor's Instruction Program. A program designed to give new Masons a better grounding in the philosophy of our great fraternity and also explain more fully the degrees and history of Freemasonry. This would help to broaden the base of the Masonic Education Program that is presently in operation.

He also recommended that a computer be acquired for the use of the Grand Lodge.

The Grand Master concluded his remarks with the following:

"Now let me conclude with these thoughts. Less than 14 years from now we enter a new century. What we do now, and how we do it may well determine our status as a Grand Lodge in 2000. I ask each of you to look toward tomorrow and the year ahead with a positive attitude for Masonic progress in this jurisdiction. If each of us returns to our lodge, determined to make things better, things will happen. The enthusiasm you generate among your lodge members is bound to have its effect on all our fraternity. But it must start with you. For if we do nothing, we dig the rut of complacency deeper and we soon will disappear.

Don't confine your meetings to just business and degrees. Develop programs that will reach out and involve your members.

Make your meetings so interesting, that the members and visitors will be anxious to attend.

The future starts tomorrow, and so quickly it becomes the past. Let us always practise what we teach, Brotherly Love, Relief and Truth and if we do this ... our image, our stature, our future will be enhanced.

Let's get serious about Freemasonry ... let's get back to the basics and above all **BE PROUD TO BE A MASON!**"

The Masonic Education Committee has been very active.

A booklet entitled "More Light on Freemasonry" has been edited and published. A copy of this booklet will be sent to each lodge with every constitution ordered from the Grand Secretary and is to be given to each Master Mason when he has completed his third degree. Additional copies may be obtained on request from the Grand Secretary at no cost.

Each District Deputy Grand Master has been given a VHS and a beta format video tape. These tapes have items which may be of interest to the lodges on educational and information nights. Each article is approximately 20 minutes in length and they will be added to as new information becomes available.

The committee has distributed to the lodges various articles which are to be used by the Masters as educational and reference material. This material is to be kept in a binder or file for use when required. This practice of sending material to the lodges will continue in the future because the committee found that many of the lodges were lacking in material to use for educational purposes.

The committee has purchased 40 audio cassettes and will have Masonic music recorded on them. This will enable lodges, which are not fortunate enough to have a piano or organ or a brother with the talent to play them, to have music available when they need it.

The committee believes that the aims of Grand Lodge can best be served by providing the lodges with material in small packages and then the lodges become responsible for the Masonic Education of their members. This will enable the committee to become a resource base for all lodges and not just someone to turn to when Masonic Education is required.

Of the 51 lodges in the jurisdiction of the Grand Lodge of New Brunswick, 13 showed an increase in membership, 31 showed a loss in membership and 7 showed no change in membership during the past year.

At the Semiannual Communication held November 16, 1985, it was announced that the restoration of the William Pitt Tavern, the birthplace of the Grand Lodge of New Hampshire, will soon begin at a cost of \$600,000.

The Grand Lodge of New Hampshire has adopted the Solomon II Program, a program originated by the Grand Lodge of Pennsylvania. This program has been revised to fit the needs of the Grand Lodge of New Hampshire.

It is hoped that this program will enhance the membership as well as rebuild the lodges in terms of program, ritual and Masonic pride.

This program is being put into effect because, as the Chairman of the Committee commented: "All of this presupposes one factor, however, that we **do** care

enough; that we **are** concerned enough for the future of Freemasonry in New Hampshire to expend the effort required to ensure its healthy survival. Well, I am firmly convinced that such is the case, and that every Brother will do his utmost."

It is planned that every brother will receive the Solomon II briefing because every brother must do his part in the program of membership retention and renewal to ensure its success.

The Grand Lodge of New Hampshire is planning for its Bicentennial in 1989. A committee has been formed and it has planned that the Solomon II project of rebuilding membership will come to a successful conclusion on July 8, 1989 when all 80 constituent lodges will participate in special activities at the William Pitt Tavern in Portsmouth.

Each year, in each district of the Grand Jurisdiction, a Lodge of Instruction is held. These Lodges of Instruction are attended by all members of the Grand Lodge. There is usually a dinner preceding the opening of lodge. After the lodge is opened and the formalities are over, the lodge is turned over to the District Deputy Grand Master who is in charge of the formal part of the program. Various topics are put forward. This is done in the form of skits, speeches, question and answer periods, general discussions.

Some topics presented and discussed are: Balloting, Masonic Bulletins, Presentation of the Flag, Brotherhood Nights, Discussion between Masons and non-Masons, The Examining Committee, The Three Great Lights of Masonry, Asking a Visitor to lodge, etc.

Lodges that do not attend these District Lodges of Instruction or those who do not have the proper officers in attendance, the Worshipful Master is contacted by the District Deputy Grand Master and informed that he must contact the Grand Master within seven days and explain why none of the required officers had attended the Lodge of Instruction.

The New Hampshire Freemason, a new publication of the Grand Lodge of New Hampshire, will be published quarterly. It is to be circulated, for reading, into the household of every Mason. It is designed and intends to publish articles of interest for the wives, children and friends, as well as articles of interest to all Masons. Its objectives include the providing of stimulating articles and notices of important events.

By virtue of his office, the Grand Master is the Worshipful Master of William Pitt Lodge No. 1789. The Deputy Grand Master is the Senior Warden and the Grand Senior Warden is the Junior Warden and the Grand Junior Warden is the Secretary.

There was a Special Communication at the William Pitt Tavern, Strawberry Banke, Portsmouth, New Hampshire on May 3rd for the purpose of a Ground Breaking Ceremony. This was to start the restoration of this tavern, which was the birthplace of the Grand Lodge of New Hampshire.

During the past year, three special communications were held; one for the purpose of installing the Grand Tyler, one for the purpose of laying the cornerstone of a new Masonic Temple and one for the purpose of dedicating a new addition to a Masonic Temple.

The Grand Master, in his address, stated that he was concerned about the attendance at lodges. In a survey conducted, it showed that the percentage attendance at rural lodges was higher than in the larger urban lodges. He stated that the attendance problem could be solved by a stronger and more forceful leadership program.

He was also concerned about the loss of membership, but, he stated:

"...I found that throughout the state, Masonry and the tenets of Freemasonry were on the rise. The brethren are looking for a solid foundation upon which to base their daily lives. Numerous questions have been asked...the attacks on Masonry by various religious groups, TV. and other sources. Our ritual, tenets and teachings have stood the test of time and are as meaningful and beautiful today as they were in the past. If we teach them to each new candidate, and more importantly, if we will live these teachings in our daily lives and in our association with the outside world, Masonry will grow and flourish. The best answer we can give to our critics is for us to live and practise Masonry every day ... Brethren, we are losing several of these young men because we as older Masons are not willing to let them make decisions and run the lodges. There is nothing more discouraging to a young man, than to be constantly criticised and to have people say 'we can't do that. It has never been done before or we have been doing it this way for fifty years and we can't change now' ... Sometimes we have been doing it wrong for fifty years. These young men are not trying to change Masonry. They merely want to bring Masonry and their lives more closely together. Let's put these young men to work ... Let's give them a chance."

Special Communications — July 25, 1984 and March 7, 1985

There is a lodge in New South Wales that is called the "Lodge of No Steps." The meetings are held during the day to enable those brethren who are unable to attend evening meetings and/or who are unable to climb stairs.

In one lodge, on a special night - a "Father and Son Night" - a father, son and grandson occupied the principal chairs of the lodge.

The Grand Lodge of New South Wales has undertaken to construct a gateway to the New Cataract Scout Park, a site donated to the scout movement by the New South Wales Government. This was the site of the 1985 Scout Jamboree. The cost of the gateway was approximately \$15,000.00 and was dedicated on July 6th, 1985.

At present, the Grand Lodge of New South Wales is carrying out a program of revision of the ritual; not for the purpose of altering the age-old and impressive wording of the ceremonial, but rather to make provision in the ritual for basic instructions which should lead to a proper and better understanding by all brethren how the degrees and other Masonic ceremonies should be carried out.

During the past two years, the Grand Master has implemented a program by which he made a special effort to meet and speak to representatives of every lodge in the jurisdiction. He was mindful of the magnitude of the task, but he was convinced that he would try to take a personal message to the brethren of every lodge. To bring to them a message of essential enthusiasm in our Masonic work and to explain and discuss with them the need for greater efficiency in conducting lodge meetings. His agenda at these gatherings provided ample opportunity for the brethren to ask questions and seek any guidance they required. The Grand Master was glad to report that his plan had been achieved and the brethren now had a better understanding in such matters as efficiency in the conducting of a lodge; starting on time; proper Masonic procedures; punctuality; public relations; proper dress and many other items.

Since its inception in 1960, the Masonic Temples Board has been active in encouraging and in assisting Masonic property owners in the jurisdiction to improve the image of Freemasonry in New South Wales by upgrading and maintaining Masonic property in good condition. During the past year, the Board had considered many loan advances for a variety of purposes—new building, renovations, provision or upgrading heating and cooling facilities, improvements and addition to existing properties, carpeting and occasional maintenance. The Board granted approvals amounting to \$238,100.00.

The Grand Master concluded his final address as Grand Master with these words:

"...The destiny of the Craft is in the hands of Masons like you and me ... I express the hope that there will be a continuing and combined effort towards the proper promotion of Freemasonry in this jurisdiction; the removal of so much misunderstanding that has existed in the past, and that, by success achieved, we will be able to enjoy the inward satisfaction of a job well done, and that Freemasonry, like our beautiful Waratah—the flowering symbol of Australian beauty—will progress and blossom with its fullness of colour."

NEW ZEALAND — 1985

96th Annual Communication — November 27

Grand Master M.W. Bro. Raymond J. Duncan presiding

Lodges 417 - Membership 33,076 - Loss 932

The Board of General Purposes of the Grand Lodge of New Zealand gave the sum of \$1,500.00 to four research lodges to aid in the work that they were doing in the dissemination of Masonic Knowledge.

The Masons of New Zealand are concerned about the loss in membership, which is larger this year than last. The Board of General Purposes urged the Masters of all lodges to not only develop a fraternal care program in respect of present members who may resign for what they feel is a lack of concern towards them but, also, to show in the life of their lodge that the Craft is alive and well. That the Craft is something to be proud of and something worthwhile joining. The Provincial Grand Masters were urged to use the Controller of the Mentor Scheme; where he has been used, the results have been encouraging.

The Grand Lodge of New Zealand maintains a Chair of Geriatrics at the North Shore Hospital. It cost, last year, \$92,000 to maintain this service and all of this money was donated by the Masons of New Zealand. The unit is set up in this particular hospital because it has the most number of permanent geriatric beds than any other hospital and also it has the necessary rooms for administration and research.

From the Grand Master's address:

"And so we have Masonic drop-outs. However, we must bear in mind that today, as never before, there are so many interests and activities claiming the attention and time of our members. If we are to decrease the drop-out rate and keep them attending we must convince them that we have something of value for them, something that will interest them. If they attend a few meetings and find them uninteresting and offering little in real fellowship then they are most likely to stop coming.

We also read of demonstrations and protests, home rebellions, juvenile delinquency and drug taking. ...Even an elite institution such as Freemasonry suffers a backlash from this state of affairs...we do not have Masonic delinquency, we do have our failures. One of the most puzzling is the number of resignations we receive from men who have paid a large sum of money to join and have been judged desirable members by proposer, seconder, board of inquiry and the lodge itself. They have also been paid the compliment of having had three evenings devoted in their honour and yet they have vanished from the Masonic scene after a very short time.

We, as rulers in the Craft, and this includes you Worshipful Masters, must assume responsibility for we must recognise that upon us lies the responsibility of

directing the affairs of our Order. We are undoubtedly accountable for its imperfections and its shortcomings...Freemasonry...was never intended for the masses. Rather it is a selective organisation, having as its aims and purposes the well-rounded development of selected individuals...our problems come down to one important thing—Leadership, leadership at all levels...‘How often we sigh for opportunities of doing good whilst we neglect the openings of providence in little things which frequently lead to the accomplishment of most important usefulness.’

Dr. Johnson, the famous English poet, critic and moralist, used to say: ‘He who waits to do a great deal of good at once will never do any. Good is done by degrees. However small in proportions the benefits which follow individual attempts to do good, a great deal may thus be accomplished by perseverance, even in the midst of discouragements and disappointments.’

In our work in the Craft and for the Craft, this is an injunction we should all remember.”

During his term of office, the Grand Master appointed two committees:

One to inquire and determine, by examining the Grand Lodges of other jurisdictions, the extent of services required for the proper administration of a Grand Lodge and the promotion of the principles of the Fraternity in the jurisdiction; also to examine the scope of operation of Grand Lodge and the duties of the staff; also to examine the sources of revenue and the cost of implementing any changes and to report to the Grand Master any changes it deems necessary.

Another committee, to ascertain if the Grand Lodge ever had a banner or standard, and, if not, to suggest a design for a banner and the cost of making the banner.

The Board of Masonic Education, in its annual report, recommended: (1) that the Grand Lodge invite the publishers of Masonic books and educational material to display their wares at the Annual Communication; (2) that lodges consider a delay of two or three months between degrees, to provide time for a candidate to assimilate the meaning and import of the lessons taught in the previous degree; (3) a two-year term for District Deputy Grand Masters.

The Nova Scotia Freemason's Home at Windsor has, at present, fifty-five senior citizens. Their ages range from 75 to 100. Lodges throughout the jurisdiction give gifts and visit the home and provide entertainment for the guests. The Order of the Eastern Star gives a generous donation to the home each year, which contributes towards more comfortable and better working conditions for the guests and staff.

In 1984, the home celebrated its 75th Anniversary.

Many of the lodges of the Grand Lodge F. & A.M. of Ohio received dispensation to have Masonic Information and Hospitality Booths at County Fairs. According to the Grand Master, they were very successful and gave favorable publicity for Freemasonry.

One lodge had asked for and was granted permission, by dispensation, to have its Masonic Temple included in the annual tour of historical places held every year in its community. Over 300 persons toured the Temple.

These actions demonstrate that visibility for Freemasonry brings results and it endeavors to remove the aura of mystery that surrounds Freemasonry in the eyes of some of the general public.

During the past year, the Grand Master conducted many ceremonies of reconsecration of lodges.

The Grand Master recommended that the Grand Lodge of Ohio should have a publication which would be mailed to every Mason in Ohio every quarter. This would keep the brethren informed about the needs, programs and goals of Ohio Freemasonry. Communication is one of the keystones of successful organization.

A perfect example of Freemasonry was shown after the tornado of May 31st, 1985. The Masons of Ohio assisted the victims with both financial and physical aid. All of the \$70,000 collected was given to the victims and many Masons aided in the clearing away of debris and damage caused by the storm.

It should not take a disaster to get us to help our fellow men. We should do it whenever we can so the outside world can see that we care about the needs of others as well as our own brethren. This is a way to be visible and shows our concern for the whole community.

During the past year the number of lodges under the jurisdiction of the Grand Lodge of Pennsylvania decreased by eleven, ten by mergers and one by surrendering of its charter.

At an Extra Communication on June 5th, the Grand Master made three Masons At Sight. Henry Cooper, the artist who does the portraits for Grand Lodge and Michael Nye and Robert W. Bair who are both very active in DeMolay. At an Extra Communication held on December 14th, the Grand Master made a Mason At Sight. John Hoffman, the architect of the building which houses the William A. Carpenter Chapel at Elizabethtown, Pa.

The Officers of the Grand Lodge of Pennsylvania, with the concurrence of the members of the Grand Lodge Committee on Finance, have agreed to create a "Disaster Relief Fund" to address the needs of the Members of Blue Lodges, Temple and Hall Associations, and others who had suffered losses as a result of the storms and tornadoes that swept through the several counties of Pennsylvania on Friday evening, May 31st, 1985.

The R.W. Grand Master was given the discretion to approve loans up to \$5,000.00 with the first four years at no interest and at 6% per annum thereafter on the balance.

The Grand Lodge adopted the following resolution regarding fees for initiation and admission to membership:

The fees for initiation and admission to membership shall not be less than the sum of \$175.00, of which \$25.00 must be placed in the Permanent Fund of the lodge. In the event the lodge does not have a Permanent Fund, one must be created by the amendment of the lodge's Bylaws. Any amount in excess of the minimum fee for initiation and admission to membership shall be such as each lodge ordains for itself, subject to the approval of Grand Lodge.

The Grand Lodge of Pennsylvania has been selected by the Conference of Grand Masters of Masons in North America to conduct a pilot program concerning the prevention of drug and alcohol abuse among children.

The Grand Lodge has set up the "Pennsylvania Foundation for the Prevention of Drug and Alcohol Abuse Among Children" and has funded it with the sum of \$5,000,000. It is anticipated, based on the success to date, that this may be-

come a national model. Their partners in this endeavor includes the Pennsylvania Departments of Education and Health. Their slogan is "Masons Care For Children."

At the quarterly meeting, held on December 4th, Bro. Carl W. Stenberg was elected Right Worshipful Grand Master.

He was installed into office at the Annual Communication on December 27th, held in the Masonic Temple in Pittsburgh, Pennsylvania.

In his inaugural address, he outlined his plans for the Grand Lodge of Pennsylvania:

"Never in the history of mankind have the principles and ideals of Masonry been so important, yet we have been subject to public criticism and even indifference among our members. If Masonry is to exist in the 21st century, we must become an aggressive and vital force to the people of this nation. How do we do this? Masons must believe in and be faithful to the principles of Freemasonry, be visible and aid their fellow man. You will determine the role and scope of Masonry in the 21st century.

I have identified two major long-term projects which will address these concerns:

- (1) drug and alcohol abuse among children
- (2) expansion of Solomon II

I encourage family activities and interesting member programs. I encourage community prominence through high visibility service programs. I encourage the Worshipful Masters to create an atmosphere of comradeship and to involve all members in lodge activities.

I encourage each individual Mason to reflect on our fraternal philosophies and to consider how they integrate these ideals into the conduct of their daily lives. We must be Masons every day, all the time...not just in lodge."

During the past year, the Grand Lodge of F. & A.M. of the Philippines constituted nine new lodges.

From the Grand Master's address:

"Masonic Education is the centrepiece of our program. The beauty of Masonry lies in its lessons. These lessons are hidden in the allegories and symbols. They have to be discovered slowly, scrupulously. Only upon their progressive perception can one appreciate the distinctness of the Fraternity. And above all, it is only by practising out of the lodge those great moral virtues taught in it can we really deserve the honor of being called Masons.

Let us face it. The elder members of the Craft decry that some of our newcomers are not the best materials from the quarry. The observation hurts for truth hurts. We have opened our tyled doors to some who are not worthy and duly prepared. But we cannot just fold our hands and despair. We have to arrest the backsliding."

During the past year, the Grand Lodge initiated the following special projects.

- (1) The organization of the Grand Guild of Past Masters.
- (2) A special committee to choose the appropriate music for various rites and ceremonies.
- (3) A special committee to compose an official hymn for the Grand Lodge.
- (4) A special committee to examine the Philipino translation of the ritual.

The Grand Master issued the following edict:

Every brother is required to attend at least three stated meetings each year. Any unjustified failure to comply would warrant the Worshipful Master of the lodge to summon him to find out if the brother has any problem which would prevent him from attending lodge meetings and try to get him to attend. If there is a refusal to attend the brother would be penalized.

From the report of the Grand Lecturer:

"In our travels from one district to another we are indeed struck with unanimity of thought that the necessity of Masonic Education and Lodges of Instruction must be a continuing program, year after year because of the structural nature of our Districts and Lodges, where generally sets of officers change every year...continuing Masonic Education will give added thrust and impetus to the Fraternity.

...It is not right for a Lodge to admit a petitioner and accept his fees and dues and give him a certificate of membership which would allow him to wear...Masonic emblems of the Fraternity of which he knows very little...except for the prestige of those emblems showing in several parts of his body and clothing."

The newly installed Grand Master, M.W. Bro. Guerzon chose as his theme: "Today's Discipline, Tomorrow's Masons"—and he adopted as his slogan "Masonry through the best of men, the best of men through Masonry."

The Grand Master stated:

"For this Masonic year, our emphasis shall be a return to the basics. We would like to go back to the old days when to be a Mason was equated with being a respected man in the community, a leader of men in his own right, a pillar of morality and exemplary conduct. Many of us tend to cast aside our Masonic identification for the more mundane pursuit of wealth and fame and power and glory... Let us show to all and sundry that, more than ever before, the moral values that Masonry enjoins us to possess and to practise are very relevant to these times of crises. Let us stick strictly to Masonic tenets which are the touchstones of our Craft, let us live up to the expectations of our forebears by putting into practice in our daily living our interpretations of the lessons we have learned from the rituals of our Fraternity... We Masons are quietly an explosive force in society; in pursuit of Masonic objectives of truth, justice, human dignity, brotherly love and relief, we Masons are collectively engaged in worthwhile projects designed to turn our communities into better places in which to live."

QUEBEC — 1986

116th Annual Communication — June 5

Grand Master M.W. Bro. John Patience presiding

Lodges 102 (plus 1 U.D.) - Membership 9,727 - Loss 323

This past year, the Grand Master presided over two special communications: one for the purpose of consecrating a chartered lodge - La Loge Laval No. 139 - and one for the purpose of instituting a new lodge to be known and designated as La Loge La Parfaite Harmonie.

To mark the fact that its ancestry can be traced back to the Grand Lodge of Scotland, the Grand Lodge of Quebec recognized the 250th Anniversary of the Grand Lodge of Scotland at its annual Divine Service. The brethren, many in kilts, paraded to the Presbyterian Church of St. Andrew, in Montreal, led by the pipes and drums. This was the first public procession of the Grand Lodge of Quebec that had been seen in Montreal in 56 years.

The Grand Lodge of Quebec has a special friendship with the Grand Lodge of Vermont. They have a special "Hands Across the Border" event which takes the form of a Table Lodge. This past year it was held in Swanton, Vermont. It was attended by Grand Lodge Officers of both Grand Lodges, as well as by Masons of both jurisdictions.

The Grand Master's address was given in both French and English.

"Brethren, for over two and a quarter centuries Freemasonry has been nurtured and practised in Quebec. We have a splendid heritage; the Order in this jurisdiction rests on a firm and solid foundation. Let us not use this foundation as a

comfortable seat...but rather as a springboard that will propel us to greater and higher achievements and move us confidently not only through the year ahead, but forward toward the fast-approaching 21st century.

...We live in tumultuous times. The voice of love and compassion is almost being drowned by the discordant din, the raucous roar and the vociferous clamour and spurious voices that preach terrorism, violence, hatred and bigotry. Were we as Masons not convinced that good will ultimately triumph over evil, surely we should weep for the condition of humanity."

From the reports of the District Deputy Grand Masters:

"The principal problem in the district is that of reduced membership. However, the continued dedication of the officers and brethren of the various lodges will, I am convinced, resolve this in a satisfactory manner. A prime factor in this rejuvenation will be the example which officers and brethren display in their activities outside the lodge."

"Within the district I have found that the spirit of Masonry is strong and active, with an encouraging number of new memberships. This has been brought about through the efforts of dedicated brethren who continue to work hard to maintain a high standard in all phases of the work performed in their lodges and, where it is found deficient, to bring about the necessary improvements."

"I am pleased to note that the French-speaking brethren in the district have taken an active part in the Masters' and Wardens' Association and have participated in the district's events and visits."

There are three very strong lodges in (the district) and these are to be commended for their management and enthusiasm. Four lodges range from good to very good and these are striving to improve with good active programming and incentives...the position of two lodges is doubtful, due to non-support of Past Masters and absence of their full co-operation and participation. Neither of these two lodges...offers any incentive or advantage for affiliation and, unless they suddenly become fully aware of their plight, I see no alternative but to surrender their charters in the not-too-distant future. This is a regrettable forecast and I fervently hope that I will be proved to be in error."

March 6, June 5

Grand Master M.W. Bro. Walter J. Burnett

A Special Communication was held for the installation of the officers of the United Grand Lodge of Ancient Free and Accepted Masons of Queensland.

The Grand Master is elected by the Board of General Purposes and he appoints the Deputy Grand Master and Assistant Grand Master.

At the installation, the Deputy Grand Master and the Assistant Grand Master are acclaimed. The Senior Grand Warden and Junior Grand Warden are installed by the Grand Master and the Deputy Grand Master and the Assistant Grand Master installs the other officers of Grand Lodge.

The President of the Board of General Purposes is elected by the members of the Board and is invested by the Deputy Grand Master.

The Grand Master reminded the brethren about the use of the National Anthem "Advance Australia Fair."

"The brethren of this jurisdiction know quite well from our teachings that Freemasonry pledges itself to pay due obedience to the laws of the country, it is imperative that, no matter what our individual feelings may be, we must, as Freemasons, honour our obligation.

As a result, the brethren will be required, in the future, to conform to the decision of the Commonwealth Government of Australia at Masonic meetings. This does not, however, mean a complete elimination of the Anthem 'God Save the Queen.'

Brethren should note that:

1. Where the Ritual of Installation of Wor. Master so stipulates, the music and words for the first verse of 'God Save the Queen' will be played and sung.
2. Lodges may either play and/or sing 'Advance Australia Fair' if they so desire, at the beginning or at the conclusion of Festive Boards.
3. The First Loyal Toast will remain 'The Queen and the Craft', and this toast may be accompanied by Musical Honors."

The Grand Master has asked the Board of General Purposes, and it has been considered by them, to limit the term of the Grand Master to three years. He considers it is long enough and there is strength in a change-over of leadership, giving fresh and energetic leadership and it will also give more people the opportunity to serve in this capacity.

The Board of General Purposes reminded the Masters and Directors of Ceremonies of lodges that in 1977 they were supplied with the correct protocol for the conduct of Festive Boards at regular meetings, Installation Meetings, and at Festive Boards where the M.W. Grand Master, his Deputy or Assistant, or his representative is present. The Board has found out that some Worshipful Masters and particularly Directors of Ceremonies, were not complying with the instructions.

Correct protocol must be observed, whether the Grand Master is present or not, and all the Festive Boards and Toasts at all meetings must be conducted properly.

The Grand Master, in his address of June 5th, commented on amalgamation of lodges: "We are starting to have a number of amalgamations of lodges and I feel this is the right step to strengthen the lodges in our jurisdiction. Three things have caught my attention regarding amalgamations. Firstly, some lodges need to take this step but have some fears that they are admitting failure. I feel their fears are unfounded and there should be no sense of failure because times have changed and people have changed and I am sure that amalgamation properly thought out will continue to preserve the history of each amalgamating lodge. Secondly, I feel that the Amalgamation Ceremony lacks depth and meaning and I have asked the...Ritual Committee to redesign it, similar to a Consecration. ...Thirdly, when looking for a name for a new lodge or an amalgamated lodge, it would be nice if the Brother credited with being the father of Masonry in this State could have a lodge named after him. I refer to Wor. Bro. James Watkin Jackson."

RHODE ISLAND AND PROVIDENCE PLANTATIONS — 1985

Annual Communication — May 20
Semiannual Communication - November 17

Grand Master M.W. Bro. Robert S. Corp presiding
Grand Master M.W. Bro. Julio A. Paniccia elected and installed

Lodges 45 - Membership 10,392 - Loss 453

The Grand Master reported that he had attended, at Owl's Head Mountain, Quebec, the outdoor ceremonies of the third degree as conferred by Golden Rule Lodge. All the tools and equipment required for the degree were carried up in a wicker basket on the candidate's back.

The Grand Master requested that each Masonic District sponsor a charitable event, and that the proceeds go to a local cause. This has been carried out in some of the districts with great success.

From the Grand Master's address:

How much time do we need to make our members Master Masons again, and proud that they are Freemasons? How do we instill pride, the main ingredient of character, so that their reputation as men and Freemasons make them stand out in the communities in which they live?

Over the years many different approaches have been tried to stimulate our members to have pride in our fraternity, such as educational programs, big brother programs, charity programs, youth programs, guest nights, widows' programs, to mention a few...It is time for each member to become a Master Mason again. It is time for you...the leaders of the Craft to do all within your power to let the light of Freemasonry shine.

Brethren, we are in the "people business," with unlimited human resources. In this business we take good people, good men, and make them better. How do we make...these good men better if we cannot first impress them enough to want to be a part of this Fraternity of ours, to want to do what we do, go where we go, be what we are - Freemasons? How do we accomplish this task? Through our deeds, our actions and example.

Most of us are here today because of all the great men in history who were Freemasons. We are not here because of our beautiful rituals. These...were unknown to most, if not all of us before we joined. We are here today because of people, a friend, a brother, a father, someone we looked up to, someone we respected and held in high esteem, an example of what we want to be. Do you think the tide would still be on its way out if we truly practised outside the lodge those great moral duties that are inculcated in it? Do you think the tide would still be on its way out if each new member truly became a Master Mason?

Do you think it would have helped to turn the tide if it were not for what is known as "the Past Masters' Syndrome," that disease that sets in, in most cases, immediately after the gavel is passed?...What a waste! What a waste of valuable experience. It is time for each member to change his attitude and become a Master Mason again... It is time for you, those assembled here today, the leaders of our Craft, to do all within your power to let the light of Freemasonry shine, through better lodge/community involvement. Let the community know that there are people...Freemasons in our lodges ready to assist, ready to help our fellow men, now, today. We all know what Freemasonry has done, now we must let others know by our deeds, our actions...only we can turn the tide, only we can let the light of Freemasonry shine among those who will otherwise remain at a perpetual distance.

SASKATCHEWAN — 1986

80th Annual Communication — June 20

Grand Master M.W. Bro. William S. Fitzsimmons presiding
Grand Master M.W. Bro. O. E. Mything elected and installed

Lodges 151 - Membership 10,003 - Loss 365

Again, due to the present trend of larger farming operations, improved traveling conditions and social and economic factors, some of the lodges in Saskatchewan decided to amalgamate. Six lodges amalgamated into three lodges during the past year.

The Grand Master officiated at the cornerstone layings of new Masonic Temples at Prince Albert and Preeceville.

From the Grand Master's address:

"...Brethren, after having travelled many thousands of miles throughout our jurisdiction, I am pleased to report that there is still a great deal of enthusiasm being displayed by the brethren of many of our lodges and that Masonry in general is very much alive and well throughout our jurisdiction and we must not be prepared to listen to some of the tales of doom and gloom that we may hear from time to time. Our beloved Fraternity has had to struggle for survival throughout its hundreds of years of perilous history and I am still convinced that it will continue to survive for hundreds of years yet to come.

The annual Master Masons' Retreat was held again. Although the attendance has again diminished, the interest and enthusiasm and good fellowship was still evident. The program was well put together and the papers and instruction for Lodge Officers was excellent. Again those who needed the instruction the most were not present. The retreat has been well managed and is on a sound financial basis. This is not a Grand Lodge function, but is programmed and managed by Master Masons.

The Committee of Fraternal Correspondence and Relations recommended recognition of the following Grand Lodges: The Grand Lodge of Gabon, The Grand Lodge of the State of Matto Grosso, The Grand Lodge of the State of Minas Gerais.

J. M. Marcus Humphrey of Dinnet, O.St.J., M.A., F.R.I.C.S.
Most Worshipful Grand Master Mason

Lodges 1,094 - 634 lodges are in Scotland, and of the 460 overseas, 16 are in Newfoundland.

There are nine new lodges proposed under the Grand Lodge of Scotland: six in Nigeria, and one each in Scotland, Transvaal and the Bahamas.

At the Festival of St. Andrew, the Grand Master of the Grand Lodge of Denmark proposed the toast to the Grand Lodge of Scotland.

In his reply to the toast, the Grand Master of Scotland stated: "I am inspired by the number of young faces present and I am delighted that the youth of Scotland is taking a place in Freemasonry. I have been so impressed by the dedication to the Craft by our brethren overseas and also to their dedication to our ideal of Masonic Homes. The intention is to provide a home for 20 to 30 residents in each of our major cities. The appeal that I launched has reached over 70,000 pounds."

During the past year there were 6,300 entrants into Masonry, an increase of 5% over the previous year.

The Grand Master consecrated the new lodge, Lodge Burns Dundonald at Ayrshire. He had the pleasure of being able to sit in the chair that Robert Burns used when he was Master of Tarbolton Lodge.

Although throughout Scotland there has been some bad publicity about Masonry in the National press and the National media, the Grand Master was pleased with the favourable coverage by the local press of the various lodge consecrations that he participated in during the past year. In each case there were well written and very informative articles. The local press gave Freemasonry a very good press.

SOUTH AFRICA — 1985

Annual Meeting — September 21

Grand Master M.W. Bro. C. B. Groenewald

Lodges 131 (2 in recess)

From the Grand Master's address in the 1985 Year Book:

The common demand so persistently being made, particularly in recent times, is for freedom to be granted to all people and that they be permitted to enjoy their so-called human rights...the annals of history repeatedly record man's struggle to resist oppression, gain freedom and demand his human rights—frequently only to find on the fulfilment of his aspirations that he is the poorer for it...

To find the answer we should turn to the Volume of the Sacred Law wherein it is clearly and explicitly defined that true freedom is not attainable by following Man's will alone. It can only be earned by accepting and obeying the duties and obligations which God places upon Man. The missing element is living and giving according to God's will.

During the past year, the Grand Master visited the Grand East of The Netherlands. Before the formation of the Grand Lodge of South Africa, the lodges in South Africa were under the jurisdiction of the Grand East of The Netherlands.

A Masonic Pilgrimage to the Holy Land followed the visit to The Netherlands. With the permission of the Grand Lodge of Israel, the Grand Master officiated at the installation ceremonies of a lodge in Israel. This lodge has a membership made up mainly of ex-South African and ex-Zimbabwean Freemasons. The ceremony was conducted according to the rituals of the Grand Lodge of South Africa.

As of March 1st, 1985, the Grand Lodge of South Africa is using a new ritual which has been revised to assure uniformity and standardization of the work.

The Grand Master concluded his remarks at the annual meeting with these words:

"I doubt whether there is a single member of our Grand Lodge, conscious of his responsibility as a Freemason and a Law-abiding citizen, who is not seriously perturbed about the present situation in our beloved Fatherland.

We are all deeply aware and affected by the fierce and bitter onslaught being waged against South Africa, be it in the form of boycotts, threats of disinvestments, isolation, disruption of the economy, etc.

These anti-South African actions, irrespective of the cloak of sincerity or good intention, under which they may be propagated or disguised are to my mind, being instigated and fanned by a flame of hate, inspired by forces of darkness and evil, with but one prime objective — the overthrow of lawful authority, be it by revolution, violence, intimidation or dastardly acts of barbarism, previously unknown in our society, in order to undermine and destroy the freedom of the country and its citizens, so as to seize power and subjugate all the people to their own nefarious and selfish domination...

Brethren, let us go forward together in loyalty and unity, in support of our beloved Country and in the promotion and furtherance of the interests of our Grand Lodge and our Brotherhood. We owe it to ourselves and the next generation."

SOUTH CAROLINA — 1986

249th Annual Communication — April 24, 25

Grand Master M.W. Bro. Jesse C. Branham presiding

Lodges 330 - Membership 71,165 - Loss 1,368

Many lodges in South Carolina have outdoor meetings. Many are early morning meetings with breakfast and degree work. These meetings stimulate interest and good fellowship among the Craft.

From the Grand Master's address on the "State of the Craft":

Freemasonry in our Grand Jurisdiction continues to flourish with many activities and good meetings... I am sorry to report to you that we have a net loss in membership again this year... We need to exert our personal efforts in helping to collect dues so as to reduce the number of N.P.D.s in our lodges. I think we have a golden opportunity to hold and reinstate our members by letting them know that we are going to publish the names of every member on our rolls in the 1987 proceedings. We will all have to roll up our sleeves and go to work. But keep in mind that our primary interest is Quality not Quantity. I feel that good leadership in our lodges will help to achieve our goals.

In 1987, the Grand Lodge of South Carolina will celebrate its 250th Anniversary. In January a coin, of appropriate design, will be made available to the members. Automobile window stickers of approximately the same design as the lapel pin will be available at no cost.

The 1987 Annual Communication will be held in Charleston. There will be a special Church Service and a parade. The Grand Master will dedicate a Commemorative Marker at the site of the Shepherd's Tavern where the Grand Lodge was founded 250 years ago.

M.W. Bro. Branham was re-elected Grand Master for another year. He concluded his remarks with these words:

"Lastly, is the ever-present need for our practising daily the sublime teachings of our great Fraternity. We should let the world know that we are Masons and proud of it. The need was never greater my brethren, than it is today. In times like these, when men seem unable to live in peace and understanding, Freemasonry does indeed find its day of opportunity in a troubled world. Precious tools have been placed in your hands, my brothers; just how and for what purpose are you using them?"

SOUTH DAKOTA — 1986

112th Annual Communication — June 10, 11

Grand Master M.W. Bro. Lyle B. Rowen Sr. presiding
Grand Master M.W. Bro. Maurice D. Peterson elected and installed

Lodges 136 - Membership 11,749 - Loss 364

The Grand Master's program for the past year was entitled, "LET'S WORK TODAY — FOR THE FUTURE OF MASONRY."

From the Grand Master's address:

"We have a great organization! However, we must look to the future years, we must meet our Brothers' needs in this ever-changing world. We must not be opposed to changes, we must look at our younger members to see what changes are needed and where they would be most beneficial. We must be aware of men's time. We, as Masons, have the responsibility of making Masonry attractive to men and we must be there with the ENCOURAGEMENT and SUPPORT that is needed by so many.

We must let the people know that we CARE, we are there to HELP, we are there to SUPPORT and we are there to take an ACTIVE PART IN ALL ACTIVITIES. Our constituent lodges must TAKE THE TIME to find just where they can best serve the community and THEN DO IT!!!"

Due to the loss of membership and in an effort to keep up with this busy, ever-changing world and to help a candidate complete his proficiency, the Grand Master made the following proclamation which was approved by the Board of Custodians.

I, Lyle Rowen Sr., Grand Master of Masons of South Dakota, do proclaim and direct, that each CONSTITUENT LODGE, may at the discretion of the Worshipful Master shorten the PROFICIENCY of each degree as sufficient evidence that the CANDIDATE is proficient in the Entered Apprentice, Fellow Craft and Master Mason Degree. The candidate must follow the usual procedures for giving his proficiency as in Section 403 and Section 415 of the South Dakota Constitution and Bylaws and remembering that the Worshipful Master controls the work on proficiency.

I further direct, that each time the shortened PROFICIENCY is used the Constituent Lodge Secretary is to notify the Grand Lodge...

The Grand Master commented on the "State of the Craft":

"I am disappointed with the state of the Craft. I can not be happy about the fact that there is 364 net loss of membership. I do believe that every Mason in South Dakota is conscious of this fact and, I hope that by being conscious of this that they really are working today for the future of Masonry.

We have made a concentrated effort to let that Light of Masonry shine and I do feel that the lodges that WORK—are beginning to reap the harvest. We have to continually sow the seeds for our Fraternity to grow. Other lodges are now seeing that they need to create some interest and enthusiasm and, then, there are some lodges that do nothing, never hold meetings—they just want to exist—they need our counsel and our help. I am sure we can depend on everyone if we but ask. Each of us has a job to do in working for our future."

From the address of the Grand Orator:

"Is nothing free of change? Since the beginning of time there has been need for order in society, and it was inherently necessary that man have concern for his Brother, giving assistance to those less fortunate than himself and above all demonstrate honesty in deeds and actions among members of this society.

You have probably heard of the Seven Steps to Stagnation:

1. We are not ready for that now.
2. We tried that once before, it didn't work.
3. We are doing all right without it.
4. It costs too much.
5. That's not our responsibility.
6. It won't work.
7. We've never done it that way before.

Number seven is the chief stumbling block concerning change."

A proposal to lower the age of candidates from twenty-one to nineteen was placed before the Grand Lodge of South Dakota. The proposal was DEFEATED.

TASMANIA — 1986

95th Annual Communication — February 15

Grand Master M.W. Bro. the Rt. Rev. Bishop M. R. Stanton presiding
Grand Master M.W. Bro. Harold L. Williams elected and installed

Lodges 78 - Membership 6,092 - Loss 147

The Grand Lodge Ancient, Free and Accepted Masons of Tasmania will be celebrating its Centenary in 1990. The Masonic Centenary Medical Research Foundation has been established to mark this event. This foundation will research into the degenerative diseases and disorders of the aged.

Special Centenary Celebrations are planned for June 1990 and all lodges in Tasmania are requested to organize and put on special celebrations.

A Professional Fund Raiser has been engaged to assist in a Capital Fund Raising Program to raise money for the Grand Lodge celebrations of this event.

It is expected that every Mason will give his good will and moral support—that is unequivocal—and such financial support as he is able.

The Grand Master, in his address, dealt with “what a lot of expression there is in hands.”

“Let’s look at a few of these unspoken speeches made by the hands.

There is the open hand of friendship and fellowship—where it all began who knows—but I guess it was in the days of the sword or the rapier when your hand was opened in order to show you came in friendship...

There’s the hand on the plough, our Lord talks of the necessity of pressing on once we have made a decision or a promise...

Then there are clean hands—the sort that are best described by the Psalmist when he says ‘Who shall ascend the hill of the Lord?...He who has clean hands and a pure heart’...

Then there are those hands of which yesterday might have been a reminder for some—interlaced hands clasped in love and affection...

Then there are praying hands...hands that clasped together acknowledge the divinity of God...

Then there are helping hands—the hand that is stretched out ready and willing...

Finally, there are compassionate hands—that soothe and heal that bring relief...

So many hands—so many unspoken speeches—when you put your hand out as a Mason let it be because you want to say these things—that just as you are sustained in the Hands of God—so in turn you wish to show in a tangible way that you are worthy to be called a child of Him who 'has the whole world in His hands.' "

On Saturday, February 22, 1986, a special meeting of Grand Lodge was convened for the purpose of conducting the Grand Installation. M.W. Bro. Stanton was not present because his recent consecration and appointment as Assistant Bishop of Tasmania required his presence elsewhere.

The newly installed Grand Master, M.W. Bro. Williams concluded his remarks with these words:

"Let us then acknowledge and honour those who laid the firm foundations of this Grand Lodge and made the present possible. Let us resolve to meet the challenges of today and bequeath to our successors an organisation that is actively committed to those basic principles of brotherly love, relief and truth."

TENNESSEE — 1986

172nd Annual Communication — March 26, 27

Grand Master M.W. Bro. Samuel D. Chandler presiding
Grand Master M.W. Bro. Gus. J. Vlasis elected and installed

Lodges 380 - Membership 91,935 - Loss 1,543

From the Grand Master's address:

"We would deceive ourselves if we declared all is well within the Craft. It is not! My remarks are not directed toward Masonic principles, but rather our failure to practise them. It is reasonable to think that a lot of our problems could be a reflection on the changing social customs of our culture. Ours is no longer an agricultural society with its conservative stability and realistic ideals but rather we are today a transient, urban society with more and more expedient philosophies. Masonry, on the other hand, is not an expedient organization. It is based on tradition and solidarity of proven values.

There is none among us who want to see Freemasonry disappear from this State or this Country, but there are many who seem to want others to keep it alive. It is difficult to understand how one can claim to be a Mason and leave the exercise of Masonic privileges and duties to others. The accuracy of these remarks is evident if you look at the registration book of each subordinate lodge across the State. It was this and other conditions that prompted my theme of AWAKE AND REDEDICATE."

The Grand Lodge has developed an "Officers' Training Manual." It is a tool to assist the officers of the lodges in becoming knowledgeable about each station in the lodge, suggests order of business, laws pertaining to the many functions of the lodge and how to plan and become leaders. This manual is provided to each officer of the lodges for his use in learning to be a skilled presiding officer. It is felt that this will materially increase the effectiveness of the lodges in Tennessee and aid them in functioning as a team instead of individual lodges.

The future of Freemasonry rests on Masonic Education. Some have asked, "why so much emphasis on Masonic Education?"

From education comes knowledge
From knowledge comes interest
From interest comes participation
From participation comes commitment
From commitment comes dedication
From dedication comes enthusiasm
From enthusiasm comes growth
From growth comes progress.

The Grand Master reminded the brethren of Tennessee that the official position of the Grand Lodge of Tennessee is to not respond to any attacks on Freemasonry. The Fraternity has been under attack for hundreds of years. Freemasonry does not need to be defended. It has outlived its critics for centuries and will continue to do so. When the public sees the members living according to Masonic philosophy, their impression of the Fraternity will not be damaged by the claims of our critics.

In response to a special program, the Masons of Tennessee raised over \$130,000 for the Masonic Widows' and Orphans' Home of Tennessee endowment fund.

The home has at present 230 occupants. These include elderly Masons, elderly Masons and their wives, widows of Masons, mothers of Masons and orphans of Masons.

An educational fund in connection with the home offers young people of the home, who qualify and who have the desire, an opportunity to receive a college education.

The Grand Master concluded his remarks with these words:

"True Freemasonry is in living; in performing as a champion when there is no one left in the stadium; in giving one's best even when the crowd is gone home and there are no spectators. The time is here and now to think, to act and to inspire others by the example of our lives. Let us all **AWAKE AND REDEDICATE.**"

TEXAS — 1985

150th Annual Communication — December 6, 7

Lodges 960 - Membership 200,808 - Loss 3,589

The Grand Lodge of Texas held fifteen Regional Conferences. The primary purpose of holding the conferences is to inform the Masons of Texas with regard to matters of importance to Masonry in the jurisdiction. Each of the conferences dealt with: (1) Masonic Education, (2) some thoughts of the Grand Master, (3) the Endowed Membership Program and (4) some ideas regarding redistricting.

From the Grand Master's Winter Message:

"Changes" is a word that you will read and hear on an accelerated basis in 1985. The philosophy of Masonry is already established and needs no other sophistication. This also applies to the "Ritual" as we know and practise it in this Grand Jurisdiction. Change must, and will, apply to our Fraternity with regard to our being able to keep pace with a changing world and to establish our continued identity as the world's oldest and most respected fraternity. Our environmental establishment has done much to affect our lodges with respect to membership and attendance at lodge meetings and activities. The moors of our society have undergone monumental changes and have also affected the visage of our gentle Fraternity.

We must, and shall, do our utmost to commit ourselves, individually and collectively, to the ongoing of Freemasonry to the extent that we will not only "hold our own" but to the determination that we will bring our Fraternity to "current status" and again place Freemasonry into the light of the world for all to know and realize that we are what we obligated ourselves and profess to be.

The "cable tow" is a meaningful example of the tenets of our Order and, as such, is a familiar symbol to each of the members of the Craft. It should be the constant reminder that as Freemasons, we have an obligation to serve our fellow man to the extent of the "length of our cable tow."

The Grand Master is concerned about the matter of suspension of lodge members for nonpayment of dues. The Grand Lodge rules require a lodge to investigate the qualifications of a petitioner before he is considered for membership, but no such requirement is made to determine his ability to remain a member among us. To assume that a brother does not pay his dues because he no longer wishes to maintain his membership is contrary to the lessons of Masonry. We are taught to aid, support and protect each other. The practice of Charity demands concern, and concern is best demonstrated by action in the form of...true Brotherly Love. The exercise of Brotherly Love demands that we personally investigate the circumstances of each member of the lodge, before he is suspended for nonpayment of dues. It is only after a thorough investigation of circumstances that any member should be suspended from the rights and privileges of Freemasonry.

When a member of a lodge is suspended for nonpayment of lodge dues, three unfortunate things happen:

1. Freemasonry is deprived of a member.
2. The suspended member is deprived of continued fellowship among his former brethren.
3. The lodge is deprived of whatever support the former member provided the lodge, and the potential of future support is greatly reduced because many are never reinstated to membership.

The Regional Conference Program of the Grand Lodge of Texas was designed for the purpose of establishing closer harmony, improved communications and understanding among and between the officers of Grand Lodge and the officers and members of the constituent lodges of Texas.

The Regional Conference Program presents information of major importance to the Masons of Texas, and provides a forum for discussion of mutual problems and concerns.

Current trends and attitudes, habits and practices within our society have created a vital need for a closer relationship among all Masons.

All Texas lodges have been directed to refrain from scheduling or participating in any Masonic-related activities that conflict with the attendance by their members at a Regional Conference.

The Masonic Task Force of the Grand Lodge of A.F. & A.M. Victoria, Australia, went into action quickly following the recent bush fires in Victoria and members participated in cleanup operations and refencing of property. The Task Force worked for over 800 man days in assisting the bush fire victims.

The Darvall Lodge Nursing Home, built in 1973, was purchased by the Board of Management of the Royal Freemasons' Homes of Victoria. It is well equipped and comprises five single-bed wards, six two-bed wards, five three-bed wards and two four-bed wards. It is adjacent to shops and is well served by public transportation.

At present, the Grand Lodge of Victoria has 160 independent units in homes throughout the State for the needs and security of the elderly. The number of elderly persons accommodated in various sections of the homes complex is as follows: Independent Unit Accommodation situated at Ballarat, Coburg, Geelong,

Moe, Murrumbidgee, Wangaratta and Windsor, 187. In Hostel Accommodation situated in Prahran, 247; and in Nursing Home Accommodation in Windsor and Noble Park, 228—giving a grand total of 662.

The Masonic Board Committee grants loans to individual lodges to assist them in upgrading their premises. For example, Beulah Masonic Temple received \$400 to erect a dividing fence and Pakenham Masonic Temple received \$9,000 to assist in completing and upgrading the toilet facilities in the lodge anteroom.

The Health Department of the Government of Victoria has approved an increase in the patient bed capacity of the Freemasons' Hospital from 158 to 183. The hospital has been used to assist in reducing the demand for urgent health care in public hospitals. The Hospital's Charitable Fund continues to provide financial assistance to persons in need who are unable to meet the cost of treatment in the hospital. The hospital is supported by donations and bequests from individuals, by lodges and their supporters and by auxiliaries. In 1987, the hospital will have been in existence for 50 years.

From the Grand Master's address at the quarterly meeting in December:

"Brethren, this year has been a splendid one for Freemasonry and a chapter of outstanding achievements for the Craft. Seven new lodges have been consecrated. In addition, there have been four lodges formed by amalgamations which have grown to new strengths from old foundations. Six of the new lodges have been Daylight Lodges, and this is obviously a trend which will continue. This is not surprising, because it is well known that more people in Australia are retiring earlier and the attractions of a Daylight Lodge to a retired person are very great...brethren who might otherwise not have been able to attend night lodges or who have found it inconvenient to do so have welcomed the opportunity to return to Freemasonry at times which they can manage.

...Many of our lodges have now reached their Centenary... Let these happy events serve to remind us that in the history of any great nation there are the institutions that make it great; those who meet together to provide stability and balance and a sense of pride that they are citizens of no mean country; who strive to uphold the ancient, honourable and accepted standards of good people in all ages and of all races; who provide that 'Still point in a turning world,' while the evanescent fops and fripperies of fashion swirl about them; who steadfastly continue in service to their neighbours, despite the clamour of the shallow minded and the miserable mockery of malevolent morons.

Look at the membership of any lodge over the last century and you will find many who in public 'Have done the State some service,' and many more who in private have been those virtuous men whose names shall never be forgotten: of whom the ancient prophet says, 'Their bodies are buried in peace but their names liveth for ever more.'

...in every city of Victoria, in every town, our lodges and our Masonic philosophy have provided brethren to serve our nation, to fight for her and often die for her...we can take pride in what we have done and what we will always strive to do."

The Grand Master banned the use of Masonic ciphers in open lodge. Since that time the lodge has improved its work and the individual officers have restored the pride and dignity of the office they hold. Many of the brethren of Washington have expressed their satisfaction and pleasure of their lodges doing their work with dignity and from memory.

This past year one of the lodges under the jurisdiction of the Grand Lodge of Washington joined the Grand Lodge of Alaska. There are still six lodges in Alaska under the Grand Lodge of Washington.

On fourteen occasions, the Grand Master granted permission to conduct Fair booths. This was done by individual lodges, Master, Warden and Deacon Associations, and District and Public Relations Committees.

The Grand Master recommended to Grand Lodge:

1. That the Grand Treasurer's office be re-established because of the increase in the net worth of the Grand Lodge's portfolio from 6.3 to 20.5 million dollars which made the position too much of a burden for the Grand Secretary to handle along with his secretarial duties.

2. That the Grand Lodge office become completely computerized in its daily operation.

3. That all returns to the Grand Secretary from the lodge secretaries be attested to by the Master of the lodge and a copy of the same be retained by the Master for his records.

4. That a charge of \$20.00 be assessed by the Grand Lodge for each petition for the degrees and each petition for affiliation. This money would go to the Washington Library and Museum Foundation.

The Grand Orator concluded his address with these words: "...put into practice the principles of our fraternity, both in our lodges and in our communities. Let the great light of Masonry shine on all the segments of our lives, setting the example that all men are good and were created to be brothers with each other under the Fatherhood of God."

WESTERN AUSTRALIA — 1985

Lodges 274 - Membership 14,799 - Loss 433

During the past year the Grand Master consecrated two new lodges. One was a Daylight Lodge—the first in Western Australia.

The Grand Lodge is planning a Masonic Village at Dianella. The concept plan for this project includes provision for 104 well-aged units, a social centre and a hostel. It is endeavouring to obtain land for this project as well as for a new Centralized Masonic Centre.

The Board of Benevolence granted 44 scholarships this past year; 31 full scholarships at \$500.00 each and 13 half scholarships at \$250.00 each. As well, the Board of Benevolence operates 10 Masonic Villages and one Masonic Hostel and Nursing Home. The Masonic Villages have 340 units housing 403 residents. The Masonic Hostel has 60 units for frail and aged and the Nursing Home has 45 nursing beds. The Nursing Home has an occupancy rate of 99.5%.

The Grand Lodge of Western Australia has had much success with "Entered Apprentice Nights." On these special nights, the brethren new to the Craft and their wives are assembled for an evening when they are able to obtain greater knowledge of the objects and aims of the Craft. The aim is to bring the family members and Freemasonry closer together.

The Grand Master, who was elected for a second term as Grand Master, closed his remarks with the following:

"We must continue our public relations endeavours and never lose an opportunity to bring before the community the ideals of Freemasonry and the charitable activities in which we engage. We have a record in this area of which we can be proud and one which can be an answer to those who oppose Freemasonry. It is up to each and every one of us to make sure that the information is made known to the community at large."

The Grand Master laid the cornerstones for three residential buildings on the campus of Shepherdstown College at Shepherdstown and the cornerstone for a new lodge building at Marlinton.

From the Grand Orator's oration at the cornerstone laying at Shepherdstown College:

"You have witnessed the Freemasons of West Virginia on one of the oldest ceremonies of their long existence, first as workmen laying up the cathedrals...and later as members of a group of men admonished to have Faith in mankind. Hope for men's best undertakings to prevail and Charity to other men, using that term in its broadest sense.

The laying of the cornerstones of these public buildings on campus today was according to the old customs and the stones themselves tested by the age-old tools of the Mason Craft. As the most recently laid cornerstones of new public buildings, they are symbols of the enduring purpose of the people to ensure their continued existence by a *new beginning*. That which prevents *beginning again* no matter what the endeavor, is doubly dangerous, first to the present and second to the future. No matter what the cost, to survive, the people must *begin again*.

You saw the proper officers apply the square or right angle to the stones, as a symbol of *virtuous action*, the level as the symbol of *equality* and the plumb as the symbol of *proper conduct*. This was to be certain the stones had the strength and soundness to serve the purpose of support for the structure. So a nation of people...measures or tests *its* strength and ability to support *its* purposes by the standards of requirements of Justice as symbolized by the *Square*, and *Equality* as symbolized by the *Level*, which is joined with *Liberty* and *Freedom* as symbolized by the *Plumb* which measures the relationships of one with another.

To *begin again* or to start...carries with it some excitement—it is one of the good moments of life. We are stimulated by the thought that this time we will be doing it better... But maturity, like the power of thought, is won by everyone for himself...thought comes only by man's own effort. One who has not learned to think for himself, is not likely to respect that which is beyond his limited experience, his notions do not change with the demand of changing times and he becomes fixed in his reaction to other men's thinking. Thinking...it is an acquired skill...it is a personal thing, acquired by each for himself only."

APPENDIX "A"
ADDRESS BY BRO. JOHN ROSS MATHESON
AT THE
GRAND MASTER'S BANQUET
JULY 15, 1987

THE GRAND MASTER: I am now going to ask M.W. Bro. Eric W. Nancekivell to introduce the speaker.

M.W. BRO. E. W. NANCEKIVELL:

Most Worshipful Grand Master, Officers and Members of Grand Lodge, Distinguished Guests and Brethren:

It is my privilege tonight to introduce to you our guest speaker at this great Masonic Banquet at our 132nd Annual Communication of Grand Lodge—Bro. the Honorable John Ross Matheson. We have been blessed over the years (with rare exception) in having exceptionally fine and unusually distinguished speakers. This year we are privileged indeed to hear from this outstanding citizen and great Mason. Having read his curriculum vitae in preparation for this introduction, I am absolutely amazed that any one man in his lifetime to date could have accomplished so much, held such a high position in many diverse fields and contributed so much to all of these.

In the first place, Bro. Matheson is a Judge. I have always held Judges in considerable awe, perhaps more so than those of you who have had more to do with the law and possibly on either side of it. His names—John Ross—are the same as the late M.W. Bro. John Ross Robertson, who was a highly esteemed Grand Master of this Grand Lodge in 1890 and 1891, and whose books, bequeathed to our Grand Lodge, formed the nucleus of our Grand Lodge Library.

Our speaker was educated at Queen's University, Osgoode Hall Law School, Mount Allison University and the University of Western Ontario. He was called to the Bar of Ontario in 1948, created Q.C. in 1967 and is now a Judge of the District Court of Ontario sitting in Perth, Ontario.

In the military, he holds the rank of Colonel and served overseas during World War II with the R.C.H.A.

Our speaker was elected to the House of Commons in 1961 and re-elected in 1962, 1963, and 1965. He served as Chairman of Commons Standing Committee on External Affairs 1963-65 and was Parliamentary Secretary to the Prime Minister from 1966-68.

As an author, Bro. Matheson wrote "Canada's Flag—A Search for a Country" and was the prime mover during the flag debate which led to our present Canadian Flag. He was also responsible for the research which led to the institution of the Order of Canada.

In Craft Masonry, our distinguished speaker was initiated into Queen's Lodge No. 578, at Kingston, in 1948. He was passed and raised in lodges in England. He was an active member of Sussex Lodge No. 5 in Brockville and is currently a life member of Queen's No. 578 (Kingston), True Briton's No. 14, Perth, and Heritage No. 730, Cambridge. It is interesting to note that he was a founding member of the French-speaking Loge Lorraine in Aylmer, P.Q.

In the Scottish Rite, he was coroneted Honorary Inspector-General, 33° in 1978, and has been a member of the Royal Order of Scotland since 1960.

In the York Rite, he presided as Preceptor, Gondemar Preceptory, in 1959-60; in the Red Cross of Constantine he currently holds the Grand Office of Rt. Illustrious Junior General, and is involved in the activities of the Shrine as well.

If I were to tell you of all the activities of our learned speaker, all of his accomplishments, all of the high offices held by him and the honours deservedly bestowed on him I would have to preempt all of our speaker's time and more. This would be unpardonable, and might even leave me open to a stiff sentence by Judge Matheson.

So, may I present to you this Judge and Parliamentarian, high-ranking military officer, author and very active Mason—Bro. Colonel the Honorable John Ross Matheson.

BRO. JOHN ROSS MATHESON:

Most Worshipful Grand Master, Officers and Members of Grand Lodge, Distinguished Guests and Brothers all:

Our Grand Master is full of surprises. He is, I think, the St. Francis of Freemasonry. Francis of Assisi was no respecter of persons. He spoke to Brother Sky and Brother Wind and Brother Moon, and took time to hear what Brother Cricket had to say. Tonight he has invited Brother Fieldmouse to address you, and as a matter of fact I am standing on a box. There is a parable in all of this.

I recall an evening in April when the Grand Master and his entourage of Grand Lodge Officers dedicated the new temple in Brockville. When the ceremonies were concluded, the Grand Master drew into the parade the junior brother present who was wearing the apron of an initiate. Now this same charity is indicated tonight and I thank you for this very wonderful privilege to be with you. After forty-seven years as a sidebencher I know that there are those who rule and those who obey. There is no audience anywhere I would feel more privileged to address.

Now a speech is a challenge. One can try too hard. I remember one such address. It was a maiden address in the Commons in England. It was a member who had tried to contain all the noble thoughts and aphorisms he had been able to accumulate in four years at Oxford. Winston Churchill was asked for his comment. He said, "It was a remarkable speech, an unusual speech. This speech contained all the clichés known to the English language save for 'Do not flush while in station.'" "I want, my dear friends, to avoid all the frills and the funnies and get to the point.

Freemasonry is not for everybody. It is primarily for the minority who stand resolute for brotherhood in a new era of intolerance, and for those who are committed to search for what is better in a society which is tending to lose faith in the future.

And it is wrong for us to suppose that just because we have a common 'Supreme Being' or 'Creator,' and therefore all humans are kinsfolk, that all men are suitable candidates for the science. Only a handful of people ever would presume to offer themselves for moral leadership. Not many people truly thirst to study ethics and particularly under lay guidance. And many have no taste and no aptitude for analogy or metaphor. To put it bluntly—Freemasonry is elitist.

Each of you here present knows the prodigious effort that is required to progress proficiently through the chairs. Only a few, only a very few are prepared to invest so much of themselves as have the people in this audience tonight. Superb ritual is memorable but what preparation it demands! I remember in 1941 witnessing a lodge in Lochalsh in Scotland where the chairs were manned by older shepherds and crofters whose sons were away to war. I had been passed and raised in England after having been initiated in Queen's Lodge, Kingston, while I was at Petawawa in 1940. The visitors in Lochalsh were senior officers from the Royal Navy. That degree was performed with such perfection and feeling as to render it entirely unforgettable. Those men epitomized true and worthy workmen and proved the power of pageantry. The drama was their statement about life and death. In Ottawa, from time to time, we see similar work exemplified by RCMP degree teams which sends Masons away fortified with new resolve and purpose.

My father was for some eleven years principal of Emmanuel Theological College and he regarded prolonged Masonic research to be the equivalent of a doctorate in the humanities. In a chaotic world haunted by absolutes we know the dangers of spiritual and political extremism. We hunger for a kind of healing to bring harmony out of discordant interests and ideas. Masonry is for those who are capable of seeing holistically, one race—the human race, for those prepared to live and strive to the end that hatred becomes a spent force.

Charles Péguy, who perished in the opening months of World War I, a French serviceman, summed up our entire philosophy in this one utterance. He said, "God Himself hopes for and in man; has placed His eternal hope in man's hands, and given to him, along with the gift of liberty, the terrible power of frustrating or achieving the purposes of Divine Love."

Masonry places great emphasis upon freedom and has been in the forefront of all movements of liberation. Canada's Charter of Rights and Freedoms had as its genesis the 1960 Bill of Rights of our Brother, John Diefenbaker, a passionate exponent of freedom. Many determinist scholars, Marxist and Freudian, do not believe human freedom has much reality. They see little real choice in life and without choice there can be no morality. On the other hand the Mason acknowledges that both freedom and morality do exist. Man has responsibility for his own destiny. With his precious freedoms, now legally guaranteed, he has duties. These are to be found not in law books but lodged in people's minds and hearts and to be seen in daily living. For, my brethren, unless the lessons learned in lodge are 'recreated' into life, Masonry is a sham.

Twenty years ago R.W. Bro. the Hon. Donald Fleming addressed the problem of declining numbers. He noted similar trends in churches and service clubs. He attributed this to a faster pace of life, cottage retreats and television. Fleming stated, "This Order is more than statistics." I agree. There is dignity in the intimate lodges which continue to exercise a sustaining moral influence. Masonry serves as a 'remnant' to society.

Discussing the Masonic setting in the Centennial Year 1967 Donald Fleming said, "... there has been no evidence of a loss of confidence in the ideals and teachings of Masonry." He was very jealous, of course, of the reputation of the Craft, and recognized then, twenty years ago, no diminution in public respect despite a drop in numbers.

However, eight years ago, here at the Grand Master's Banquet, Fleming discussed the judgment of what he called 'a critical, skeptical and indifferent generation.' He observed, "today there are many hands that are ready to write epitaphs on the wall. It seems to give some great satisfaction when an institution like ours is weighed in the balances and can be pronounced wanting."

Since then the attacks have increased. There is more graffiti on the walls! Let us examine this phenomenon and consider why. Let us ask if there is something that we might do to add vitality to this beautiful institution that has enriched the lives of us all.

In 1968 I was appointed one of Her Majesty's judges. A colleague said, "John, I suppose now you will resign from the Masons." I responded that more than ever I was determined to prove worthy of my Masonic obligations, and that I would do my very best to act justly, love mercy and walk humbly.

You may approve of my answer, but please bear in mind that 'it is of fundamental importance that justice should not only be done, but manifestly and undoubtedly be seen to be done.' Also note that in legal trials and enquiries within these last years, particularly the last three years, in Ontario, the West and the Maritimes, there has been a succession of attacks with respect to judges and juries in relation to Masonic membership. These attacks make damaging headlines, but more important they compel us to ask ourselves, "Are we what we claim to be?"

After being 'sworn in' as a judge in 1968 I was invited to speak to the Knights of Columbus. I had not been well briefed as to the importance of this assembly, and on my feet I informed the audience I had changed plans and would talk on a theme I had used earlier at a Masonic Past District Deputies' banquet. I spoke partly in French. The heartwarming reception was confirmation that we are not alone in our prayers or aspirations. The Masonic doctrine is universal brotherhood. In nearly five decades that is all that I have seen. Masonry has nothing to hide and it has much to affirm openly.

One might suppose a charitable organization whose origins hark back to the springtime of the world, to the very dawn of time, whose spirit is to unite, and though religious in character espouses no creed and permits no discussion of religion or politics, would commend a wide acceptance. Everyone knows by now that save for modes of recognition there are no Masonic secrets. Fifty years ago Lorne Pierce wrote, "The secret of Freemasonry is that there is no secret." I would qualify this a bit and put it, 'what secret there is is for each man to discover for himself.'

This is good reason for the caution against solicitation. Freemasonry is a 'search for truth' which implies openness of mind and a desire to grow. This requires a perfect freedom of inclination. Within Freemasonry there can never be dictation, direction and even guidance concerning beliefs. The search for 'the true secrets' is ongoing, continuous and entirely personal.

If a Berlin Wall exists between us and others it is not of Masonic construction, and we would tear it down were we able. Masonry is open to those who believe in God, by whatever name he is summoned, and in morality. It aspires to overturn barriers and leap over the frontiers. We remember the 'trowel,' a common instrument of labour, which by spreading cement unites a building into one common mass. We seek unity not in any belief system but rather in mutual trust, respect, affection and forbearance.

I said Masonry is for those committed to a search for what is better in a society losing its faith in the future. In 1969 one of the greatest Canadians that I know, Northrop Frye, declared: "A century ago one of the most solidly rooted assumptions in our culture was the sense of continuity in time. History revealed an increasing purpose in its passing; consistency of action throughout life was what gave dignity to man and a real significance to his virtues, or even his vices. This belief in teleology, that time revealed a design and a meaning as it continued, had been built into our religion and philosophy from ancient times. . . . This teleological sense is . . . disappearing. . . . This loss of the sense of a future implicit in the present has naturally created a panic or latent hysteria, the future being feared in proportion to its meaninglessness. . . ." I heard Northrop Frye make this statement in Kingston.

The historian H. A. L. Fisher could discern no plot, no rhythm, no predetermined pattern in human affairs. He saw only the play of the contingent and the unforeseen, just 'one damned thing after another.' As noble a philosopher as Canada's George Grant laments the loss of our security of the past and

questions the assumption of human progress. He has confidence in the Creator but he entertains grave doubts about the creature. The Mason is rather old-fashioned, believing that he is on a pilgrimage under Divine auspices. Despite the barbarism of the 20th Century he still thinks in terms of continuity. He refuses to abandon hope. R.W. Bro. Walter Mortlock has delivered inspired addresses on the reality of progress, man's insatiable search for what is better, humanity's inherent craving for perfection.

The Mason prepares for 'the long home from whence he came.' The text I most revere, it was my grandfather John Matheson's last sermon, he lost two sons in World War I, was, 'For here have we no continuing city, but we seek one to come.'

I wear on my lapel the 'forget-me-not badge' of a brother who sat in lodge in Germany. Adolf Hitler, whose mission was to cleanse the world from 'the despicable Jew-Freemason embrace,' is dead. His credo is discredited although the atrocity and 'hate literature' trials keep alive the obscene terrors of the past.

At Bergen-Belsen I memorized those extraordinary words of the child Anne Frank before she was murdered. She wrote, "I believe there is some good in every human being." Bless her! May we never betray that conviction and pray that evil such as befell her shall never find lodgment again on planet earth!

We live in a climate of widely polarized opinions. Every community has produced its individual dogmas. Because of its liberality Freemasonry is attacked today not only by the extreme Right and Left but vigorously by some devout persons who cling for security and refuge to the precise words of a creed, ideology or portion of scripture. These righteous people distrust persons who seek new meanings behind the metaphor. Thinking they drink the 'pure milk of the word' they find enquiry or interchange repugnant and threatening. Are they not 'the true believers?' They abhor the thought of being 'yoked' with the unwashed and ask "Wherefore should light have communion with darkness?"

Let me remind you of some of the language that we find in *Mein Kampf* that we read in the thirties. Hitler wrote, "... The greatness of any active organization ... lies in the religious fanaticism and intolerance in which it attacks all others, being fanatically convinced that it alone is right. ..." Hitler continued, "The greatness of Christendom lay not in any attempts to reconcile itself with the philosophical opinions of the ancients ... but in unrelenting and fanatical proclamation and defence of its own doctrines." Now this extremism, so completely contrary to what I understand to be the spirit of Jesus, with its shrill ring of desperation, ushered in the most systematic and barbaric assault upon human dignity that this world has known. At Treblinka when the Polish people understood what was happening they were appalled and they commented that since the world began no one had murdered so many people.

Fortunately, faith need not be undergirded by fanaticism. Minds like Lecomte du Nouy, with focus upon universal thought, or Pierre Teilhard de Chardin, urging us to go on seeking because the world will explode if it does not

learn to love, or Hans Kung, who would have all men share their precious partial insight respecting God, these spiritual pilgrims prove there is a far better way, of freedom and openness and sharing—the Masonic way. Is this not what the prayer meant 'that they may be one?'

Dr. Kung writes, "Not only Muslims in Allah, but also Hindus in Brahma, Buddhists in the Absolute, Chinese in heaven or in the Tao, are seeking one and the same absolutely first, absolutely last reality, which for Jews and Christians is the one true God."

It is through symbols, metaphor and allegory that truth is communicated. The most eloquent symbol is a human life. Masons appropriate shamelessly those they admire into their fraternity, Solomon, Zerubbabel, Noah, Constantine, Robert the Bruce. The roster is long, one could go on all night. I would not be astonished if the names of Blaise Pascal, Mahatma Gandhi, Dag Hammarskjöld, Martin Luther King, Jean Vanier, Dr. Jonah Salk and John the 23rd were included in some future list.

The Most Worshipful the Grand Master invited me to be a bit challenging so I enquire, 'Does this Masonic generation, our Masonic generation, have anything really worthwhile to declare? Or, is it content to live off the nourishment of the past?' We know the 17th, 18th and 19th centuries made rich contribution to the mystic art as a speculative science. Think of the advances that have occurred in the seven decades of my lifetime in medicine, science, art, music, law and engineering, even in theology. M.W. Bro. Dr. Eric Nancekivell told us five years ago that the volume of medical knowledge doubles every ten years! What 'recreation' has occurred in Craft Masonry in my lifetime? If we worship the words, the mere ritual, the meaning escapes us and we relegate Freemasonry to the cultural archives or museum. Only by constantly rewriting these ancient truths into relevant contemporary form do we keep them dynamic.

Remember that the great mythologies, plots, themes of the ancient world, the classics, the lively oracles of God—the Bible, the works of Blake, Milton, Shakespeare and Shaw, have been reworked literally hundreds of times, and through all of these 'recreations' they have flourished. Consider how many symphonic orchestras around the world have 'rearranged' Beatle music within the last twenty years, and how often great ballets have been 'rechoreographed!' There is no jurisdiction anywhere better equipped to usher in a rich renaissance of Masonic music, literature, poetry, drama than this one here had we only the desire. In our computer and space age we hunger for new and apt metaphors. We might author our own 'Charter of Duties and Obligations' lest we focus unduly upon the 'Rights and Freedoms.' Why should we not underwrite new recordings of the masonically inspired music of our departed brethren—Mozart, Mendelssohn, Sibelius, Beethoven, Haydn and Wagner? And where could this be more tastefully accomplished than right in Toronto?

It was with Masonry as a model that I developed the idea for an Order of Canada during the years before Canada's Centennial. A constitution and flag appeared to be insufficient. What was needed was living example of what

constitutes great citizenship. Masfield said, "Patriotism is not a song in the street and a flag flying from a window, but it is a burden to be borne, a thing to labour for and to suffer for, and to die for."

The jewel of the Order was developed from the motif of the snow crystal, each geometric hexagon perfect and unique. My draftsman on design was Flt. Sgt. Bruce Beatty, RCAF, who first saw Masonic light in Lorraine Lodge in Metz, France, in 1961. The scriptural foundation is from Isaiah 55 where it refers to the snow from heaven 'which watereth the earth, and maketh it bring forth and bud.' The burden of the entire chapter is the surpassing bounty of God.

For motto I selected Hebrews 11:16, 'Desirers of a Better Country' in latin form, 'Desiderantes Meliorem Patriam.' The verse reads in full, "But now they desire a better country, that is, an heavenly; wherefore God is not ashamed to be called their God: for he hath prepared for them a city."

Canadians here present may remember the shock and anguish of Mr. Pearson, my chief, after he misdirected the press gallery to Hebrews 12:16, which warns against fornicators and profane persons such as Esau, 'who for one morsel of meat sold his birthright.'

Addresses at a Grand Master's Banquet, I find, frequently contain verse, and I have included one sonnet of my own. Wolfe and Montcalm you will recall were Freemasons. The stone spire beside Dufferin Terrace bearing these two names was erected by brethren of a Quebec City lodge formed by Lord Lovat's Fraser Highlanders—those who were chosen by Wolfe to scale the heights in 1759. The monument, like the great Washington Memorial, is symbolism at its best, a lesson in love. This is my poem:

WOLFE-MONTCALM MONUMENT

Valiant souls were raised from bloodied earth
of battlefield to Grand Orient on high,—

Wolfe and Montcalm were warriors of worth
each for his country reconciled to die.

These heroes patronized the mystic art
with square and compass, level, plumb and plan
aware that brethren cannot live apart
from duty, sacrifice, or rights of man.

Masons built a monument of stone
to signify the loss—two enemies, alas,
to show a brother need not lie alone;
it towers above the reconciling grass.

From the conflict came this certain good
a kindly nation pledged to brotherhood.

My brethren, before leaving my home, which only M.W. Bro. Howard Polk will know, Rideau Ferry, only a stone's throw from Otter Lake and his Mother Lodge, Otter No. 504, I had a phone call from our Most Worshipful and beloved

Brother, Most Rev. Dr. William L. Wright. Any call from the Sault, from that great soul, is like a benediction. He was thinking of me and of my responsibilities. And his presence is surely with us here tonight.

What would that dear brother have me say to you by way of conclusion?

Gentlemen, you are the statesmen of the Craft, the leaders, in this very room, of more than one million Masons. The Grand Geometrician hopes for and in men, in your good selves, to achieve the purposes of His Divine Love. What a tall order, what a sublime reason for living!

Despite the overwhelming and cruel setbacks of this Century let us think of this fragile earth as our common home and all its inhabitants as our family. Let us endeavour to prove in our time that faith is stronger than doubt and love is greater than hate.

I thank you.

Deputy Grand Master's Thanks to Bro. Matheson:

Most Worshipful the Grand Master, Bro. Colonel The Honorable John Ross Matheson, Distinguished Head Table Guests, and my Brethren:

It is a rare privilege and an honour to provide an expression of sincere gratitude and to tender well deserved commendations to a very interesting, knowledgeable, talented and distinguished Mason—our guest speaker this evening.

Bro. Matheson, you portray a man who practises universality in your philosophy and your teachings and you have instilled within us good feelings of those tenets.

You portray a man of great personal courage. Your past accomplishments reflect your determination and resourcefulness.

You reveal the sterling qualities of a true and patriotic statesman. We thank you for your lifetime efforts in acquiring our beloved flag—a symbol of our unity—much the same as the trowel in Masonry.

Your address provides us with a miniscule insight to your love of history and the pleasure reading from great authors. You whet our appetite by paraphrasing a few of their greatest quotations.

It was a revelation to many that Masonry was a model as you worked so diligently developing the idea for the "Order of Canada."

You leave us with effervescing thoughts to take home to our respective lodges and our Grand Lodges.

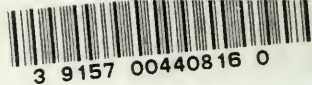

You leave us with an excitement of hope and we thank you.
